

# A Triangular Block South Missoula

Containing over seven full lots, block 99, South Missoula. This is a beautiful building site, the block being a triangle, having streets on all sides, makes it desirable. This is only about \$90 per lot. Price of the entire block \$650, on terms of \$50 cash, balance \$25 per month. This block will bring \$1,000 cash before one year.

## TOWN TO BE LIGHTED BY ELECTRICITY

STEVENSVILLE IS ASSURED OF MODERN METHOD OF ILLUMINATION.

Special to The Daily Missoulian.

Stevensville, Feb. 4.—It is now certain that Stevensville will have electric lights within a short time. C. B. McCarthy, who was recently granted the franchise to put in the electric lighting system this week, filed his bond with the city clerk for the performance of the work and states he will commence work upon the same immediately. It will be remembered that Mr. McCarthy expects to get the power to operate the plant from the Burnt Fork creek and will use the old power house which was constructed to operate the old grist mill on the McGinley place.

A lengthy meeting of the town council was held on Monday evening and at a late hour an adjournment was taken till Monday evening of next week, when matters which could not be taken up at Monday's meeting will be handled. Several bills were allowed and the reports of the treasurer and marshal were received. The report of the treasurer show the total receipts from May 4, 1908, to date to be \$3,273.21 and the disbursements during that time to be \$2,969.46, leaving a balance of \$1,293.31. An application of J. R. Smith for a saloon license was rejected and a communication was read from J. H. Kyd, city engineer of Butte, stating that he would be in Stevensville soon to again look over the ground for a waterworks system. Mr. Kyd furnished the estimates for the council some time ago for the system and at the present time he is perfecting the plans.

## IRON MOUNTAIN NEWS

Iron Mountain, Feb. 4.—Work at the Iron Mountain mine has been resumed with Joseph Woodford as superintendent. He now has 15 men at work and the force will be enlarged as soon as things can be put in readiness. The Superior Dramatic club will play "For Love or Money" on the 12th inst. at the I. O. R. M. hall.

## FARMERS ATTENTION

The annual farmers' institute will be held in the Missoula county courthouse, February 13. Two business sessions will be held, at 9:30 a. m. and 1:30 p. m. The meeting is to the interests of every one interested in the progress of Missoula county. Bring your lunch basket and come to the meeting. Don't forget the date.

LICENSED TO WED.

Yesterday a marriage license was granted to John Charles Snowden of Pocatello, Idaho, and Myrtle Halsey of Stevensville.

## INDEPENDENT PHONE TO INVADE CITY

MONTANA COMPANY EXPECTS TO START WORK HERE WITHIN NEXT 30 DAYS.

It is reasonably certain that within a short time—30 days, to quote a man prominently connected with the company—Missoula will have a second telephone system. The Missoulian has on several occasions stated that the Montana Independent Telephone company intended to enter this city to compete with the Rocky Mountain Bell system and the council is now considering a petition for a permit to use the streets. In view of the fact that the required permission will most probably be granted, a few facts about the new company and its plans are of interest.

The new system, which is proposed for Missoula, will be an up-to-date one, having automatic phones and an exchange building of its own. It is proposed to begin work within the next 30 days, and lay wires through underground conduits in the business part of the city.

The Montana Independent Telephone company is composed of many prominent business men of the state, and has exchanges in active operation in Butte and Anaconda, with another exchange about to start in Helena. It is connected with the Independent company in the eastern part of the state, which has exchanges in Billings, Miles City and other cities. Many of the stockholders are well known in this city, many of them being Missoula business men. The president of the company is Harry Galloway, the vice president is W. H. Hall and the secretary-treasurer is Charles J. Kelly. The managing director is Thaddeus S. Lane.

The directors are such well-known men as Pat Wall, W. G. Conrad, M. S. Lacey, C. J. Kelly, W. L. Hall, Thomas Crouch, Jr., T. S. Lane, C. F. Kelly, J. T. O'Brien, H. B. Brown, F. H. Clinton, L. O. Evans and H. A. Galloway.

Mr. Lane, the managing director, was down from Butte several days ago to look after a site for the new exchange building, and his selection will soon be made known.

The company will furnish connections with the Bitter Root, Spokan and all through Idaho, eastern Montana—in fact, all over the territory that is covered by the present company.

## MAGNIFICENT LINE OF ORIENTAL RUGS

Today is the last of the oriental rug display and big reductions are given for today. Lots of pretty rugs have been shown in the last few days and there are many left.

Come today and get your share of these bargains—they only come once in a great while. Khouri Brothers have been coming to Missoula for the last four years and have sold nearly all the rugs that are in the magnificent homes of Missoula.

Khouri Brothers guarantee their rugs to be exchanged after three years of use and they will take them for the same price you paid for them. It is really paying one who is able to buy these fine rugs to keep them in the home, as they are most serviceable—come in best qualities, fast coloring and the more you use them the better they look.

