

HARVARD RUNS YALE CLOSE RACE

BOB CARY TAKES SECOND PLACE
IN TWO SPRINT EVENTS—
RECORDS BROKEN.

New Haven, Conn., May 15.—Yale beat Harvard in the annual dual games on Yale field this afternoon. The total score, which was not determined until after the last trial in the broad jump, was: Yale, 55 1-2 points; Harvard, 48 4-5. Three dual records were broken and in two other events better than record time was made, but in one instance the figure was not allowed and in the other the time was made in a trial heat. Of the three records broken, the notable one was in the two-mile event, when H. Jacques of Harvard made the distance in 9:46 4-5, which is 4-5 seconds under the record of M. H. Stone of Harvard three years ago.

Cooney, Yale's famous football guard, tossed the hammer 159 feet 5 inches, which is 6 feet 1 inch farther than Sherrill put it in 1904. In the 220-yard dash Foster of Harvard made the distance in 2:25 1-2 seconds, one-fifth of a second better than Shick of Harvard recorded the same length of track seven years ago. Howe of Yale took the high hurdles in two-fifths of a second better than W. B. Fox did in 1899, but in making the ninth flight he tipped over a hurdle, and it was later determined that the record could not stand.

BUT ARE DEFEATED.

Marshall Field, Chicago, May 15.—The University of Illinois track team defeated the University of Chicago in a hard-fought dual meet this afternoon by a score of 73 1-2 to 52 1-2. He was first in the 120-yard hurdles, 220-yard hurdles and the shot-put, and was tied for third in the pole vault. The high jump, the next to the last event, yielded eight points to the Illinois total, when Washburn and Richards tied for first at 5 feet 8 inches. This gave Illinois 65 1-2 points and made it impossible for the Maroons to catch them.

Yesterday afternoon the last of the visiting athletes started home and by midnight the last traces of the sixth annual interscholastic meet had passed away and the big event, which was one of the best of the whole series, had become a matter of history. All day yesterday the streets were filled with high school boys gay with colors, most of them staying over to see the baseball game between Butte and Missoula, but by night the last had gone, and with the departure of the Butte delegation on No. 2 the last visitor had left.

The meet was a good one to say the least. The weather was perfect, the spirit was better and during the whole meet with the local high school people, sadly disappointed as they were over their inability to contest, there was not a single trace of ill feeling. The contests were all good and two records which had been considered good for a long while yet to come were smashed badly, Crum dropping his own record in the mile almost 10 seconds, and Davis of Park sending the hammer 21 1/2 feet further than the record which was made by Grandpre of Butte in 1905.

The last trace of the opposition movement against the university and the proposed change of the meet to the state school, The agricultural college may possibly hold a general meet every spring, but it is now certain that the biggest and most looked forward to event of the high school year will be the big interscholastic meet on the Montana field in May.

The Butte boys carried off the prize, but it was through hard work and the victory is begrudged by none, while the Park country school and its little white-headed star, Bickford, took second honors and the individual as the small school's share. All have gone with a kindly feeling and the next spring meet ought to be the biggest and best ever.

PITTSBURG FINISHES STRONG

TROLLEY DODGERS TIE IN THE
EIGHTH BUT PIRATES RE-
FUSE TO BE HEADED.

While Pittsburgh lengthened its lead yesterday in a sensational victory over Brooklyn, the Chicago Cubs, not to be denied, snatched into second place when they downed Philadelphia by batting in three runs in the ninth inning after two men were out. It has already been demonstrated this season, as last, that the Cubs play a stronger game when on the road than at home. Cincinnati is playing consistent ball, and yesterday trimmed the Giants on the Polo grounds, although the win was due mainly to Catcher Schiele's poor work. If the former Cincinnati backstop is not careful, Indian Jack Myers will succeed him as regular catcher for McGraw. The comparison between McLean and Schiele must have done Griffith's heart good. The wildness of Mattern, pitching for Boston, was responsible for the Doves' defeat by St. Louis. Salles is showing class this year and Bresnahan is giving him a regular turn in the box.

The Philadelphia Athletics opened their first series in Chicago with a victory over the White Sox. Both teams fielded perfectly. Washington lost another to St. Louis, and Warhop beat Jess at Cleveland. It rained again at Detroit.

In the Intermountain, Salt Lake again worsted the Miners, although Salt Lake made but one hit. Annis has been pitching great ball for the "Cubs," as the Salt Lake style themselves, and seems to be a comer. It took 11 innings for Helena to whip Boise in a very close game. Kling started the contest for Helena but was replaced by Ames, who was released by Butte earlier in the season.

KELLY IS NO MATCH FOR PAPKE

ILLINOIS MIDDLEWEIGHT, FAST
AND STRONG, BEATS ITALIAN
EASILY.

San Francisco, May 15.—One minute and thirty seconds of a scheduled 45-round contest was sufficient to demonstrate that Hugo Kelly of Chicago is not match in speed or skill with Billy Papke, the Illinois thunderbolt. At the end of this brief period, after half a dozen short rallies, Papke stood unmarked, while Kelly lay unconscious in the center of the ring with a deep cut over his right eye and his chances for the middleweight championship gone glimmering.

Faster and stronger than he has appeared since his memorable battle with Stanley Ketchel in Los Angeles, Papke practically toyed with his opponent. In the several clinches he smothered Kelly's attempts at infighting and pushed him away, only to land stinging rights and lefts that found the Italian almost unprotected.

