July Clearing Sale

Of Men's, Women's and Children's SUMMER FOOTWEAR

The greatest selling event of summer and vacation footwear ever presented by a Missoula store. Thousands of pairs of shoes and Oxfords for men, women and children have been grouped into lots for quick clearance at prices that make every pair an extraordinary value, enabling everyone to supply their immediate and prospective footwear needs at savings no one can afford to overlook.

The items herewith are merely indicative of the bargains this sale affords; many lots of shoes are not mentioned at all because of the few pairs going to compose them; in these lots some of the best values will be found. Many of the lots are made up of odd sizes, others of broken lines, and still others of complete new lines that were late to arrive. You'll surely find your size if you come before the various lots are too badly picked over—EARLY is the word.
