JIM MAGUIRE TAKES UP LAJOIE'S BURDEN

Cleveland, Aug. 21.—James Maguire has been appointed manager of the Cleveland American baseball team to succeed Napoleon Lajoie, who recently resigned. Maguire was formerly manager of the Boston Americans. For the last year he has been doing scout duty for the Cleveland team.

Maguire will manage the Clevelanders from the bench. Lajoie, who has had charge of the local team for five years, tendered his resignation last Tuesday, following the disastrous slump the team suffered during its eastern trip. Lajoie will remain with the team.

AMONG THE FIGHTERS.

Mike (Twin) Sullivan trained Young Corbett for the latter's bout with Mugsy Shoels. Promoter Coffroth of San Francisco has offered Jimmy Clabby a match with Frank Mantel for September 1. There was no quit on the part of Sailor Burke in his recent go with Willie Lewis. Willie knocked the sailor cold.

Tom Sharkey, the former heavyweight pugilist, has a string of trotting horses performing on the Grand circuit. Young Erno has quit San Francisco on account of the climate. He intends to return to his home in Philadelphia.

CHICAGO ATHLETES BEST.

San Francisco, Aug. 21.—Chicago carried off the honors at an all-star athletic meet in the stadium here today, defeating the Olympic club by four points. Chicago scored 53 points, Olympic 49, New York 37 and Boston 19.

DECISION SUSTAINED.

New York, Aug. 21.—The board of directors of the National League today sustained the decision of President Heydler, giving the protested Pittsburgh-Brooklyn game of May 15 to Pittsburgh.

TO TRY THE OTHER TWIN.

San Francisco, Aug. 21.—Frank Mantel of Providence, R. I., and Jack (Twin) Sullivan of Boston were matched today to fight 20 rounds at 155 pounds before a local club September 6.

A FINE RECORD.

San Antonio, Texas, Aug. 21.—William Mitchell, pitcher for the San Antonio (Texas League) club, in a game with Galveston today, struck out 29 men in nine innings.

"JAILBIRDS" INVADE BIG RIFLE CONTESTS GARDEN CITY TO BEGIN

THE GIANTS AND THE CONVICTS CRACK SHOTS OF THE ARMY IN CHAMPIONSHIP GAME AND NATIONAL GUARD WILL MEET ON RANGE.

This week it is those Deer Lodge Convicts. They come here with the championship belt in their hands and resolved to defeat the home pride in three straight games, but they are doomed. For Bill Main is to occupy the curve box, while the redoubtable "Bing" Gleason, purchased recently from the "Assassins," will hold down the first sack.

Deer Lodge is confident of victory, to say the least, as the following modest little article from the Silver State, the voice of the populace of the penitentiary town, will show: "At last the long-looked-for meeting with the Missoula Giants is to come off, and the local fans are looking forward confidently to this opportunity of evening up the defeat of last July 4, for which there was no excuse. Deer Lodge has won two games to Missoula's one—now we'll make it three straight." To back up this confident assertion, the Deer Lodge fans are coming down here with some "boughten" talent, some hard-earned cash and their famous rooting voices in good trim.

Missoula, however, is equally confident. With Bill Main in the box and with Whitman and Gray back in the game, after their long vacations, the team is in a shape which would be hard to beat. The two games which the visitors claim to have slipped over onto the locals were played before the aggregation, and the third was won in a good, clean game, after the talent had developed a little.

Deer Lodge has twice gone down before Hamilton, in the only two games they played with that team in fact, and Missoula has long since thoroughly squelched any cherished ambitions for the championship which the hay-diggers may have held.

At any rate, a good game may be expected, for the visitors have too much blood in their collective eye to let the Giants hang a defeat on them without a struggle. The game will start at 2:30.

The lineup of the home team will be as follows: Gleason, first base; Ball, second base; Anderson, shortstop; Stis, third base; Whitman, left field; Gray, center field; Butler, right field; Marx, catcher; Main, pitcher.

Beyond the fact that Lochner will pitch for Deer Lodge, no definite lineup is obtainable. It was learned late last night that the two teams will play but two games, instead of three as originally announced. The second three as originally announced. The second contest will be a twilight affair, which will be called at 6 p. m. The third game was cancelled by wire by the Deer Lodge management.

COOKED ON BLEACHERS

The Detroit Tigers were against it on their last eastern trip until they hit Washington. Blackburn, the Providence shortstop, has a batting record of .336 and a fielding record of .940.

Charley Hill, the former St. Paul pitcher, got away to a good start with the Boston Americans. Pitcher Anderson, the Boston American recruit from North Carolina, is making good with the Worcester team.