You could easily use any one of our rugs for 25 years or more and then if you should care to sell it you would get more for it than you paid, as these rugs improve with age and are therefore an exceedingly good investment. It is a good idea to place some of them in your house, when you can buy from such a reliable firm as Khouri Brothers.

## DR. THOMAS D. TUTTLE TO SPEAK AT CHURCH

Tonight at the Christian church Dr. Thomas D. Tuttle, secretary of the state board of health, will deliver a lecture upon sanitation, with special reference to the fight that is being waged against tuberculosis. The lecture is under the auspices of the Woman's club, upon whose invitation Dr. Tuttle comes here, and the local medical association is co-operating in the arrangements.

Dr. Tuttle is really the author of the present state board of health system; he has labored hard in the interest of state direction of matters connected with the work of the board, and his reports have been of great value in the development of a state sanitary system. He deserves a good audience to-night and he doubtless will have it. His remarks will be practical and to the point and attendance at the lecture will benefit and instruct any one.

- Deed—M. H. Keith to F. M. Hope, lots 16 and 17 in block 57, South Missoula.
- Deed—J. U. Williams to Charles Cahill, lots 5 and 6 in block 71, South Missoula.

## A CARD PARTY.

The Ladies' Auxiliary of the Ancient Order of Hibernians gave a largely attended card party last night in the basement of the Catholic church. The affair was a great success, both financially and socially.

## IS EASILY MIXED AND SPLENDID

RELIEVES THE WORST FORMS OF RHEUMATISM LIKE MAGIC.

Cut this out and put in some safe place, for it is valuable and worth more than anything else in the world if you should have an attack of rheumatism or bladder trouble or any derangement of the kidneys whatever.

The prescription is simple and can be made up by anyone at home. The ingredients can be had at any good prescription pharmacy and all that is necessary is to shake them well in a bottle.

Here it is: Fluid extract dandelion, one-half ounce; compound Kargon, one ounce; compound syrup of sarsaparilla, three ounces.

Take a teaspoonful after each meal and at bedtime. A few doses is said to relieve almost any case of bladder trouble, frequent urination, pain and scalding, weakness and backache, pain above the kidneys, etc. It is now claimed to be the method of curing chronic rheumatism, because of its direct and positive action upon the eliminative tissues of the kidneys. It gives them life and power to sift and strain the poisonous waste matter from the blood, relieving the worst forms of rheumatism and kidney and bladder troubles. The extract dandelion acts upon the stomach and liver and is used also extensively for relieving constipation and indigestion. Compound sarsaparilla cleanses and enriches the blood. There is nothing better than Kargon Compound for the kidneys. This prescription is safe to use at any time.

## INTERESTING PROGRAM TO BE GIVEN BY TRIO

This evening, under the auspices of the Missoula High School Students' association the Grant Lyceum Trio of Cleveland will present what promises to be one of the most interesting programs of its kind ever given in this city. The trio consists of three young ladies, Misses Dack Montgomery, Ethel Montgomery and Marie Frances Whitney. The proceeds are to go to be used to pay the association's outstanding debts and to provide a fund for the maintenance of the school activities during the year. The students are making a special effort to make the event a success, so that the school may be square financially.

The trio will present a program of vocal and instrumental solos, duets and trios and of some interpretative reading by Miss Dack Montgomery. Just what selections will be used it has not been announced, but the program will be arranged in such a way as to avoid monotony and to insure interest. The concert will take place in the high school assembly room at 8:30 this evening.

## IN THE THEATERS

"The Matchmaker." Daniel Sully, "the natural actor," who secured such a brilliant success as Father Whelan in "The Parish Priest," has found another big winner in the three-act comedy, "The Matchmaker," written for him by Jerrold Shepard, which will be presented in this city at the Union theater next Saturday, Feb. 6.

"The Matchmaker" is the strongest play of its kind that has ever been presented, and in every respect is an improvement on its distinguished predecessor, "The Parish Priest." It is intensely dramatic, although a rich vein of comedy relieves the tension and prevents the most striking situations from becoming too strained.

The story of the play is simple enough, but it is in its handling and treatment that Jerrold Shepard has shown himself a dramatist of unusual power and originality. A wealthy ranchman, domineering, self-willed and accustomed to command, is in love with his pretty ward, a girl many years his junior. The young lady has other views and has fallen in love with a clever young mining engineer who has come out to the little Idaho village as the representative of an eastern mining syndicate. There has been an epidemic of horse stealing, and when the tenderfoot is found with another man's horse in his possession he is made an unwilling participant in a lynching. Father Daly, pastor of the village church, arrives in time to rescue him and disperse the mob. He then proceeds to fight the young people's battles in his own way and eventually succeeds in arranging matters to the satisfaction of all concerned. In doing so he encounters many obstacles, but overcomes them all by a combination of tact, diplomacy and good-humored but inflexible authority. As Father Daly, Mr. Sully shows the kindly nature, the quaint humor, the homely pathos and, when necessary, the stern authority that finally compel the respect and win the admiration of the roughest characters of the frontier town.

