

The Bitter Root Valley

A Pacific Slope Land
Famed for Its Perfect Fruit
and Its Great Profits

The Valley of Opportunity

A single acre of land in this valley has been known to produce a net profit of over \$1,800 in one year; \$500 annual net profit from an acre of land is a common event.

Crops never fail, fruit pests are unheard of and fatal diseases among stock, hogs and poultry are unknown.

Water for irrigating purposes in accessible and inexhaustible quantities.

The beautiful mountain scenery, an abundance of pure water, healthful mountain air, unrivaled climate, good means of transportation, convenience to markets, good schools, close proximity to state university, and the lowest cost of living all combine to make this locality the most ideal place for a home in the great northwest.

Write for free illustrated booklet.

VANGUARD ARRIVES MEN OF BITTER ROOT IN HAMILTON EXPRESS THANKS

FIFTY DELEGATES TO STATE W. HAMILTON CHAMBER OF COM.
C. T. U. CONVENTION ARE MERCIE IS GRATEFUL TO MIS.
IN BITTER ROOT. SOULA ORGANIZATION.

Hamilton, Mont., Aug. 9.—Fifty delegates, the advance guard of the 26th annual convention of the Woman's Christian Temperance union of Montana, arrived tonight, and tomorrow will see the beginning of the sessions, which are to end on Thursday night of this week. An interesting program has been arranged for the several sessions of the convention and success seems assured.

Tonight in Smith & Brown's hall, where the convention will be held, Mayor Drinkenberg will deliver the city's welcome to the wearers of the white ribbon. Miss Nora Smith, county superintendent of schools; Dr. R. L. Owens, Rev. W. O. Jones and Mrs. E. E. Connel, president of the Hamilton W. C. T. U., will also deliver addresses tonight.

On Thursday afternoon the delegates will be the guests of the Ravalli County Automobile club for a trip through the valley.

Hamilton, Mont., Aug. 9.—At a meeting of the Hamilton Chamber of Commerce held this evening a vote of thanks was extended to the Missoula Chamber of Commerce for courtesy shown during the period of registration, when a Bitter Root exhibit was maintained in the apartments of the business men's organization in the city at the mouth of the valley. The Chamber of Commerce took occasion, after allowing his expense bills, to thank D. V. Bean most heartily for his good work as a booster for the valley while in charge of the exhibit at Missoula.

A committee of five, J. E. Tolman, W. H. Roberts, S. M. Ward, R. A. O'Hara and P. J. Shannon, was named to take care of the preliminaries of incorporating a building association for the purpose of backing the structure proposed as the home of the chamber of commerce.

The resignation of S. M. Ward as delegate to the Irrigation congress in Spokane was accepted and M. D. Kippen was chosen in his place. Mr. Kippen leaves tomorrow morning.

The secretary was instructed to arrange for premiums for the Western Montana Apple show, to be held in Missoula next October.

HAMILTON PLAYERS ARE DEFEATED

BOZEMAN WALLOPS CHAMPS OF VALLEY IN POORLY PLAYED DEMONSTRATION.

Hamilton, Mont., Aug. 9.—Before a large crowd the Bozeman team of the late Intermountain league walloped the local aggregation by the lopsided score of 11 to 6 in a loosely played game this evening. Goins was on the mound for the visitors and was hit hard but managed to scatter the safeties fairly well. Bozeman batted Heilman out of the box in the fourth, which five runs came over the pan and Goisan, who took his place, was touched for four tallies in the seventh, aided by the boots of the local exponents. The feature of the game, from a local standpoint, was the hitting of Third Baseman Williams. Only eight innings were played. The score:

R. H. E.
Hamilton . . . 0 0 0 0 3 2 4 6 10 9
Bozeman . . . 0 1 1 2 0 4 6 11 11 19
Batteries—Heilman, Gebeau and Nelson; Goins and McIntosh.

HAMILTON BREVITIES

Hamilton, Mont., Aug. 9.—DeWitt McLaughlin of Darby spent Sunday in Hamilton.

P. F. Egan of Cimo called on friends in Hamilton, Sunday.

George H. Wilcox of Missoula is spending a few days in the valley.

D. M. Conner of Darby is a guest at the Hamilton.

Andy Gerdon of Corvallis spent Sunday in Hamilton.

E. H. Daniels of Victor is registered at the Hamilton.

Kenneth Romney returned last evening from a two weeks' visit on the coast.

C. R. Hope of Chicago is looking over land in the valley.

W. H. Meyers of Cedar Rapids, Ia., is looking over Bitter Root land.

G. O. Thrasher of Stevensville called on friends in Hamilton Sunday.

NO GREASE OR DANGEROUS DRUGS

In "Herpicide," the New Scientific and Successful Dandruff Treatment

Have you dandruff? Then you have a contagious parasitic disease, unpleasant, unhealthy and one that will eventually lead to baldness.

