

# MRS. THOMAS C. RILEY ENTERTAINS

### ELABORATE LUNCHEON GIVEN AT HOTEL RAVALLI—HAMILTON SOCIETY.

Special Correspondence.  
Hamilton, May 21.—Mrs. Thomas C. Riley entertained a large number of ladies at luncheon in the dining room of the Hotel Ravalli Thursday afternoon at 2 o'clock. It was without exception the most elaborate affair of its kind ever given in Hamilton. The guests, over 50 in number, were received at the hall entrance and ushered by maids to the parlors of the second floor, where they were greeted by the hostess, who was gowned in a princess dress of sheer linen, trimmed with real lace and decorated with pearls. At a few minutes before 2 o'clock the party was ushered into the dining room, always a pretty room, but charming in its decorations of cut flowers, including nasturtiums, carnations, pansies, palms and potted geraniums.

The menu of the eight courses served was as follows:

- Grape fruit.
- Essence of chicken.
- Filet of sole.
- Sliced cucumbers.
- Fried squash chicken.
- Potatoes en berduer.
- Asparagus.
- Fresh tomatoes en surprise.
- Strawberries and cream.
- Neapolitan ice cream.
- Angel food cake.
- Wafers.
- Chateaufort cheese.
- Bar la dux.
- Cafe noir.

Mrs. Riley's guests were: Mesdames Harvey Bertrache, H. L. Meyers, E. V. Hoagland, Miles Romney, A. E. Shapiro, M. A. White, C. W. Cheatham, H. A. Stewart, D. V. Bean, D. C. Grey, W. L. Owens, Currie, C. M. Crockett, W. M. X. Noble, Frank Monte, Webb, Halley, Woliver, L. E. Wolgemuth, and Misses Elizabeth P. Bean, Levern Robertson, Helena McCrackin and Emma Buol. Out-of-town guests were: Miss Elsie Blake of Gallegly springs, Mrs. MacDonald of Butte and Mrs. Menger of Missoula.

For Miss Jones.

A number of people were very pleasantly entertained at the home of Dr. O. E. Jones in the Hart addition last Saturday evening, the party being in honor of Miss Fay Jones, who had just reached her 18th birthday. Dancing and games were the feature of the evening. Refreshments were served at a late hour. Those present were Mr. and Mrs. O. V. Blood, Mr. and Mrs. Wilder Bryan, Mr. and Mrs. O. J. Hobby, Mr. and Mrs. A. Newell, Mrs. C. B. Hart, Mrs. James Padden, Wyn Fullerton, Misses Clara Hart, Mary Rogers, Winnie Fullerton, Hazie McCortney, Mary McGuire, Nellie Bryan, Dorretta Newell, Messrs. Merton Fullerton, Herman Blood, Ormond Blood, Ray Boll, Clay Jones, Herbert Hobby, Floyd Newell and Vernon Newell.

Woodruff-Baker.

The marriage of Dwight L. Woodruff and Miss Lou Baker took place last Tuesday evening at the home of Rev. and Mrs. O. W. Jones in the Hart addition. The wedding was a quiet affair, the ceremony being performed by Rev. O. W. Jones, and the only witnesses being Miss Alice Davidson and Paul Klise.

Mr. Woodruff is president of the Bitter Root Fruit Growers' association, and also has the supervision of the orchard industry for the Bitter Root Valley Irrigation company. He is one of the most popular young men in the Bitter Root valley.

Miss Baker has been a teacher in

# SON OF CHIEFTAIN HANGED

### INDIAN WHO KILLED HIS SQUAW PAYS DEATH PENALTY AT CARSON CITY.

Reno, Nev., May 21.—Charles Kaiser was hanged this morning at 11 o'clock in Carson City. He was the son of Black Horse, a Washoe chief. Washoe Indians from the near-by reservation resent the interference of state authorities in their affairs, and declare it was their duty to have hung Kaiser should he have deserved it.

Kaiser killed his wife for alleged infidelity with other men—an offense which is punishable by death among the Washoes. Kaiser was the third Indian to be hanged by the state, and the Indians are resentful for this. Early yesterday Indians began to gather outside the prison walls, awaiting the turning over of Kaiser's body. They openly declared they would hold a powwow, and as a majority of them were armed, it was deemed advisable to bury the body within the prison walls.

