A Horrible Holdup. "About ten years ago my brother was 'held up' in his work, health and happiness by what was believed to be harmless consumption," writes W. R. Lipscomb of Washington, N. C. "He took all kinds of remedies and treatment from several doctors, but found no help till he used Dr. King's New Discovery and was wholly cured by six bottles. He is a well man today. It's quick to relieve and the surest cure for weak or sore lungs, hemorrhages, coughs and croup, bronchitis, influenza, asthma and all bronchial affections; 50c and \$1. Trial bottle free. THAT "BOOZE BANQUET." Chicago, Jan. 27.—The National Prohibition committee tonight issued a protest against what it calls the "booze banquet" to be held at Springfield, Ill., on February 12, to celebrate the Lincoln centennial. It says the decision of the committee to use wine is in defiance of the martyred president's principles.

Don't Take the Risk. When you have a bad cough or cold do not let it drag along until it becomes a serious bronchitis, or develops into an attack of pneumonia, but give it the attention it deserves and get rid of it. Take Chamberlain's Cough Remedy and you are sure of prompt relief. From a small beginning the sale and use of this preparation has extended to all parts of the United States and to many foreign countries. Its many remarkable cures of coughs and colds have won for it this wide reputation and extensive use. Sold by all druggists.

CORNER ON ONIONS. Reno, Nev., Jan. 28.—Following the floods which ruined crops in California, Nevada farmers are enjoying an independent prosperity for they have a corner on potatoes and onions. The price of onions shows a heavy increase. Potatoes have increased from \$15 to \$29 a ton and local dealers declare that price will reach \$50 a ton.

Teachers: The constant nervous strain of the schoolroom makes crows' feet, sallow complexions, hollow cheeks. Hollister's Rocky Mountain Tea keeps you strong, makes clear complexions, bright eyes, rosy lips, steady nerves. Tea or Tablets, 35 cents. David Smith and G. F. Peterson.

ALMOST CLOUDBURST. St. Joseph, Mo., Jan. 28.—A rain which almost reached the proportions of a cloudburst did great damage in St. Joseph and vicinity last night. A number of bridges and culverts were washed out and railroads suffered.

Eddy Improvement

For a few days we will sell Eddy stock at the old price, 10c, and on the installment plan, one-fourth down and one-fourth per month until paid. This plan may accommodate some one who would like to get in on this gilt edge property and have not the ready means with them to buy at this time. The management decided to do this as they wish to give Missoula people all the benefits of this mining proposition. Get in with a live bunch and you will not regret it.

Salters is the place, the Eddy is the property and now is the time. When the sun shines on the other side of the fence, and the Bryan and other properties, in company with the Eddy, are shipping ore you will be feeling your own head to see what was the matter with it that you were induced to go over to some unknown district to buy mining stocks.

We all buy a little stock, some more, some less. There is more mining stock bought in Missoula than any town of its size in the northwest and you pick pure winners. There is not a spot of ground that the sun shines on that holds as many valuable prospects as can be found from Missoula west to the state line, but unfortunately humans, like cows, the further away the hill is the greener it looks, the higher priced it is the more they want to break into it.

A. M. STEVENS, Secretary.
