Wake Up

They Are Coming. They Are Almost Here. Seven New Railroads for Missoula

Where? N. P. over the Lolo to Stites, Idaho. Milwaukee into the Clearwater country. See line down the Blackfoot and west through the Clearwater. Clark Electric Suburban lines. Canadian Pacific, by way of Flathead lake. Great Northern line, Kallispell to Jocko. O. R. & N. from Lewiston, Idaho, into the Bitter Root valley via Lost Horse pass.

When? NOW; this season will see work begun on several if not all of these roads, and all will be built in the near future. Then, too, the Chicago, Rock Island & Pacific and the Northwestern roads are both building west and we may catch them.

Do Not Forget

THAT MISSOULA IS IN THE GATEWAY OF THE MOUNTAINS. The railroads cannot miss her.

Did you ever stop to consider that Missoula was the center of a great territory whose resources were scarcely touched?

There is an undeveloped empire at our door in the Clearwater and Salmon river country. There is an undeveloped empire in the Flathead reservation.

The Bitter Root valley will support five times its present population. We are blind to the possibilities all around us.

Wake Up, I Say

DO IT NOW. Don't wait until property is five times as high, but buy at once and take advantage of the knowledge you possess to make some easy money.

We have just a few choice lots in South Missoula, near school, for \$300 each. Twelve sold in last three days.

A nice corner lot, Knowles' addition No. 2, only \$250.

Two lots, Eddy addition, next to Judge Knowles, only \$125.

Ten large lots, 40x130, Riverside addition, only \$800.

Three beautiful corner lots, Low's addition, on Fourth and Fifth streets, only \$200 each, inside lots, \$175; remember, these are large lots and will be within two blocks of street cars. They are a safe and good buy.

Yes, and here is a dandy. A whole block, 32 lots, on water main in Daly's addition, \$2,240, or half block, 16 lots, for only \$1,200.

500 acres orchard lands, in various orchard home additions, near city, \$1,000 to \$2,000 for five-acre tracts.

Over 200 acres, adjacent to city, suitable for plating into town lots.

Come See Us for Prices and Terms

You don't have to have much money to buy of us. But you will have to be quick if you buy at present prices.

We have told you of only a few of our real estate bargains. If interested let us show you these and others.

R. M. Cobban Realty Co.

City Or Country

I handle property of either kind. If you are in the market, either to buy or sell, it will interest you to look over my list. I have some offerings in city property that are especially desirable. If you have property to sell, I shall be glad to handle it for you. I have some clients right now who want to invest; perhaps yours is just the property they want. Anyway, come around and see me.
