INTERCOLLEGIATE MEETING

New York, Aug. 17.—The annual meeting of the Intercollegiate Athletic association has been called for this city December 28. Delegates representing 60 colleges throughout the country will be in attendance. At that time the rules established by the various committees of the association will be passed upon and steps taken to further promote the interests of athletics. An important matter to be discussed will be the objections made by a number of faculties that their athletes are taking a too prominent part in many schools.

FIELDER JONES WANTS TO BECOME MAGNATE

St. Louis, Aug. 17.—While in Portland, Ore., I spent a delightful day with Fielder Jones, formerly manager of the Chicago American league team, said Robert Lee Hedges, president of the St. Louis club in that league, yesterday. "Jones is making money hand over fist, but he yearns for the excitement and the cries of the crowds. Jones sees every game in Portland and follows the play keenly. "I'd like to go back," he said, "to the big circuit and the big crowd and the big cities, but I cannot afford to do it for the mere salary, no matter how large. I want to buy a half interest in some good major league club. I have the money, at least within reason, if I can find the club." "Would you sell him half of your club?" Mr. Hedges was asked. "The St. Louis club owner smiled and shook his head. "That would be telling," he said.

KETCHEL-LANGFORD GO SEEMS A CERTAINTY

New York, Aug. 17.—Training quarters have been prepared for Stanley Ketchel, and when he arrives here the latter part of this week from California he will start work at once in taking off weight for his 10-round bout with Sam Langford in September. There may be a serious hitch in the arrangements because of the matter of weight. Langford says that he will weigh 158 pounds at 6 o'clock Ketchel now weighs 185 pounds, and as he intends to weigh at least 170 pounds when he fights Jack Johnson in October, it is not believed that he will want to go below that weight for Langford, as he would have to rebuild quickly for the Johnson fight. The Fairmont Athletic club insists that there will be no interference in its effort to produce the fight here. The club is protected because of a supreme court injunction which restrains the police from entering the building.

WIRES ARE DOWN.

Charleston, S. C., Aug. 17.—As a result of a fierce wind and rainstorm which passed over here today, all telegraph wires leading into the city are down and communication with the outside world is by long distance telephone. No loss of life is reported. The report that the city has been visited by an earthquake is a mistake.

PEACE NEGOTIATIONS.

Paris, Aug. 17.—The correspondent at Melilla de La Liberté says in a dispatch today he understands that Spain has opened peace negotiations with the Moors. Continuing he says it is reported that General Marina, not wishing to assume the responsibility of the projected Spanish advance, has asked to be recalled on account of ill health.

CONGRESSMEN ARE DUE.

Ogden, Utah, Aug. 17.—A congressional party of 25 statesmen from the east will arrive in Ogden on the westbound Overland Limited Sunday afternoon, en route to San Francisco, Honolulu and the Hawaiian islands. The party is headed by Hon. J. B. McClellan, and many of the congressmen are accompanied by their wives.

WILL GO TO ITALY.

Allahabad, India, Aug. 17.—The duke of the Abruzzi will return from Kashmir to Bombay, whence he will proceed to Italy as soon as his expedition has explored the entire glacier system of which the Battler glacier is the center. The scientific results obtained by the expedition are considered most valuable.

THROWS UP THE SPONGE.

Houghton, Mich., Aug. 17.—Walter Whitehead, colored, of Duluth, escaped a knockout in his 10-round fight here last night with Mike Schrock of Cincinnati when his seconds threw up the sponge in the ninth round. Whitehead took the count three times in the eighth and twice in the ninth and was down and out when his seconds ended the fight.

SHRUBB SPRAINS TENDON.

Winnipeg, Manitoba, Aug. 17.—In last night's race Alfred Shrubbs, the runner, strained the tendons of one of his legs and is so seriously injured that he has canceled all his season's engagements, principally in Seattle and along the Pacific coast.

CONVICTS AND GIANTS TO CLASH

TEAM FROM THE PENITENTIARY TOWN TO PLAY HERE NEXT WEEK.

The Giants and Deer Lodge Sunday, Monday and Tuesday, classy ball has clearly not seen its finish in Missoula, as was feared after the exhibition of last Sunday, but the ball fans will see again games which are worth the price of admission. The Convicts are coming down here with blood in their eyes and manure in their mitts, and if the battle royal for the championship of western Montana is not a warm one it will be because the Giants are out of form. Ever since their last defeat at the hands of the Giants the penitentiary town representatives have been working hard and they will bring down all manner of Deer Lodge money Sunday with which to back up their team. The management of the aggregation has been wide awake, too. They have secured three old Northwestern leaguers to play for them, Kipper and Kipper of Spokane and Mackin of Tacoma, all three of whom will be in the line-up which Missoula will back against. Missoula is also in good form. The team has been practicing hard in anticipation of the contest, and with the same good aggregation with which they have been playing for the last month they are in a condition where they can meet any team in the state on even ground.

It was reported on reliable authority last night that the Giants had purchased "Bing" Gleason from the "Assassins" and that he would appear for the home pride regularly after this. Hickey, the manager of the "Assassins," would not confirm this, however, but stated that neither love nor money could induce him to part from his bandy-legged first sacker. "Bing," however, is considerably puffed up since his showing last week, and since he has appeared in the Missoula uniform again it is not very likely that he will play any longer with the "Assassins."

Main is scheduled to occupy the pretzel station, while Marx will be, as usual, at the receiving end. Above all, a good game is promised, and the series for the championship is going to be a hot one for sure.

Sunday morning will see another thrilling contest at City park. The timers and the lathers are going to mix it and a fight to the finish is promised. Butler of the Giants will be in the curve box for the timers and a dark horse by the name of Olson will do the honors for the lathers. The management promises to the fans who wish to see the game at least 50 per cent more runs than they will see at the afternoon contest. On the strength of this offer a large attendance is expected.

Certain men of wealth in this city have been approached, so it is reported, by representatives of Havenor of Milwaukee and Tebeau of Louisville and Kansas City, who are said to be seeking financial backers. It is reported that they have received encouragement from men in various cities and that in New York promises are held out of obtaining the balance required.

The major league magnates declare that they are not worried by these rumors, but the fact that there has been an early and big increase in the standing up of many of their best players as possible indicates that they are preparing for war if war is bound to come.

PERSISTENT RUMORS OF EASTERN INVASION

Salt Lake City, Aug. 17.—In order to secure lodgings in this city last night Jack Johnson, the negro pugilist, had to invoke the aid of outsiders. Early in the evening Johnson had rented rooms at a local hotel, where he sought to enter after a round of entertainments and visits to the different newspaper offices. He was told that the rooms were not for him. He then went to the police station and telephoned for Harry Heagan, a local sporting magnate, to come to his aid. Heagan responded and succeeded in securing a room.