To cure you must destroy the parasite that eats at the root of the hair. The only preparation for destroying these germs is Nowbro's Herpicide. Charles Klein of Laramie, Wyo., says: "Herpicide allayed the itching, cured the dandruff and stopped my hair's falling out; and it is bringing a new crop of hair." Herpicide is free from grease or dangerous drugs, and makes hair glossy and soft as silk. One bottle will convince you of its merits. Sold by leading druggists. Send 10c in stamps for sample to the Herpicide Co., Detroit, Mich. Two sizes, 50c and \$1. Missoula Drug Co., special agents.

EXPRESSES INTEREST.

Beverly, Mass., Aug. 9.—President Taft today expressed great interest in the National Irrigation congress at Spokane. He sent a message to George E. Barstow, president of the congress, promising his "earnest endeavor to further the cause of reclamation by irrigation."

Mr. Taft and John Hays Hammond were defeated at golf today by General Adolph Ames of Massachusetts and W. J. Boardman of Washington.

ARRIVES FROM EAST.

Hamilton, Mont., Aug. 9.—Mrs. G. R. Nash of Chicago arrived in Hamilton this morning and expects to remain at Hamilton the rest of the summer, visiting her son, G. Barney Nash.

No matter how long you have suffered, Foley's Kidney Remedy will help you. Mrs. S. L. Bowen of Wayne, W. Va., writes: "I was a sufferer from kidney disease, so that at times I could not get out of bed, and when I did I could not stand straight. I took Foley's Kidney Remedy. One dollar bottle and part of the second dollar bottle and part of the second dollar bottle and part of the second dollar bottle entirely. It will cure you. Standard City Drug Co., George Freishemer, Prop."

FATHER OF GLOVER REACHES HAMILTON

S. C. Glover, father of Ben H. Glover, the man so severely injured in an encounter with Audrey Bradley, a ditch tender, last week, is in Hamilton from Chicago. Mr. Glover indignantly denied any hint of insanity in the case of his son.

From St. Patrick's hospital comes the report that Glover is improving, to be sure, but getting stronger and more rational in his talk. It is now thought that he has a fighting chance to live.

BLOWS OUT BRAINS RATHER THAN BE JURYMAN

(Continued from Page One.)

They at once notified the officers, who sent word to his family and the coroner. Mrs. Clayton, whose husband conducts the lunch counter in the rear of the hotel property, and says she heard the shot, but paid no attention to where the report came from.

Coroner Hatfery arrived from Plains on a freight about 10 o'clock and after viewing the body decided that an inquest was unnecessary, the evidence indicating plainly a case of suicide. The coroner turned the body over to the widow for burial. The funeral will occur tomorrow.

Ever E. Walden was a native of Norway, about 50 or 55 years of age. He is survived by a widow and four sons and four stepchildren, two sons and two daughters. The youngest child is about 4 years of age. Mrs. Walden had been married before and so had he, and both were possessed of children when they married. He has been a resident of this vicinity for a number of years.

GREEK FLAG LOWERED FROM OVER FORTRESS

Crete, Island of Crete, Aug. 9.—The Greek flag, which was run up over the fortress and the Cretan military barracks on July 27, the day after the evacuation of the island by the international troops, was lowered today as a result of the protests of the four protecting powers.

Formal Reply.

Athens, Aug. 9.—The Greek government today handed to the Turkish minister a formal reply to the port's note which asked Greece to express her disapproval of the annexation of Crete and formally to declare that she had no ambition regarding the island. The reply reaffirms Greece's intention of maintaining an attitude of neutrality with regard to Crete, but it declares it would be beyond her lawful capacity of powers for Greece to make an announcement respecting the future of Crete, which matter rests entirely with the protecting powers.

In official circles it is said the situation has materially improved.

SMELTING CONCERN CLOSED BY A STRIKE

Pueblo, Colo., Aug. 9.—The only zinc smelting plant of the American Smelting & Refining company now remaining in this city is closed down as the result of a strike called at midnight last night by the furnace men employed at the plant. One hundred men went out last night after being refused the old scale of two years ago, which was 25 cents a day over the present scale. During the night it became necessary to guard the plant by a force of deputy sheriffs in order to prevent threatened depredations. Today more than 200 men are idle because of the strike of the furnace men and the plant is idle.

ALCOHOL IN SICKNESS.

