## SURVEY OF RESERVE COMPLETED

ENGINEER KRAMER FINISHES WORK OF LAYING OFF THE BISON RANGE.

District Forester W. B. Greeley, of District No. 1, yesterday made announcement of the completion of the survey of the new bison reserve, by E. W. Kramer, one of the engineers of the service. This reserve, for which congress made an appropriation of \$10,000, afterwards adding \$3,000, making the total \$13,000, is situated about a half mile from Ravalli, north of the Jocko river. In the range between eighteen and twenty thousand acres of land, which will be fenced and occupied by over 50 head of the almost extinct American animal, the buffalo. Specifications for the many miles of fencing were yesterday sent out to possible bidders and the official expects to have the stockade completed by September 1, when the animals will be put on the reserve.

This site is one of the places favored by the remnants of the large herds which once roamed the prairies and as such promises to make a favorable breeding place. The buffalo will be obtained from various sources, many having been presented to the government by private people and others having been presented by zoos throughout the country.

The fence will be of woven wire, and will be a few inches over six feet in height. It will serve two purposes, to keep the buffalo in and to exclude any marauding animals which might enter and cause damage. It will be topped by several strands of barbed wire.

In charge of the range will be an official from the biological department of the government, who will act as gamekeeper and will devote all his time to the care of the reserve and its occupants.

It is hoped that the department of the interior will take steps to remove all Indians at present residing inside the confines of the reserve and put them on land just as desirable.

During the spring every one would be benefited by taking Foley's Kidney Remedy. It furnishes a needed tonic to the kidneys after the extra strain of winter, and it purifies the blood by stimulating the kidneys, and causing them to eliminate the impurities from it. Foley's Kidney Remedy imparts new life and vigor. Pleasant to take. Garden City Drug Co., Geo. Freishelmer, Prop.

### CLUB WOMEN TO DEVOTE SESSION TO BUSINESS

There will be no program at this afternoon's meeting of the Woman's club. The entire time of the session will be devoted to matters of business, principal among which will be the incorporation of the club. It is hoped and expressed that final action will be taken this afternoon. An interesting program had been prepared by the Shakespeare department for today, but on account of a desire to finish up the preliminaries to incorporation the department gave up its day and will give the program four weeks later.

### 18,000 CURED OF RHEUMATISM

Over 18,000 grateful people have written us unsolicited letters telling how young and well they feel since Hill's Rheumatic Pills have driven away every twinge and ache—loosened up the stiffened joints—given new flexibility to strained and tortured muscles.

What a range of suffering these letters cover—men and women who never expected to walk again—who had been bedridden for years, as helpless as babes—whom untold agony had warped and twisted until they were unable to feed or dress themselves—all cured, all free from suffering through the wonderful virtues of the healing roots and herbs combined in this miracle-working remedy.

### Hill's Rheumatic Pills

have been in use for 73 years without a single change in the formula. They are the only remedy we know which really cures Rheumatism without leaving trouble just as bad in its place.

Hill's Rheumatic Pills are purely vegetable. They contain no harmful minerals, such as iodides and salicylates, to upset the digestion or weaken the heart. They cure by aiding nature—gently stimulating kidneys, liver and bowels until the poisons which cause rheumatism are removed from the body. It only takes a short time, and you are free from every ache and pain and feel years younger as the deadly uric acid poison is dissolved and passed off as nature intended.

Determine to know today what the harmless but wonderful healing herbs and roots used in Hill's Rheumatic Pills will do for you.

### Test Them Free

We realize that there are hundreds of worthless nostrums on the market—that you may have been deceived into trying them and derived no benefit. If so, you have a right to be suspicious. To all such we will give a liberal sized package of Hill's Rheumatic Pills for a letter or postal describing their case. Address the letter to Bell's Dispensary, the makers, Dept. 100, Minneapolis, Minn. The package will come prepaid. Pay nothing then or at any time. When you find the aches and pains going, and see yourself becoming better and stronger each day—then you will KNOW and BELIEVE, and will be as anxious to continue the remedy and be cured as we are to relieve your suffering.

You can then secure these pills from your home druggist, George Freishelmer.

## ASSOCIATE COUNSEL ACQUITTED

LAWYER FOR RUEF, ACCUSED OF ATTEMPTED BRIBERY, IS FREED FROM CHARGE.

San Francisco, April 16.—A. S. Newburgh, associate counsel for Abraham Ruef, the former political boss, recently convicted of bribery, was acquitted by a jury tonight of having attempted to bribe a juror during the second trial of Ruef, to qualify for the jury and vote for acquittal of the former political boss. For this, it was alleged, Kelly, another of Ruef's attorneys, indicted on the same charge, was tried and acquitted several weeks ago.

The principal witness for the prosecution was E. A. Blake, a contractor, the alleged go-between of Ruef's attorneys and Kelly. After being tried and found guilty of having attempted to bribe the juror, Blake made a sensational confession in court and declared that Newburgh and Murphy had promised him \$10,000 if he would "take his medicine" and not expose him. He said further that they had agreed to pay his wife a liberal sum monthly while he was in the penitentiary.
