AN EXTRA SESSION IS TO BE CALLED

Denver, April 5.—The session of the legislature ended by limitation at midnight. FOR A GOOD CITY.

"I propose to give Missoula a good administration," said Mayor-elect Logan last night, after he had received the returns. "I am standing just as squarely upon the republican platform now as I was before election. That platform was made to be carried out. The first matter to demand attention will be the financial situation; I hope to make the expenses fall below the revenue and, with the co-operation of the council, I believe this can be done without affecting in any way the efficiency of the administration. I am emphatically for a clean city—clean physically and clean morally. I am not a radical in these matters, but we have laws that will take care of the situation if they are enforced, and I am for the strict enforcement of all laws without any favoritism. I am deeply gratified by the splendid support that the people of the city have given me today; I appreciate it more than I can say. I do not take the vote, however, as a personal tribute as much as an indorsement of the party platform. I am going to make an earnest endeavor to carry out in a practical manner every pledge which that platform contained. There will be no fireworks; the administration will be practical and businesslike; Missoula is the best city in the state and we will make it even better than it is. There are many matters of material improvement that will require careful attention; there are sidewalks to be built and there is street work to be done; but, and this is more important, there is the reputation of the city to be looked after. Missoula must be made worthy of the site of the university. Fully realizing what that means, I want to say that I propose to make Missoula a city of which every one of us will be proud. I am out for a good city and I hope for the co-operation of the aldermen and of the public. I have made no promises as to appointments; that is a matter to be considered later. It will require good men to carry out the policy which the republicans have declared for, and I am sure good men can be found."

ENGLAND AWAKENING TO AIRSHIP PROBLEM

LONDON, April 5.—Great Britain seems to be waking up to the fact that the other nations of the world are leaving her behind in the race for command of the air. New York, April 5.—The descent of the police tonight on the Marathon Athletic club of Brooklyn at the conclusion of a 10-round bout between Johnny Dohan and Fighting Dick Nelson is taken by the followers of the fistic sport as an indication that an attempt will be made by the police to test the validity of the law under which such contests as those conducted by the Marathon club have been made possible. The referee and both of the principals were held in \$500 bail.

RESULTS IN OTHER TOWNS

City Elections Held Throughout State With Varying Results for Standard Parties—Democratic Mayor Elected in Great Falls and Citizens' Ticket Wins at Glendive.

Washington, April 5.—Three o'clock, April 5, was the time set by the house today for a vote on the Payne tariff bill. The long-expected resolution from the committee on rules closing general debate, providing for certain committee amendments and a full and free opportunity to change the timber and hides schedule, was reported late in the day and adopted, 16 to 2, notwithstanding the desertion of 20 republicans. Four of the 16 votes came from the Louisiana delegation, which likewise broke away from its party.

Special to The Daily Missoulian. Butte, April 5.—Complete returns of the city election show that Charles P. Nevins, the democratic nominee for mayor, beat Joseph Corby, the incumbent, by a vote of 4,017 to 2,474. Nevins carried every ward. Henry, the disgruntled democratic candidate for treasurer, is elected by a plurality of 1,900. Police Judge McGowan got more votes than all the other candidates combined against him. The ward elections resulted in a stand-off. The democrats secured four aldermen and the republicans four. The council will still be democratic by a majority of two.

Mr. Clark of Florida made an address denouncing Mr. Bryan and Bryanism, populists and populism, and declaring that he would support the Payne bill if it contained what his constituents wanted—a duty on sea island cotton and protection for citrus fruits, pineapples, etc. His remarks led him into an exciting colloquy with Mr. Randall (Texas) and other democrats, but he declared that, having been instructed by the legislature of his state and his constituents as to the stand he should take on the articles mentioned, he would not violate his obligation. His whole attitude was one of defiance to the democrats of the house. Before the rule was reported there were numerous speeches on the bill.

Glendive, April 5.—Due to the factionalism within the ranks of the republican party, as a result of which the party support was divided, the citizens' ticket made an almost clean sweep of it today. The republicans elected only one alderman, in the Second ward. There were only two tickets in the field. The result was as follows: For mayor—T. F. Hagan, citizens', 194; Dr. A. A. Baker, republican, 153. For treasurer—C. H. Banker, citizens', 194; F. H. Hudson, republican, 150. For police magistrate—G. N. Burdick, indorsed by citizens, 191; H. F. Rosenberg, indorsed by republicans, 133. For aldermen: First ward (one to elect)—E. S. Merrick, citizens', 154; A. H. Holland, republican, 70. Second ward (two to elect)—Tiadale, citizens', 91; Thomas Kean, republican, 73; J. H. Pennington, citizens', 72; Joseph Westler, republican, 5. The result of today's election is robbed of any political significance because of the fact that every nominee on the so-called citizens' ticket except T. F. Hagan is a republican.

