

Tho' the Weather Has Been Inclement Spring Days Are at Hand

And the Big Modern Store Has Proven Itself the Best Place to Shop for Every Spring Need

Correct Clothes for Spring

Not a single point has been overlooked in our Men's department. There are stylish clothes there especially constructed along the different lines required by men in the different stations of life, the idea being that every man may look his part as well as act it.

Alfred Benjamin Clothing, made in New York, the style center of the nation, represents the height of perfection in correct apparel for conservative men who fear criticism and who are over-sensitive about their dress. No shabby material enters in their composition, while the style is the last word of fashion. A New York fashion show awaits you here in this Benjamin stock, famous in every state, ay, in nearly every town, for finest quality, the leaders in style, and reasonable in price **\$22.50 to \$40**

Tasty Apparel for the Young Men

Young men who desire styles along extreme lines will find exactly what they want in our "Sophomore" and "Harvard" cut clothes. The excellence and fitting of these garments places a stamp of superiority upon every suit. The cut is the extreme of fashion, without being overdone, while the novel finishings and adornments are very marked. Fabrics are the very best and all the wanted colors are represented, including the new greens and tans. Splendid array for our young college chaps in prices from **\$22.50 to \$40**

Appropriate Styles

Smart styles that are appropriate for Easter are here at the very lowest price that can possibly buy clothes of merit. All the new colors are represented and unusual qualities are found in our "Pile of Style," and other good makes. Prices from **\$15 to \$22.50**

Give our window display your careful inspection. Spring needs of every character are shown in the very latest styles.

Style Center Is Remarkable in Women's Spring Apparel

As everyone expected, we are foremost in our display of beautiful spring suits and gowns. In point of style, colors and quantity we have outclassed them all. The diversified styles of our showing makes choosing here much easier than elsewhere and every woman is sure of being becomingly and stylishly gowned.

We can supply you with a spring suit at an immense price range, from the popular little suit at \$20 up to the elaborate ones that cost several times as much, but we can truthfully say that no place in town can give you a more pleasing assortment or better values to choose from than we do at the modest price range between \$25 and \$35. This is our specialty and no one can beat us at that as has been proven over and over again just as fast as one season succeeds another.

Conservative purchasers who are looking for distinctive styles, new materials and colors will appreciate our display of fine suits. Three-piece tailored models, with net yoke and full-length sleeve, priced at from **\$32.50 to \$100**
Handsome tailored two-piece models, with all the new trimmings in two, three and four-button cutaway and fish tail effects **\$22.50 to \$50**

Headquarters for Spring Millinery

The Donohue company's showing of millinery for Easter is far superior to any other in the city and has caused no little comment from an appreciative public. The millinery section is filled with admiring shoppers every day, but a large force of experienced milliners is able to give every one prompt and efficient service.

Even though today is the last shopping day before Easter you are assured of getting a becoming and stylish hat to wear tomorrow if you come to Donohue's. The stock is so immense and the stylish models so varied that we are sure to please the most fastidious. Hats for every occasion, from

the plain, smart styles to the most gorgeous and elaborate models.

The strongest feature of our Millinery department lies in the positive fact that it offers the finest line of handsomely trimmed hats in the state of Montana at \$8.50 to \$12. The variety of styles that you will find here between those prices is surprising and the values cannot be excelled anywhere. There are horsehair braids over light and summery frames, stylish straws in lamp-shade and flower-pot effects, Mary Gardens, bee hives, bowl shapes and larger hats in Charlotte Corday ideas and others. Colorings are exquisitely delicate, while the ornaments, particularly the flowers and color combinations, are marvelously suitable and suggestive in tone.
