

Our entire new third floor is devoted to home furnishings of the very latest quality, but lately gleaned from the principal producing centers of the world. Immense quantities of fresh, new merchandise of the latest styles and patterns are being shown in this capacious department, flooded with bright daylight.

THE long looked-for summer has arrived and brings with it halcyon days of outing, visiting and entertaining friends and relatives who are coming here to register, and incidentally repay a pleasant visit. Consequently there is a great demand for house furnishings to brighten and renew the home, and make the home look as attractive and inviting as possible. Missoula's Big Modern Store, ever mindful of its patrons' immediate wants, inaugurates

Keep in touch with the Donohue prices at all times, they're always the lowest and our special reductions that are characteristic of all our sales, are sure to be great economic possibilities. If there is any quality in it you'll find it at Donohue's and it will cost you less than anywhere else.