Quick Work.
Kelly lost the battle when Papke landed his first clean right and left to the jaw. He went to the floor for the count of nine and arose without sufficient vitality to resist the finishing punches. Prior to this Papke had shot a terrific left hook to the temple, which laid open an inch long gash just above Kelly's right eye. The blow was the opening wedge. Kelly appeared to weaken and Papke, without an instant's hesitation rushed him to the ropes, shooting lefts and rights into his mid-section. Kelly fell face downward and was counted out by Timekeeper Hastings. As Referee Eddie Smith counted "ten" Kelly struggled to raise himself on his elbow, but the effort exhausted his last spark of vitality and he lurched back unconscious. Seconds carried him to his corner in a state of unconsciousness, while a hundred spectators climbed into the ring to smother Papke with congratulations.

Papke Strong And Fast.
Papke's wonderful speed and strength was the feature of the brief contest. His taller opponent appeared weak and awkward by comparison with the Kansas boy, and at no stage did Kelly have a chance to show his cleverness. Half the 90 seconds was spent in clinches. Papke wrestled and flung Kelly about with utter disregard of the Italian's greater height. Against the ropes, whether he was rushed twice or three times, Kelly was almost helpless, and it was in this plight that Papke's clean cut blows were landed.

Open Air Battle.
The battle took place in the open air, was witnessed by approximately 5,000 people, and was the fourth meeting between the rival middleweights. Papke was the favorite in the betting at odds of 10 to 8. Papke's victory carries virtually with it the middleweight championship title, inasmuch as Stanley Ketchel has stated repeatedly in public his inability to make the middleweight limit.

Today's battle was practically over before half of those present had settled in their seats. The blows were struck at such a fast clip that they could be followed only with difficulty, and until the first knockdown it was not realized that Kelly was so seriously damaged. All of Papke's effective work was done at short range, the blows traveling but a few inches and the men straining shoulder to shoulder. The fight consisted of but three important blows, Papke landing all of them.

RAIN SCARES BUTTE PLAYERS.

The baseball game which was to have been played yesterday afternoon between the Butte and Missoula high school was called off at the last minute owing to a misunderstanding on the part of the Butte men. According to the agreement with the Missoula men which was made yesterday, the game was to have been played if the weather was favorable, and when it started to rain in the morning some of the Butte men gave up hopes of its clearing up and went home.

REMARKABLE HAMMER THROW

Ithaca, N. Y., May 15.—Cornell defeated Princeton today in track athletics, making 86 1-2 points to the Tigers' 40 1-2. The feature of the contests was the record hammer throw of Thiel, who threw a distance of 127 feet 4 inches. This feat broke all intercollegiate records, but will not be allowed, as the distance was not measured with a steel tape.

MICHIGAN OVERWHELMS OHIO.

Columbus, Ohio, May 15.—Michigan overwhelmed the Ohio state university in the meet here today. Ohio won only the 440-yard dash, the pole vault and the broad jump.

GIANTS AND SOLDIERS TO BATTLE

TEAMS WILL MEET FOR SECOND
TIME TODAY ON SOUTH
SIDE GROUNDS.

This afternoon at 3 o'clock on the south side grounds the soldiers from the fort will make a second attempt to humiliate Gleason's Giants. To redeem themselves, in a measure, for their defeat of two Sundays ago, the bluecoats have been practicing faithfully, and with the help of Pitcher Chevalier promise to make the city aggregation extend itself. For the Giants Main will be on the mound, and, judging by past performances, he should hold the soldiers safe. Anderson looked good at short last Sunday, and he will probably hold down that job today. The lineup of the two teams follows:

Giants—Gleason, catcher; Main, pitcher; Ferguson, first base; Hart, second base; Anderson, shortstop; Hudson, third base; Taylor, left field; Grey, center field; Whiteman, right field.

Soldiers—Kler, catcher; McCoslin, shortstop; Martin, second base; Chevalier, pitcher; Jones, center field; McConville, left field; Hockbrocht, third base; Skuser, right field; Jackson, first base.

TWO RECORDS LOWERED IN PENN-NAVY GAMES

Annapolis, Md., May 15.—The navy was defeated this afternoon in the dual field and track meet with Pennsylvania, by a score of 73 1-2 points to 57 1-2. The navy lost seriously the loss of Donaldson and the lameness of Dalton on the jumps and hurdles. Pennsylvania lowered two academy records. Paul won the two-mile run by 50 yards in the fast time of 9:55 1-5. The record at the academy was 10:8 3-5. The other record broken was in the hammer throw, Coleman, for the visitors, scoring 150 feet 7 1-2 inches against the previous academy record of 151 feet 3 inches.

NAVY RACING SHELLS DEFEAT POTOMAC CLUB

Annapolis, May 15.—The navy's variety and second crews both defeated the eight of the Potomac Boat club of Washington this afternoon on the Severn river. The race as originally contemplated provided for a second crew from the Potomac club to go against the navy's second eight, but as the visitors cancelled this race they agreed to let the navy second eight enter as a third contestant. The race was over the mile and one-half inner course, and the time was: Navy variety, 8:44 3-5; navy second crew, 8:56. The Potomac shell was far in the rear and its time was not taken. Both navy crews got the lead at the start and never were headed.

TRAVIS WINS BEFORE TAFT.

Washington, May 15.—With President Taft and Vice President Sherman in the center of a distinguished gallery, Walter J. Travis of Garden City, former amateur golf champion of the United States, today defeated Allan Allard of Chevy Chase in the finals for the first prize for the spring opening golf tournament of the Chevy Chase club. The local man was entirely outclassed.