POINTS OUT JOKERS.

Calling attention to what he said were the jokers in the bill, Mr. Randall (Texas) said the measure was full of fraud and deception. Mr. Clark (Mo.) argued that every member had a vote on the bill "from a to z." If members insisted on trying their hands, he said, they could do so, but he would not.

Helena, April 5.—In the city election for aldermen today the republicans were victorious in four out of the seven wards. The democrats elected two members and in one ward, the Sixth, the vote resulted in a tie. The successful candidates are: Schwatz, republican; Galt, republican; Flisk, republican; Lockey, republican; Prosser, democrat; and Major, democrat. McCormick and Hallberg, in the Sixth, received 185 votes each. The socialist candidates polled a total of 37 votes.

STAGG HAS MAJORITY.

Anacosta, April 5.—Three wards in the city give Stagg, republican, 169 majority over Gagner, democrat. The other three wards to be heard from are strongly democratic and will elect Gagner by a majority of 125 or more.

REPUBLICANS VICTORIOUS.

Plains, April 5.—C. W. Powell was re-elected mayor today, defeating his opponent, D. S. McLeon, by 22 votes. The successful candidates for aldermen are: H. K. Stanton, First ward; A. Zebish, Second ward, and C. A. Coppedge, Third ward.

POWELL RE-ELECTED.

Special to The Daily Missoulian. Plains, April 5.—C. W. Powell was re-elected mayor today, defeating his opponent, D. S. McLeon, by 22 votes. The successful candidates for aldermen are: H. K. Stanton, First ward; A. Zebish, Second ward, and C. A. Coppedge, Third ward.

MURPHY ELECTED.

Great Falls, April 5.—Charles F. Murphy, democrat, was elected mayor today by a majority of 128 over J. M. Burlingame, in a total vote of about 2,400. J. H. Bottomly, independent democrat, received less than 300 votes. The democrats also elected the city treasurer, police magistrate and one out of four aldermen.

NORTHERN MONTANA.

Great Falls, April 5.—Specials to the Tribune on city elections show Lewistown elected a citizens' ticket and council is a stand-off politically. But elected aldermen on non-partisan tickets and voted against closing saloons at midnight. Port Benton elected a non-partisan ticket. At Williston, N. D. John Begger defeated Joseph Weinly, present mayor, on an issue of law enforcement.

CITIZENS PARTY WINS.

Hamilton, April 5.—The citizens' party elected two of the three nominees for aldermen in the regular spring election here today, the Civic league getting one. The race was close in all three wards and in no case did the majority of the winning nominee amount to more than 12. In the First ward, W. D. Nelson, who ran on the Civic league ticket, which advocated municipal reform and the eventual restriction of the saloons, won with a vote of 42 against his opponent, Louis Peterson's 40. In both of the other

TO GO AFTER AUTOS.

New York, April 5.—When the two April grand juries were sworn in the court of general session today General Swann referred to the many killings of pedestrians by automobiles, and instructed the grand jurors to deal with such cases severely and indict on a charge of manslaughter where the evidence seemed to justify it.

THE VOTE.

Twenty republicans voted against the rule and four democrats for it, as follows: Republicans—Austin (Tenn.), Carey, Cooper, Lenroot, Morse and Nelson (Wis.), Dawson, Good, Haugen, Pickett, Woods, Hubbard and Kendall (Iowa), Hinshaw and Norris (Neb.), Lindberg (Minn.), Burdock (Kan.), Parsons (N. Y.), Polindexter (Wash.), and Young (Mich.). Democrats—Broussard, Estopinal, Pujos and Wickeliffe (La.). On the previous question Copp (Wis.) and Wilson (Minn.) joined the republicans just named in voting against the motion. Speaker Cannon then ordered that the bill be taken up. Mr. Forney (Mich.) at once moved to strike out the countervailing provision of the lumber schedule. Mr. Payne moved that the committee rise. This was for the purpose of dropping
