RELIGION WITHOUT DOGMA OR CREED

Cambridge, Mass., July 22.—Charles W. Eliot, president emeritus of Harvard, in an address before the Harvard summer school of theology today prophesied the advent of a new religion.

"It will not be bound by dogma or creed," he said. "Its workings will be simple but its field of action limitless. Its discipline will be the training in the development of co-operative good will. It will attack all forms of evil. There will be no supernatural elements; it will place no reliance on anything but the laws of nature. Prevention will be the watchword and a skilled surgeon one of its members. The new religion will not teach that character can be changed quickly. It will not deal chiefly with sorrow and death, but with joy and life."

ODD GAME IS TAKEN BY LIVINGSTON

VISITORS GET AWAY WITH THIRD CONTEST IN EXTRA INNINGS —AGAIN TONIGHT.

In a 19-inning game that sparkled with snappy plays and fielding stunts, the Missoula Giants lost the third of the Livingston series by a score of 5 to 3 before a large crowd. Last evening's contest started with Chevalier on the slab, but he was juked after the second round with the count of 1 to 0 against him. Main pitched consistent ball for the remaining eight innings, but showed the effect of working two days in succession and weakened in the first part of the last frame—just long enough to lose Chevalier's game. It was a hard game to lose, the locals having tied the score in the ninth after two were down. In the ninth, with the locals one to the bad, the hostiles were held without a run and the local talent went to bat in the teeth of a count that said, 2 to 3. Hudson reached first on Loddell's error, but died at second on Anderson's attempted sacrifice. Richmeyer hit weakly to second and Whiteman came to bat. The youngster clouted a pretty one—after acquiring two strikes—and the Livingston outfield hadn't recovered the ball before Anderson had scored and tied things up. Marx let Whiteman die and the contest went into extra innings.

Tenth is Fatal.

The tenth was fatal to local aspirations. Wasson and Marshall both singled to deep center and Petrie slammed a hit down past first base, scoring Wasson and Marshall. Main caught his stride again and Gordon and Butler struck out. Loddell went out from Hudson to Ferguson and the Giants faced a 5-to-3 score when their turn at offensive warfare came. The lead was too great, even if little Ball did open hostilities with a Texas leaguer over second. Kelley, Mala and Ferguson failed to hit and Livingston had won the odd one.

Notes of the Game.

Both of Livingston's wins have gone for extra rounds. Wasson fanned in the seventh with two on bases and retired the side. Time after time Livingston threatened, but Main steadied and held them safe. Richmeyer came down from Hamilton for the game and showed up very poorly. The last of the Livingston series comes tonight at 8:30. There should be a great crowd.

Butler, who officiated for Livingston last night, is the best in the pitching line the visitors have shown yet. Livingston tonight and Hamilton Sunday. The valley team is said to have been buying its stock for a week or more.

Whiteman's hit brought the stand and bleachers to their feet in cheering frenzy. It was the most timely hit of the season.

Ferguson was an erst vice Smith, there being a death in the regular's family. Ferguson did well and cracked out a two-base hit.

In the first inning with Loddell on third and McIntosh at bat, the visitors tried the squeeze and McIntosh missed the signal and didn't even swing.

There were a lot of Hamilton fans at last evening's scrimmage. They all noted that the Giants had improved. There may be hear stories in the valley today and tomorrow.

Doyle got stung on the whip early in the game and when he pulled out the lineup was switched considerably, Wasson going to second from center and Gordon to the middle garden from the bench.

WHALING GOES UP.

Helena, July 22.—According to a persistent rumor here tonight Catcher Whaling of the Bozeman Internountain baseball team will go to Detroit. The statement is made that he has been purchased by the manager of the American league team of the Michigan city.

Broad, Beautiful Boulevards

Ronald Avenue and Arthur Avenue

The beautiful streets will be made more beautiful by this improvement work. They will rival the attractiveness of the older avenues of the addition and will become

Home Sites Without a Flaw

Nowhere in the west is there such a beautiful location for a home or such a safe place for investment as is offered by us in these lots in

HAMMOND ADDITION

HAVE you looked into the proposition that we are offering in Hammond addition? If you have, you know we are right when we say there's nothing better anywhere in the world.

ADVANTAGES exist here which cannot be found elsewhere; the location is admirable, the soil is rich, the environment is such as to leave nothing to be desired in this respect.

MANY people have already taken advantage of our liberal offer and have purchased lots here; the start of the sale has far surpassed our expectations; let us list you with our buyers.

MONEY is not everything; the prices of these lots are low when you consider the fact that this is exclusively a residence section and that there is a minimum fixed for house building.

OUR plan is to maintain this district as a beautiful home section; we have enforced some reasonable conditions which will insure the construction of good houses and handsome yards.

NOWHERE else in the west will you find a location more beautiful, a neighborhood more congenial, a climate more healthful than this. Every condition here is right. Examine it.

DELAY is dangerous; the lots are moving rapidly; the time to secure a good home site is now; the terms are reasonable; the rate of interest on deferred payments is only 6 per cent.

Lots Are \$400 and \$600