Kaiser, despite his bravado of yesterday, broke down completely just before the execution. He wept and had to be dragged to the scaffold.

# SONG RECITAL WILL SURELY PLEASE

### MRS. JANE CATHERWOOD HAS VOICE OF WIDE RANGE UNDER PERFECT CONTROL.

Lovers of good songs will not be disappointed in going to hear Mrs. Jane Catherwood at the Baptist church Tuesday evening, May 25. She will give every number, and there will be a variety of selections, with that peculiar grace and charm that only a cultured and finished singer can give. Mrs. Catherwood has a rich voice of wide range and under exquisite control. It will be an enjoyable program. The following is from the Hardin County Citizen:

"Mrs. Catherwood is beyond question one of the most talented musicians ever appearing in Lewa Falls. Her singing was most delightful, and Lewa Falls people look forward with genuine pleasure to her return."

The Marion Register says:

"Mrs. Catherwood's singing was received with unbounded enthusiasm by the delighted audience."

The ladies of the Baptist church have the tickets in hand; admission, 50 cents. Also tickets on sale at the Nonpareil confectionery store, 136 Higgins avenue.

# SCHOOLS OF HAMILTON CLOSE FOR VACATION

Hamilton, May 21.—The Hamilton public schools close today for the summer vacation. The board will probably meet tomorrow and select the teachers for the next school year. Six of the present teachers will not apply for positions. Miss Pearl Henry, the principal of the Washington school, will teach at Spokane. Miss Elmore O'Donnell has accepted a position in a Honolulu school, and Miss Lou Baker was married last Tuesday and will retire from school life. The other teachers who have not applied are Miss Barnold and Miss Glesing.

# BAKERY IS SOLD.

Hamilton, May 21.—Mr. and Mrs. E. Dunn of Missoula have taken charge of the City bakery, which they have purchased from Mrs. Lottie Hackett. Mrs. Hackett and her daughter will continue to make their home in Hamilton.

# RACE LOYALTY HELPS "STROLLERS"

### BLACK PATTI AND COMPANY APPEAR BEFORE RATHER SMALL AUDIENCE.

Had it not been for the colored population of Missoula, Black Patti and "The Blackville Strollers" would have sung and danced to an almost empty house at the Harnois last evening. Even with the demonstration of race loyalty the theater was not uncomfortably crowded, but the few that were there seemed to enjoy the show. It is, presumably, not necessary to say that the house was top-heavy.

Whether Sissieretta Jones is the original Black Patti, or the original Black Patti is Sissieretta Jones, or the Black Patti that sang at the Harnois last evening is the original Sissieretta Jones matters not at all. Under any circumstances, the Black Patti that sang "Savannah Ribber" last evening has a remarkable voice. This number, one of the four the colored star sang, atoned for whatever else the "Strollers" lacked.

Outside of the singing of Black Patti the entertainment offered by a company composed entirely of negroes, was simply a succession of minstrel and vaudeville numbers, good in spots and rather long drawn out. George Taylor was the comedy star of the "Strollers."

# GREAT NORTHERN WILL TAP FLATHEAD VALLEY

If the plans of the Great Northern, as they were announced in the Spokesman-Review of last Thursday are carried out, the Missoula valley is to have another railroad entering it and it will have another line tapping the Flathead country. The Great Northern, the Review states, has been carrying on its work quietly and has laid its plans without any noisy stir while the Harriman forces and the Milwaukee have been fighting over the Clearwater and the Lolo Pass country. It has carefully surveyed lines radiating from Spokane, which will tap all of the country in northern Washington, Idaho and Montana and the southern corner of British Columbia. Branch lines will be built from along the main road into all of the rich mining and farming districts and the company has overlooked nothing which will give it the upper hand in the northwest country. The line which will affect Montana and Missoula the most is the branch which is to be built from Kalispell south through the Flathead valley to Jocko, where it will connect with the Northern Pacific. On all of these lines all of the preliminary work has been completed and a few days will see the steel-laying under way.

