SECURE CONFESSIONS FROM TWO

MEN ACCUSED OF MURDERING SHEEP HERDERS SAID TO HAVE CONFESSED.

Sheridan, Wyo., May 13.—The state has two complete confessions from two of the seven prisoners confined in the county jail here, in connection with the murder of three sheepmen, Allmond, Enge and Lutz, in a raid upon their camp near Basin, Wyo., in the Big Horn country, about six weeks ago. The officers refuse to divulge the identity of the two men making confessions, but their action in removing Albert E. Keyes and Charles Forbis from the jail at Basin to this city, where they arrived yesterday in custody of United States Marshal Joe LaFors, is considered significant in view of the statement that the safety of the two men had been threatened by the five other prisoners at Basin. The suspects in the Basin jail are George Stabin, M. A. Alexander, Herbert Brink, Edward Eaton and Thomas Dickson. All of the men were recently indicted by the grand jury in Big Horn county on three counts each, charging murder.
Judge C. H. Parmelee has announced his intention of giving the seven men an early trial, and states that he will call a special term of the district court at Basin for the purpose. Keyes and Forbis will be kept in jail here until the trial, towards aggregating \$5,000 have been offered for the conviction of the slayers of the sheepmen by the National Woolgrowers' association, the Wyoming State Woolgrowers' association, the state of Wyoming and the county of Big Horn.

HAMILTON BREVITIES

Special Correspondence.
Hamilton, May 13.—Al Walbridge, assistant chief engineer of the Bitter Root Valley irrigation company, went to Stevensville yesterday morning to spend a few days looking over the lower end of the ditch. The water has been in the ditch for some time past, and Mr. Walbridge said, when leaving, that the water would reach Hamilton Heights by Friday.

Nearly all the work of constructing the main channel of the ditch has been completed and the crews are now being used on the various small channels leading to the ranches covered by the ditch. The water that is now in the ditch is being taken from the various creeks, which the ditch crosses, and is being run through in small streams to settle the banks and the bed of the channel.
Arthur MacDonald, state dam inspector, went to the lake at Conroy yesterday morning and will spend several days there looking over the dam and the work that is being done in its construction. Several special engineers have inspected the work at the dam, and all have pronounced the work as being of the best and that there is no danger, as was rumored, of its washing out during the coming summer.

UNEASINESS PREVAILS IN PORTUGAL AGAIN

Lisbon, May 13.—Much uneasiness has been created here by the fact that during the last few days the government has made a number of political arrests, searched the houses of various suspects and adopted other precautionary measures. The authorities maintain the greatest reticence concerning these measures, which are variously attributed to the discovery of a plot or to the fear of a big republican demonstration if take advantage of the present political anarchy in parliament. The local garrison is constantly being kept under arms.

Bad Attack of Dysentery Cured.

He told a friend if he could obtain a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, he felt confident of being cured, he having used this remedy in the west. OVERTURNING CANDLE SETS FIRE TO COFFIN

Cincinnati, May 13.—Salvatore Rizzo, a fruit dealer, who died suddenly at his home here Tuesday, after having received threatening letters from the Black Hand organization, is believed to have been assassinated. Rizzo was warned that if he did not send several thousand dollars to certain persons in Pittsburgh his life would be forfeited. He turned the letter over to the police. Much excitement was caused in the Italian quarters here today, when, during the ceremonies over the body of Rizzo, a candle was overturned and the coffin set afire. The blaze was extinguished, and it went around that the Black Hand was pursuing Rizzo even after death.
