CHILD IS MUTILATED. Marseilles, France, Feb. 16.—The discovery of a revolting crime—recalling in detail a case which occurred in Paris in 1907, has caused a sensation here. The body of an 8-year-old girl, torn by knife wounds and further mutilated by burns, has been found in a populous quarter of the city. It was learned that the child had been ill-treated before being killed. A man who had been living with the girl's mother, who is a widow, has been arrested.

Many Sleepless Nights, Owing to a Persistent Cough, Relief Found at Last.

"For several winters past my wife has been troubled with a most persistent and disagreeable cough, which invariably extended over a period of several weeks and caused her many sleepless nights," writes Will J. Harriman, editor of the Burley, Colo., Bulletin. "Various remedies were tried each year, with no beneficial results. In November, last the cough again put in an appearance and my wife, acting on the suggestion of a friend, purchased a bottle of Chamberlain's Cough Remedy. The result was, indeed, marvelous. After three doses the cough entirely disappeared and has not manifested itself since." This remedy is for sale by all druggists.

HARRIMAN PARTY ARRIVES. Galveston, Tex., Feb. 16.—E. H. Harriman and party arrived here today from the east. They remained but a few hours. They are on the way to San Antonio for Mr. Harriman's health. He is said to be suffering from rheumatism and nervous trouble. Mr. Harriman declared that he is not on an inspection tour nor is he concerning himself over railroad details right now. Arrangements have been made for an extended stay at San Antonio.

Soldier Barks Death Plot. It seemed to J. A. Stone, a civil war veteran, of Kemp, Texas, that a plot existed between a desperate lung trouble and the grave to cause his death. He contracted a stubborn cold," he writes, "that developed a cough that stuck to me, in spite of all remedies, for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 178 pounds." For severe colds, obstinate coughs, hemorrhages, asthma, and to prevent pneumonia it's unrivaled; 50c and \$1.00. Trial bottle free. Guaranteed by Geo. Frelsheim.

KILLS WOMAN, THEN HIMSELF. Lawrence, Kas., Feb. 16.—A man named "Pap" Johnson, a notorious "Jointist," or keeper of an illicit saloon, shot and killed Mrs. Frances Switzer at the woman's home early today, and then committed suicide. The motive for the tragedy is unknown. Johnson lived at the Switzer home, which was in what is known as the "bottoms."

Ask Yourself the Question. Why not use Chamberlain's Liniment when you have rheumatism? We feel sure that the result will be prompt and satisfactory. It has cured others, why not you? Try it. It costs but a trifle. Price 25c; large size, 50c. For sale by all druggists.

Why Not Try Popham's Asthma Remedy? Gives prompt and positive relief in every case. Sold by druggists; price \$1. Trial package by mail, 10 cents. Williams Mfg. Co., Props., Cleveland, Ohio. For sale by Missoula Drug Co., wholesale and retail, Missoula, Mont.

Eddy Stock Advancing

This is the last newspaper report on the Eddy. We have sold about all the stock that we care to at this time. All that was being offered was 50,000 shares, or enough to complete the lower tunnel. That will take some time, and as there will be four producers, one on each corner of the eight claims of the Eddy, it can hardly be expected the Eddy will not join the list of shippers early in the summer. Don't overlook getting some stock in at least one property in the silver-lead belt of Saltese. This is the advice of one who has been watching this camp for ten years, and while it has not made good as quick as was expected, it was sure. The mines here have been unfortunate in that the big producers in the Coeur d'Alene just over the hill overshadowed them, and they could not get the capital to develop, but that has now become past history, and anything here will sell anywhere. As we do not wish to sell much more Eddy stock, we will only sell in thousands, and would prefer to sell 100 to 1,000 to each individual. Remember, every holder of Eddy stock is entitled to a report every week on what is going on at Saltese. You will be on the mailing list and will get such information, including maps, etc. Send in your name before March 1, as the price will advance, and possibly all this stock will be withdrawn from the market. A. M. STEVENS, Secretary.