# NORTHWESTERN WILL EXTEND

### OFFICIALS OF RAILROAD ARE LOOKING OVER ROUTES IN THE NORTHWEST.

Vancouver, B. C., May 21.—For a fortnight past prominent officials of the Chicago, St. Paul, Minneapolis & Omaha railroad, an important portion of the Chicago & Northwestern system and constituting 1,700 miles of its trackage, have been looking over Montana, Idaho and Washington. The visitors reached here today and are headed by A. W. Trenholm, general manager of St. Paul; H. W. Pierce, general traffic manager of St. Paul, and H. W. Stout of Chicago, said to be the personal representative of Marvin Hughtit, chairman of the executive board of the Chicago & Northwestern. They were accompanied here by F. W. Parker, general agent of the system in Seattle. They will return south tonight, having already visited Tacoma, Seattle and Spokane. It is understood to be the intention of the Northwestern to reach Puget sound by an extension of the Chicago and Omaha line, whose western terminus is at Lander, Wyo., less than 50 miles from the eastern boundary of Idaho. The building of 500 miles of railroad would give the system a road to the Pacific. Surveyors are now engaged at location work in Idaho, and that Hughtit is the real backer of the North Coast, now building west from Spokane, but whose sponsor has never been disclosed, even during cross-examinations in the courts in a recent hearing at Spokane. The Northwestern will make Seattle its chief terminal and build a branch to Vancouver.

# LOCAL OPTIONISTS FILE THEIR PETITION

Kalispell, May 21.—The long-promised local option petition was filed with the clerk of the board of county commissioners today. The paper contained more than 1,800 signatures, about 600 in excess of the requirement, according to the tax roll and the last registration. The petition prays for a special election to be held within 40 days to determine the question whether spirituous or intoxicating liquors shall be sold in Flathead county.

# COLORED GENTLEMAN GIVEN SIX MONTHS

Richard Birney, a notorious colored resident of Missoula, is again in trouble, this time for robbing the till in the office bar on West Front street between the hours of 4 and 5 o'clock yesterday morning. He was brought before Justice of the Peace Small yesterday afternoon and, as he was caught with the goods, pleaded guilty and received a sentence of six months with Sheriff Graham.

It is said that Birney entered the saloon and robbed the till to the tune of a little less than \$30, and was caught by the "bell-hop" just before he was leaving. Since that it could not be proven that he forced an entrance the charge against him was made petty larceny rather than the more serious one of burglary.

# MILL AT HAMILTON RUNS EXTRA HOURS

Hamilton, May 21.—The big mill of the Anaconda Copper Mining company at Hamilton is working 11 hours a day to supply an unusual demand for lumber. While the lumber business is good and the mill has been running to capacity for several months, an order for a supply of large timbers for Butte mines has necessitated the extra hours. The mill starts an hour earlier in the morning and shuts down for the day an hour after the usual time.

# POWDER MILL DESTROYED.

Pittsburg, May 21.—One thousand pounds of powder in the wheels mills of the Oriental plant of the Du Pont Powder company, located at Fair Chance, Penn., exploded late last night. No one was injured, but the plant was wrecked, windows shattered for several miles about and the mountain woods set on fire.

# TIME CARD IS MADE PUBLIC

### COPIES OF NEW SCHEDULE TO TAKE EFFECT ON SUNDAY ARE DISTRIBUTED.

The new Northern Pacific time cards which are to take effect tomorrow morning made their appearance and were distributed yesterday so that all may be ready when the change is made. With the exception of the Coeur d'Alene trains none of the changes will take effect in Missoula for a day, at least, until the trains which carry the terminals on Sunday reach here.

As was announced in The Missoulian last Thursday, the changes in the schedule have been made for the purpose of shortening the time between St. Paul and the coast, principally for the benefit of the exposition traveling during the summer months. The new time table as it will go into force next Monday is, again, as follows:

No.	Arrive.	Leave.
1	11:05 p. m.	11:15 p. m.
2	7:08 a. m.	7:18 a. m.
3	1:20 p. m.	1:30 p. m.
4	11:10 a. m.	11:20 a. m.
5	11:55 p. m.	12:05 p. m.
6	11:10 p. m.	11:20 p. m.
15	8:45 a. m.	8:55 a. m.
16	6:10 p. m.	6:20 p. m.