"Brewster's Millions." Without a dissenting voice, the press of the country proclaims "Brewster's Millions," which will be presented by the Coban & Harris comedians, headed by Robert Ober, at the Harnois theater Thursday, Feb. 25, as one of the greatest comedies offered to the stage in recent years. "Brewster's Millions" has met with unprecedented success in London, New York, Chicago and other principal cities throughout the country. Reserved seats will be placed on sale soon, notification of which will be given in the press of the city.

Piles Cured in Six to Fourteen Days. Pazo ointment is guaranteed to cure any case of itching, blind, bleeding or protruding piles in 6 to 14 days or money refunded. 50c.

## LEAGUE WOULD HAVE SUNDAY CLOSING

CIVIC ORGANIZATION DECIDES TO SEEK CHANGE IN LIQUOR ORDINANCE.

The Civic League of Missoula began the year last evening in a meeting held in the district court room by electing officers, deciding to seek to cause the closing of saloons on Sunday and at 11:30 every night and by almost deciding to celebrate the centennial of Abraham Lincoln's birth with a mass meeting to be held at the Union theater. The arrangements for the prospective meeting were placed in the care of the executive committee, which will meet this afternoon.

The New Officers. The league elected officers as follows: President, Rev. T. A. Wickes. Vice president, Charles E. Avery. Secretary, James L. Wallace. Treasurer, W. W. Wickes. The following executive committee was chosen: T. A. Wickes, James L. Wallace, John E. Patterson, J. G. Ambrose, Sam Williams, J. H. McCarty, S. L. Dunham, A. Butzerin and Charles N. Madsen.

Patterson Speaks. Alderman John E. Patterson, the retiring president of the league, presided at last evening's session and briefly reviewed the public certain phases of municipal questions, the league began to arrange for a mass meeting for next Friday night, February 12. Addresses on various subjects will be given by local men and the meeting will really be a continuation of the "reform" gatherings of last year.

A committee was appointed to draft a petition to be presented to the city council, after the required number of signatures have been secured. The petition will have the way for an ordinance closing all saloons in Missoula on Sunday and changing the closing hour on week nights from 1 o'clock to 11:30. The plan of the league is to cause the proposition to be voted on at the coming city election.

Partly to celebrate the 100th anniversary of Lincoln's birth and partly to bring before the public certain phases of municipal questions, the league began to arrange for a mass meeting for next Friday night, February 12. Addresses on various subjects will be given by local men and the meeting will really be a continuation of the "reform" gatherings of last year.

## INTEREST IS TAKEN IN SPECIAL MEETINGS

Great interest is being taken in a series of special meetings that is now being held in Orchard Homes under the auspices of the Congregational church. Last evening there was a large attendance and the service was interesting and helpful. Rev. Dwight S. Bayley and R. W. Newman, Montana missionary for the American Sunday School union, are in charge of the services. Last night's was the second of the series.

## SIBLEY & BONNER DISSOLVE PARTNERSHIP.

The partnership existing between Robert Sibley and James Bonner under the firm name of Sibley & Bonner, was yesterday dissolved by mutual agreement. The junior member, Mr. Bonner, is retiring.

Mr. Sibley will continue to do business at the old office in the Allen block, while Mr. Bonner, who was recently elected as county surveyor, is to open an office for a general engineering practice. He will for the present be located at the court house, where he is assisting County Assessor Kroonen in figuring the acreage of the Chicago, Milwaukee & Puget Sound railway for assessment purposes.

## EXCESSIVE DRINKING

Urine Destroys the Craving for Drink. Cure Effectual or Money Refunded. Excessive or continued use of alcoholic beverages always results in a diseased condition of the nervous system.

The drinking man is often heard to say, "I can stop of my own free will and when I wish," but the poor fellow is now devoid of the power to act at the proper time and in the right way—it's too late, the craving has secured a firm hold, and because of the diseased nervous system he has not the ability for sustained effort. The result we all know. Drunkenness is no longer considered a crime; eminent scientists and physicians have agreed that it is a disease and must be treated as such.

The home treatment that has been used for a number of years, and is highly successful, is Orlin. It is sold under a positive guarantee that if it does not effect a cure your money will be refunded. Orlin is in two forms. When desiring to give secretly, purchase Orlin No. 1, and if the patient will voluntarily take the treatment, Orlin No. 2 should be given. The guarantee is the same in either case. Orlin costs but \$1.00 per box. Mailed in plain sealed wrapper on receipt of price. Write for free booklet on "Drunkenness," mailed in sealed envelope by the Orlin company, Washington, D. C. Sold in this city by Missoula Drug company.
