VIOLATORS OF GAME LAWS ARE PUNISHED

Word reached Missoula yesterday that two men named Rosenleaf and Oscarson had been tried in Phillipsburg on the charge of selling fish in Echo lake, and pleading guilty, had been fined \$50 and costs. It was on September 24 of last year that the act was committed, 250 pounds of fish being taken with the seines. At the time nothing was done, although a rancher of the vicinity took the seines and fish away from the men. On February 12 Deputy Game Warden H. D. Vance visited the scene of the act and was apprised of the facts by Deputy Forest Ranger Charles E. Jarvis. Steps were at once taken to punish the guilty men, with the above result. Rosenleaf was able to pay his fine, but his partner, Oscarson, had to be sent to jail to serve out his fine. It is thought that these convictions will be instrumental in preventing further acts of the character.

H. G. OTIS WILL START LUMBER BUSINESS HERE

H. G. Otis, president of the Circle "S" company of Lothrop, returned yesterday from a six weeks' visit at his old home in Dover, N. H. Mr. Otis says he enjoyed his trip to the old homestead but is glad to get back to western Montana. The Circle "S" company owns a large quantity of standing timber near Lothrop and it is the intention of Mr. Otis to engage in the lumber business with headquarters at Missoula. Before leaving here last January Mr. Otis purchased 18 lots on the south side and he contemplates beginning early in the spring the construction of cottages thereon. He will leave tomorrow for Lothrop but will return in a few days to outline plans for the future.

WOMAN IS PUNISHED.

Justice of the Peace Small yesterday sentenced Ethel Smith, who was convicted of "touching" a man for \$25 some time ago, to serve 30 days in the county jail and to pay a fine of \$25.

Washington Once Gave Up to three doctors; was kept in bed for five weeks. Blood poison from a spider's bite caused large, deep sores to cover his leg. The doctors failed, then "Bucklen's Arnica Salve" completely cured me," writes John Washington of Bosqueville, Tex. For eczema, boils, burns and piles it's supreme; 25c at Geo. Freisheimer's.

The session of the Woman's club yesterday afternoon was purely a business one. A communication was received from Principal J. P. Thomas, requesting that a committee be appointed to co-operate with the high school in the matter of the art exhibit which will be given on March 11 in one of the school buildings of the city. Mrs. C. H. McComb, Mrs. Tylar Thompson and Miss Eloise Knowles were selected as the committee.

Thompson, Mrs. Kenneth Ross, Mrs. C. A. Barnes, Mrs. J. E. Power, Mrs. Frank Trainor and Miss Minnie Spurgin, Mrs. Barnes being treasurer and Mrs. Trainor secretary. This committee will meet this coming week to appoint sub-committees to arrange for a public entertainment to be given immediately after Easter.

Next Saturday afternoon the current topics and Shakespeare department will have a charge of the program. It will be a social session and the committee having it in charge promises a splendid entertainment for all who attend. All who wish to join the club this year must have their names in next Saturday, as it will be the last time until next October that balloting for candidates will be held.

HIS HONOR LINGERS ON THE COAST

JUDGE WEBSTER PROLONGS HIS STAY IN SOUTHERN CALIFORNIA.

Henry C. Suff has received a letter from Judge Webster, who is in Los Angeles, stating that the term of court which was to have opened Monday morning, will not be called until two weeks from tomorrow, Judge Webster having decided to remain in California a fortnight longer. Judge Webster writes that he is enjoying his visit and that he is getting rested; he expects to reach home next week, ready for a busy session. The announcement of the postponement of the opening of court is made that attorneys and others who may be interested will not report Monday, and will be saved the trouble which would result should they report and find court not in session.

Judge H. L. Myers of Hamilton convened court here yesterday, disposing of several cases which have been pending during the February term. In the foreclosure proceedings brought against C. W. The announced hearing of petitions for naturalization has been postponed from March 1 to April 1. This postponement has been rendered necessary by the absence of Judge F. C. Webster.

JOE FITZGERALD'S TOGGERY

Six short weeks.

That's your distance to Easter Sunday.

You certainly don't want to hike down the street in your last year's suit; nor do you care to make the bluff in a hand-me-down.

You want to come here right away and select your cloth from my blue or black serges or from any of the hundred and one other fabrics, and let me make you a suit that'll fit, keep its shape and look well as long as you wear it.

If you once wear a suit or topcoat made by me you'll always have me for your tailor. You'll be so well pleased that whenever you think of clothes you'll think of Joe.

My prices—\$20, \$25 and \$30—are within the reach of all, and are \$5 to \$10 less than any other tailor would soak you for identically the same thing.

Yours truly,
JOE,
