The Bitter Root Building Co.

Has let the contracts for the construction of a fine three-story business block on the corner of Higgins avenue and Third street. The one corner where every person crossing the Higgins avenue bridge crosses—and directly across Third street from the Chicago, Milwaukee & Puget Sound railway depot.

The block contains SEVEN STORE ROOMS, 61 large rooms, wide halls and 14 bath-rooms. In fact it will be with one exception the best rooming house in the city. Most of the building is already rented. The annual rental will be \$9,840 or more.

The Cost of the Property Will Be \$80,000

\$30,000 is secured on long-time loan and \$40,000 of the stock has been subscribed by such men as Louis Fenwick and T. J. Walsh of Helena, W. B. Berry, Orville England, R. R. Jones, R. M. Cobban, Robert Sibley and J. H. Kennedy, and the R. M. Cobban Realty company has undertaken to place the remaining \$10,000 of stock.

EACH SHARE IS \$100, AND THERE ARE ONLY 100 SHARES TO SELL

Here is our proposition: We believe this stock will pay 12 per cent per annum, after completion of building; also that stock will command a premium.

Any person purchasing of us and preferring a stock, in consideration of their giving us the excess earnings of the above 3 per cent, we will give a guarantee backed by one of the banks, guaranteeing 8 per cent per annum for a period of three years, or purchaser can secure entire earnings without such guarantee.

Why Leave Your Money in the Bank

Without interest or at a low rate, when you can secure such an investment?

REMEMBER

You can put in from \$100 and upward. You need pay in but one-third of the amount now—the balance as called for by the secretary as the building progresses.

Such an investment beats an ordinary loan, as this is permanent and a new loan does not have to be looked up every year or two.

The location of this building makes it a sure thing that this property will always command good rents that will increase rather than diminish. The property itself will also increase in value and your stock can be turned into cash at any time if occasion demands.
