FAMILY LOSES BABY FROM SCARLET FEVER

Luke Matthey, the 18-months-old son of Mr. and Mrs. Joseph McFarland, died at an early hour yesterday morning at the residence of the family, 1028 Defoe street, the cause of death being scarlet fever, from which he had been ill for some time. This is an especially sad case, as only a couple of weeks ago a 15-year-old daughter, Anna, died from the same disease, several of the rest of the family are ill. At one time there were seven cases of the disease in the family, which has been under quarantine. The remains of the baby were laid to rest yesterday from the Lucy chapel, interment being in the Catholic cemetery.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address P. J. CHERRY & CO., Toledo, O. Sold by all druggists. Take Hall's Family Pills for constipation.

DEBATING CAPTAIN IS KILLED

R. E. DAVIDSON, LEADER OF PULLMAN TEAM AT MISSOULA, ACCIDENTALLY SHOT.

News was received here yesterday telling of the death of R. E. Davidson, who captained the Washington State college debating team in its recent victory over the University of Montana a month ago. It seems that Davidson had gone from Pullman with a few fellow students and the members of the University of Oregon debating team for a day's outing, and that while cleaning a shotgun, with the mechanism of which he was unfamiliar, the gun went off, the charge striking him under the chin and literally blowing his head from his shoulders. Following is an account of the boy's funeral, which was published in the Spokesman-Review under a Pullman date.

"An impressive funeral service, with full military honors, was held Wednesday over the body of R. E. Davidson, the sophomore who was accidentally killed here as a result of a gunshot wound Tuesday. The entire cadet corps of the college took part in the ceremony, which was held in the large gymnasium. As a tribute to the deceased no classes were held Wednesday after the chapel closed at 10 o'clock, and the flag waving over the administration building floated at half mast.

"President E. A. Bryan delivered a high tribute to the deceased young man, saying that his record as a student was one which had no superior on the rolls of the institution. He spoke of the young man's bright prospects for the future and of his upright life.

"Mr. Davidson was prominent in many branches of student activity during the three years he had spent at the state college. He was a member of the rifle team which succeeded in winning for this institution the collegiate championship of the United States. He was a member of the victorious debating team which recently won from the University of Montana and from the Oregon agricultural college. In the military department he had risen to be captain of cadets, with the rank of adjutant. He was an active church member, a leader in the Washington Literary society and in the Y. M. C. A. The father of the deceased, who lives at Reardan, arrived in Pullman today and will accompany the remains to their last resting place in his home town."

Miss Ruth Tallman was the first speaker, taking as her subject, "The Shakers." She handled her subject very well, and told interestingly of the life and customs and the quiet people. Her essay showed the marks of careful, conscientious preparation. She was followed by Miss Viola Golder, whose essay was entitled, "The Beauty of Relaxation." Miss Golder's delivery was particularly good, and her treatment of her subject was of a high rank. "The Winter Feast" was the subject on which Miss Nellie Schilling's oration was based, and her paper contained a careful review of the great dramas which caused such a sensation upon its appearance in New York last winter. It is the work of Charles Raine Kennedy, the author of "The Servant in the House."
