HAGUE KNOCKED OUT IN FOURTH

LANGFORD EASILY CLEANS UP ENGLISH CHAMPION—WALSH AND STANLEY DRAW.

London, May 24.—Sam Langford, the colored heavyweight of Boston, knocked out Ian Hague, the heavyweight champion of England in the fourth round at the National Sporting club here tonight. The fight, which was for a purse of \$9,000 and the championship, was scheduled to go 20 rounds.

The ring generalship he had picked up in many battles enabled Langford to score a comparatively easy victory over Hague, and the fourth round had been barely commenced when the burly Yorkshireman was felled by a well-directed blow and counted out. Langford was at a disadvantage as to weight, height and reach, but his superior knowledge of ring tactics and his quickness overcame this, and what was expected to be a long contest proved very brief.

In the first round Hague was slow to start. Langford had a shake the better of it until the end of the round, when Hague reached him with a hook to the jaw. This seemed to encourage the Britisher, and although no damage was done in the second round, he showed more cleverness than the colored man.

Langford opened the third round with a hard left to the face, and he used this blow effectively several times before the going sounded. Hague, however, partly closed the American's eye with a hard right swing.

The men came together in a fast mix-up at the opening of the fourth, and Langford put a terrific right on the Yorkshireman's chin, which ended the contest.

A record crowd saw the fighting, and the American was a warm favorite, considerable money being bet at 2 to 1 and 5 to 2 on him to win. There was some dispute over the bandages on Hague's hands, but Langford's objections were speedily overruled.

Walsh and Stanley Draw.

London, May 24.—The bout between Jimmy Walsh, the American fighter, and "Digger" Stanley at the National Sporting club tonight for the bantamweight championship of England was declared a draw. The fight went the full 15 rounds. The purse was \$1,750.

VAUDEVILLE; PICTURES

At the Grand Theater.
The new bill at the Grand theater last evening was opened by Eddie Nolan, styled on the program "the king of Irish comedians." His first appearance on the stage was characterized by a monotonous monologue, which was practically new and to an extent original. His brazen words gave away at once the fact that he is at least of Irish descent. This was followed by an excellent display of dancing ability. Mr. Nolan also made quite a hit when he appeared as a neck chorus girl.

Miller and Snyder in feature dancing were far above the average. Miss Snyder gave a dance that bordered closely on the "Salome" order, but was of a very high-class nature. In a duet talking and singing act they drew from the audience much applause.

The Burton and Brandt trio skit, entitled "The Piano Mover," was an act which also received applause. Burton, who took the character of the "piano mover," was clever.

The illustrated song and moving pictures were new and clear.

The Family Theater.

The family theater entertained its audiences last evening with a clever vaudeville program. The bill was made up of five acts and met with the approbation of the audiences. Francis Stol, as "Fascinating Francis," gave several pleasing character songs. Dunak & Carl were good as comedy skit artists. Annette Middleton sang an illustrated song. The two brothers are well styled as "gymnasts par excellence." Blanche Bishop and her "dancing boys" presented an act which received generous applause. The moving pictures were good.

The Bijou.

The Bijou presented a collection of pictures last evening well worth seeing. The program consisted of four subjects, "The Medicine Bottle," "Jones and His New Neighbors," "Father's First Half-Holiday," and "Unappreciated Genius." Ed Levesque sang the illustrated song, "Just Because I Loved You So."

The Lyric.

The Lyric displayed its pictures to well-filled houses last evening. The bill was comprised of three numbers, "The Burglar's Mistake," "The Brazilian Ring," and "The Lead Cops a Chase." Herbert Sillway sang a song entitled "There's a Girl for Every Boy," which was beautifully illustrated.

BAND CONCERT FRIDAY.

It was announced yesterday that the Missoula Eagle band will give another concert for the people of the city. It will be given Friday evening at 7:30, on Higgins avenue. The program and exact places of the concert will be announced later.

RECEPTION PROVES DELIGHTFUL

CHARMING EVENT IS GIVEN AT WINSTANLEY HOME BY MUSIC DEPARTMENT.

One of the most elaborate and delightful receptions ever given in Missoula was that by the music department of the Woman's club yesterday afternoon at Mrs. E. A. Winstanley's handsome home on Gerald avenue. The spacious drawing room was decorated in red and white. The brilliant color scheme was artistically carried out with innumerable tiny electric lights in red and apple blossoms. The reception committee consisted of Mesdames Vic Skinner, Hiram Knowles, Merriam, Dwight Boyler, E. A. Winstanley, Nat Little, John Sirovec, J. B. Gamson, C. D. Hingston and R. Y. McGinnis of Anaconda. In the dining room a Dutch scheme of decoration was used in a most effective manner. Dutch blue was the color used, and the lights and white tulips mingled together in a most delightful manner. Mrs. Frank Woody and Mrs. P. M. Boyle presided in the dining room, assisted by Misses Helen Lombard, Isabel Lombard, Madeline Lombard and Susie Merriam. During the afternoon a delightful musical program was rendered by Mesdames Winstanley, Lombard, Batin, Misses Lombard, Hatheway and Herbert Sillway.

The auxiliary of the Episcopal church will give a tea and cake sale on Thursday afternoon at the home of Mrs. J. M. Keith, on East Front street.

STRIKE OF MINERS IS FINALLY SETTLED

Winnipeg, Man., May 24.—The coal miners' strike of Southern Alberta and British Columbia was settled today.

The strike affected nearly all of the miners of Southern Alberta and eastern British Columbia for three months. It was settled by the board of conciliation, appointed by the government, assisted by officers of the United Mine Workers of America, sent from Idaho, Washington and Oregon. The terms arrived at are those agreed to at the first conference to which District President Herman objected, although approved by the votes of the miners' lodge, and against which Sherman ordered the strike. The miners yielded on the open shop question and the mine operators yielded as to the discrimination against members of the union. The terms of the agreement are binding on both parties for three years. The agreement will be signed Wednesday and work resumed Thursday.

ATTACKS SUGAR TRUST IN THE UPPER HOUSE

Washington, May 24.—The so-called sugar trust was the subject of an attack in the senate today by Senator Owen of Oklahoma, who sent to the secretary's desk a denunciation of the trust published yesterday in a local newspaper.

"This account," said Mr. Owen, "points out one of the most evil and insidious consequences of the building up in this country of these gigantic organizations protected by this so-called tariff, which led to poisoning the fountain of information of the people of the United States, so that millions of dollars have been stolen from the people of the United States. This fact is not mentioned by the leading newspapers of the city of New York but, on the contrary, full page advertisements of the American Sugar Refining company are run in lieu of the news that should be made known."

Consequently, he asked to have the newspapers' attack read in order that it might appear in the record, which was done.

SPORTING NOTES.
