SUDDEN DEATH CALLS

MRS. LINTON

WELL KNOWN YOUNG MATRON OF BILLINGS EXPIRES ON TRAIN IN MISSOULA.
While traveling on No. 15 from her home in Billings to Tacoma, where she was being taken for the benefit of her health, and just as the train pulled into Missoula yesterday morning, Mrs. Veve B. Linton, well known in this city and in Billings and Spokane, died, the cause of death being heart failure.
Mrs. Linton, who had been ailing for the last eight or nine days at her home in Billings, was being taken by her parents, Mr. and Mrs. Carl H. Luderman, and her father-in-law, W. L. Linton, to Tacoma, where it was hoped the change of climate would better her condition. It was not thought, at any time, that her condition was serious and it was a great shock to her relatives when she passed away so suddenly. The remains were taken in charge by Undertaker Kendrick.
Mrs. Veve Linton was 22 years of age and was the daughter of Mr. and Mrs. Carl H. Luderman of Tacoma. She formerly lived in Missoula and left this city for Billings, afterwards removing to Spokane with her parents. She was married in that city about two years ago to Roy Linton, son of W. L. Linton, a well-known stockman. Her father is a well known traveling salesman, representing a prominent shoe manufacturing firm. Mrs. Linton leaves to mourn her loss, besides her parents, husband and father-in-law, a little baby, which was left in the care of friends in Billings, while the mother was recovering her health.
The body was shipped on No. 15 last evening to Billings, where the funeral services will be held on Thursday. Many flowers were sent to the stricken family by loving friends in Missoula, among them being a beautiful set piece from Hell Gate lodge No. 353, B. P. O. E. The remains were accompanied to their last resting place by the grief-stricken relatives.
The Health of Your Horse will be best promoted—best preserved—if you are ready to give the proper remedy at the proper time. The proper remedy for all strains, sprains, or colic, is Perry Davis' Painkiller. The proper time to use it is when the trouble first shows itself. Be prompt and you'll not only save the horse suffering, but you'll spare yourself trouble and expense—maybe save a long time waiting. You ought to have a bottle ready. The new size bottle costs 35 cents; one larger, 50 cents. Be sure your druggist gives you Perry Davis'.

SUPERVISOR RETURNS FROM ROSS' HOLE

Supervisor W. W. White of the Bitter Root national forest returned yesterday from the east fork of the Bitter Root river, where he spent some time in Ross' Hole. Mr. White says that the water in that locality is still high, and is taking its time about going down. Within the last two or three weeks two more bears have been killed in Ross' Hole by the forest service hunter, James D. Vance, making a total of six killed this spring by Mr. Vance. Since last fall there have been 17 bears killed on the east fork of the Bitter Root river, showing this country to be a paradise for that class of animals. Their skins are of the best and worthy a place in any private den or study.
Success in life is accompanied by increase of enemies. That's why Hollister's Rocky Mountain Tea has so many imitators; it's a success. 35 cents, tea or tablets. David C. Smith, G. F. Peterson.
New Dining Room.
In future the Missoula hotel dining room will be open from 6 a. m. to 8 p. m. The management has spared no expense to make it one of the neatest and best places in the city.
Cosmetics will ruin the complexion. There's no beauty practice equal to the effects of Hollister's Rocky Mountain Tea. It keeps the entire body in perfect health. Tea or tablets, 35 cents. G. F. Peterson, David C. Smith.
The Missoulian in Seattle.
Visitors to the exposition will find The Missoulian on sale at the news stands, Times building, corner Second and Union, and at the entrance to postoffice, corner Third and Union.