At one of the London public hospitals a special point is made of giving alcohol to the patients as rarely and sparingly as possible; and each time that one of the physicians does so he submits a special entry of the reasons that actuated him. In the thirty-two years of the existence of the hospital alcohol has only been given seventy-one times. The cases received are exactly like those received by all the other hospitals. For 1904 they numbered 157 in patients only. The death-rate among these was 7.3 per cent. For the same year the average death-rate among the other London public hospitals was 9.1 per cent. Therefore the use of alcohol in sickness is not to be regarded as a necessity. Although most physicians prescribe alcohol in solution with drugs for their patients—there was one physician of national reputation who did not believe in using alcohol. Many years ago when Dr. R. V. Pierce decided to put up his valuable "Prescription" for the relief of women in a "ready to use" form—he used as a solvent and preservative chemically pure glycerine of proper strength, which is a better solvent and preservative of the active medicinal principles residing in most of our indigenous or foreign plants than alcohol. Dr. Pierce found that the glycerine, besides being entirely harmless, possesses intrinsic medicinal properties, of great value.

No woman who is suffering from inflammation, from the pains and drains incident to womanhood can afford to be without Dr. Pierce's Favorite Prescription. An honest medicine which has the largest number of cures to its credit and a deserved popularity for two score years all over the United States. Dr. Pierce tells you just what is contained in his "Favorite Prescription."

ITS INGREDIENTS ARE:

Golden Seal root (Hydrastis Canadensis), Lady's Slipper root (Cypripedium Pubescens), Black Cohosh root (Cimicifuga Racemosa), Unicorn root (Helonias Dioica), Blue Cohosh root (Caulophyllum Thalictroides), Chemically Pure Glycerine.

Among the prominent medical men of the country who recommend the above ingredients as superior remedies for nervous conditions depending upon disorders of the womanly system and for the cure of those catarrhal conditions in the affected parts are: Edwin M. Hale, M. D., Professor of Materia Medica, at Hahnemann Medical College, Chicago; Prof. John King, M. D., Author of the American Dispensary, Woman and her Diseases; Professor John M. Scudder, Doctors Hale, Ives, Wood, Bartholow and others. Address a postal card to Dr. Pierce for a complete treatise on the subject—sent to you without cost.

DR. PIERCE'S PLEASANT PELLETS

cure biliousness, sick and bilious headache, dizziness, costiveness, or constipation of the bowels, loss of appetite, coated tongue, sour stomach, windy belchings, "heartburn," pain and distress after eating, and kindred derangements of the liver, stomach and bowels.

Persons who are subject to any of these troubles should never be without a vial of the "Pleasant Pellets" at hand. In proof of their superior excellence it can truthfully be said that they are always adopted as a household remedy after the first trial.

One little "Pellet" is a laxative, two are cathartic. They regulate, invigorate and cleanse the liver, stomach and bowels. As a "dinner pill," to promote digestion, take one each day. To relieve the distress arising from over-eating, nothing equals one of these little "Pellets." They're tiny, sugar-coated, antibilious granules, scarcely larger than mustard seeds.

HEALTH AND HAPPINESS.

How to live in health and happiness is the general theme of Dr. Pierce's Common Sense Medical Adviser. This great work on medicine and hygiene, containing over 1000 pages and more than 700 illustrations, is sent free on receipt of stamps to pay expense of mailing only. Send 31 one-cent stamps for the cloth-bound volume, or only 21 stamps for the book in paper covers.

\$100 Reward

would gladly be paid for a cure by many people who are crippled with rheumatism, yet if they only knew it, they can be cured by a few bottles of Ballard's Snow Liniment, and the price is only 25c, 50c and \$1 per bottle. George Freishemer.

SHOOTS DOWN WOMAN.

Everett, Wash., Aug. 9.—William J. Freestone today shot and killed Mrs. E. K. Warn in a dispute over money which Freestone alleged Mrs. Warn owed him. Freestone, armed with a rifle, met Mrs. Warn in front of her home and the two engaged in a controversy. As Mrs. Warn was about to enter her door she was shot in the back and instantly killed. Freestone is in jail.

People with chronic bronchitis, asthma and lung trouble will find great relief and comfort in Foley's Honey and Tar, and can avoid suffering by commencing to take it at once. Garden City Drug Co., George Freishemer, Prop.

Notice to Contractors.

Sealed proposals will be received by A. L. Duncan, clerk of the board of trustees of school district No. 1, Missoula county, Montana, for the installation of the heating and plumbing in the new west side school building, known as the Lowell school, at Missoula, Mont. Proposals will be received at the clerk's office up to 12 o'clock p. m. August 16th, 1909. Plans and specifications may be seen at the office of the clerk, on Higgins avenue, in Missoula, Mont., and also at the office of Link & Hale, architects, Butte, Mont. Certified check on a Montana bank to the amount of \$500, payable to R. W. Kemp, chairman, must accompany each proposal, the same to be forfeited to the said school district should the successful bidder fail to enter into written contract and give the required bond within 10 days after having been awarded the contract.

Guarantee company bonds will be required of the successful bidder for 50 per cent of the contract price.

The right to reject any or all bids is reserved.

By order of the board of trustees of school district No. 1, Missoula county, Montana.

Dated July 21, 1908.

A. L. DUNCAN,

Clerk of School District No. 1, Missoula County, Montana.
