### The Values which show the Immense Savings are Positively Accurate Statements of Facts

No one can undersell us on clothes of equal value because they haven't them. We wouldn't let them if they had them, but notice that you can buy ours, the very best quality made, for less than you can buy inferior grades elsewhere. Again, many items seldom seen in a Clearance sale of furnishings and especially Boys' high-grade suits now reduced regardless of cost, conspicuously keeps the Donohue Company's Big Modern Store far in the lead, the biggest and highest class economy center in Western Montana.
