"The Quarryman"

A laborer in a stone quarry is seen leaving his wife and family and going to his daily toil, where it is his duty to set the fuse to the powder which blasts out the heavy rock. Something unforeseen happens to the fuse and it does not ignite the blast, so, after waiting for some time, the man goes up to investigate the cause of the delay. Suddenly there is a terrific explosion and he is thrown many feet away and severely injured. His companions carry him home and when he regains consciousness the poor fellow realizes that he has lost his sight. Being an able-bodied man, the fact that he will now be helpless so preys on his mind, together with the thought that his wife is unfaithful to him, he asks his little boy to lead him down to the river. The blind man fumbles around and at last jumps into the stream and would have drowned but for the timely arrival of his wife who plunges in after him and brings him safely to shore. She leads him home and, realizing that it was all done for love of her and sorrow over her unfaithfulness, she decides to devote her life to him, turning her back on the unworthy man who has caused the trouble and who is even now waiting to elope with her.

A SPECIAL MEETING CALLED FOUND IN THE LOCAL MARKETS

CITY COUNCIL WILL CONVEENE
FOR IMPORTANT BUSINESS
TONIGHT.

Mayor J. M. Keith has called a special meeting of the city council for tonight to dispose of business left over from the last regular meeting.

A number of important matters are scheduled for the consideration of the city fathers at this meeting, one of which will be the opening of bids for the construction of the proposed wing dam in the Missoula river east of the Bitter Root bridge. The council will also have the damage suit of William Smith officially brought to its notice. This case involves the city in an action to recover damages in the amount of \$5,000 for injuries, claimed to have been sustained from a fall on an icy sidewalk. It is also expected that the council will create an improvement district for sprinkling of streets. The sidewalks and curb ordinance will be given some attention.

Another important matter for the consideration of the municipal body will be that relating to the increasing of salaries paid the chief of police and the city attorney. Acceptance of the bonds of the Missoula Light & Water company will be another subject for discussion by the body. The Montana Independent Telephone company will formally present its request for a franchise to conduct a telephone business in Missoula tonight. A number of other matters of minor importance will be placed before the body, among which will be petitions for additional public lighting facilities and the establishment of extended fire protection.

INTOXICATED WOMAN ATTEMPTS SUICIDE

A woman who was too drunk to give her name was picked up on the railroad track just east of the Rattlesnake crossing last night by Sheriff Graham and was taken to the county jail. She was very much of the opinion that she would like to shuffle off this mortal coil, but unfeeling residents of that part of town sent her to the sheriff's office and her arrest followed.

Soldier Balks Death Plot.
It seemed to J. A. Stone, a civil war veteran, of Kemp, Texas, that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me, in spite of all remedies, for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 178 pounds." For severe colds, obstinate coughs, hemorrhages, asthma, and to prevent pneumonia a universal: 50c and \$1.00. Trial bottle free. Guaranteed by Geo. Frelshelmer.

FACTS AND FIGURES RELATING
TO COMMODITIES SOLD BY
MISSOULA DEALERS.

There was scarcely a change in prices in any of the markets during the week and hardly a new culinary commodity shown for sale.

The wholesale departments report a week of activity and the retailer declares that business is daily growing in volume.

The wholesale markets the following prices held:
Oats, \$1.50; wheat, \$1.25; baled hay, \$10 per ton at shipping stations on the Bitter Root; loose hay offered on the street at \$14.

Potatoes, \$1.14 to \$1.25 per hundred weight.

Veal calves are in fair call at \$5.00 to \$6.00, live weight.

Retail Fruit Prices.
Heavy rains continue to fall all over California and the orange picking is being retarded considerably on this account. However, this unfortunate condition, while curtailing local receipts, has had no effect on the current prices of this and other citrus fruits. The quotations are as follows:

Oranges, 25c to 35c per dozen; lemons, 35c to 40c per dozen; grape fruit, \$1.50 per dozen for Florida stock; California fruit, 75c per dozen; grapes, Malaga, 30c per pound; pines, 40c each; choice bananas, 35c to 40c per dozen; dates, fancy Fard, 15c per pound; figs, 15c to 25c per pound.
Apples, per box, fancy Snow, \$1.00; Northern Spy, \$1.50; McIntosh, \$1.50 to \$2.00; Blue Winter Pearmain, Northwest Greening, Greenstein and Peawakee, \$1.25; Bellefleur, Lauver and Delaware Red, \$1.50; Maiden Blush stock has been taken from the market.

With Greengrocers.
The early green product of southern Washington put in an appearance in the fresh vegetable market last week. A large consignment of spinach was received by the home dealer. Shipments of Illinois sweet potatoes are also being received in Missoula, and are of excellent size and quality. Prices for fancy and staple vegetables remain without change with the exception of tomatoes. The love apple, which has been reaching here from California, has been replaced by the Florida product, and is selling at lower figures than the product of the Golden state. The following price quotations are supplied in the green and dried vegetable department:

Hothouse Goods.
Prices on hothouse vegetables follow:
Florida tomatoes, 25c per pound; lettuce, 25c per pound; cucumbers, each, 25c; young onions and radishes, 5c per bunch; parsley, 15c per bunch; egg plant, 35c each; spinach, Walla Walla product, 3 pounds for 25c.

Spuds, 1 1/2c per pound; dry onions, 3c per pound; carrots, 2c per pound; cabbage, 5c per pound; carrots, rutabagas, white turnips and beets, 2c per pound; parsnips, 3c per pound; Illinois sweet potatoes, 3 pounds for 25c.

Staple Groceries.
There is absolutely no change in this department, either in price or the line of goods carried.
The prices are as follows:
Canned corn, 12 1/2c to 25c per can; canned fruits, 15c to 35c per can; comb honey, 20c; strained honey, 35c and 40c per quart; mince meat (bulk), 15c per pound; packed in glass, 50c per pint and 85c per quart; in airtight packages, compressed, two for 25c.

Dairy Products.
Butter holds about the same under a steady price quotation. Fancy creamery is quoted at 40c per pound with the product of the home dairy about 5c under that figure. Eggs, choice Bitter Root and Blanchard selects, 50c to 60c per dozen; American cheese, 25c per pound; brick, 25c per pound; American, 30c per pound; McLaren's, 20c and 35c per jar; Canada cream, 15c roll; Edelweiss Camembert, 60c per can; pate de foie gras, 55c per pound.

Retail Poultry and Meats.
The prices for butchers' stocks remain the same as was reported a week ago. There was nothing new on the counters and even the poultry line was extremely short during the past week. There were no ducks of turkeys exhibited for sale, and what there was of the chicken variety was insignificant both in quality and volume. The prices are:
Dressed poultry—Chickens, 22c per pound.
Beef cuts, 8c to 20c; pork, 10c to 15c; mutton, 13c to 18c; veal, 8c to 20c; Belgian hares, 20c per pound; jack rabbits, 75c each; breakfast bacon, choice, 15c per pound; whole hams, 15c per pound.

Retail Fish Prices.
Owing to the scarcity of fresh salmon the prices governing the sale of fish have advanced about 5c per
