Mr. Gardner was 81 years of age and was born in Salem, Mass. He was a veteran of the Mexican and the civil war, a member of the Grand Army and the Territorial Pioneers. Besides his daughter, Mrs. Quinby in Missoula, he leaves a son, W. M. Gardner, who resides in Knox, Mont. Two other children, Mrs. E. Hain of Oelwin, Iowa, and Mrs. R. A. Lowell of Mitchell, S. We often wonder how any person can be persuaded into taking anything but Foley's Honey and Tar for coughs, colds and lung trouble. Do not be fooled into accepting "own make" or other substitutes. The genuine contains no harmful drugs and is in a yellow package. Garden City Drug Co., Geo. Freisheimer, Prop.

FINAL PROOF FILED.

In the land office yesterday Daniel L. McQuarrie filed his final homestead proof on lots 3, 4, 5, 6 and 7 in section 2, township 11 north, range 17 west, containing 173.41 acres.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh cure, manufactured by P. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by druggists, 75c. Take Hall's family Pills for constipation.