In Young, Block, Olmsted and Gill the Chicago White Sox get the pick of the fast Minneapolis clubs. Several major league clubs were after Second Baseman Getz of the McKeesport, Pa., team, now with the Boston Nationals.

Garry Herrmann says that he didn't see a ball player on the Pacific coast strong enough for his Cincinnati Reds. Both the Philadelphia and Boston teams of the American league have shown that the spring dope on ball teams can be used by Sweeney.

After the recent visit of the Giants to Chicago, President Murphy of the Cubs decided not to issue his latest book, entitled "We Will Be Champions Forever."

Honus Wagner's playing shows no ill effect of his recent injury. With the Dutchman back in the lineup, the Pirates look like sure winners.

The Boston Nationals haven't won a game from Pittsburgh this season. It's a game out of the two series they have yet to play with the Pirates.

The Little Rock club will bring charges against President Hodges of the St. Louis Browns for tampering with Jack O'Connor during the playing season.

Camp Perry Range, Ohio, Aug. 21.—On Monday the greatest National Rifle matches this country has ever seen will be in full swing. All week teams and individual riflemen have been pouring into Camp Perry from all directions and the range outside of the firing lines, is dotted with their camps.

Friday the range was turned over to Lieutenant Colonel R. K. Evans, U. S. A., who took command as executive officer of the matches. He has nearly 100 regular army officers and 1,000 men under him who will have charge of all firing, marking and scoring and compilation of statistics during the matches.

It is expected that 48 to 50 teams will line up Monday morning for the national team match for which congress provides the trophy and the cash prizes. Each team is composed of twelve men with three alternates and a complement of officers.

The shooting is at 200 yards slow fire, 600 yards, 800 yards, 100 yards, 200 yards rapid fire and skirmish run, and it is expected that this match will occupy all of Monday and Tuesday.

The teams present represent the U. S. infantry and cavalry, navy and marine corps and Naval academy, and the national guard of the various states and territories. They are divided into three classes on the basis of their standing in the match last year as follows: Class A, U. S. infantry, U. S. navy, U. S. cavalry, U. S. marine corps, Wisconsin, Massachusetts, U. S. Naval academy, Pennsylvania, District of Columbia, Washington, Illinois, Iowa, Oregon, Maine and Ohio; class B, Oklahoma, New Hampshire, Colorado, California, New York, Maryland, New Jersey, Minnesota, Kansas, Missouri, Hawaii, Indiana, Michigan, West Virginia and Kentucky; class C, Wyoming, Connecticut, Georgia, Rhode Island, Arizona, Alabama, South Carolina, Tennessee, Nebraska, Delaware, North Dakota, Texas, Vermont, Virginia, Arkansas, New Mexico, Utah, Mississippi, Louisiana and North Carolina.

For class A, the first prize is the national trophy given by congress with \$450 cash; second prize, \$350; third, \$200; fourth, \$250. For class B, the first prize is the famous Hilton trophy, with \$350 cash; second, \$250 cash; third, \$225, and fourth, \$200. Class C has the Soldier of Marathon for its trophy and \$200 cash, with additional prizes of \$200, \$175 and \$150. Each member of a team winning a trophy will receive an appropriate medal. No team is eligible to win a prize in the class below it, but can win the prize in any class above it.

If a team in class B or C makes a score entitling it to a prize in a higher class it must take that prize. The classification for 1910 will depend on the result in this match.

Wednesday the national individual match will be shot with probably 600 entries. There are 39 medals in this match, each accompanied by a cash prize and there is no entry fee as congress furnished the prize money.

The national revolver match will be shot immediately after the national individual rifle match. It carries seven gold medals, four silver medals and 12 bronze medals with 23 cash prizes.

AN UNUSUAL DEMAND FOR APPLES EXPECTED

Spokane, Aug. 21.—Iren H. Rice, secretary-manager of the National Apple show (incorporated), has received advice from London, Liverpool, Dublin and Hamburg, which indicates that because of the shortness of the crop in Europe there will be a large demand for American apples the coming fall and winter, with the promise of better prices than in former years.

The apple crop in England is reported to be far below the average, and there is an increased demand, not only for fancy fruits, but also for medium grades. Robert P. Skinner, United States consul, writes from Hamburg that there is a larger demand in Germany for American apples, adding that this European business can be increased by sending only the best fruit and honest packs. Growers in the northwestern states and provinces are preparing to send large consignments of fruit abroad this season.

English farm lands that have been tilled continuously for centuries still produce an average of 20 bushels of wheat to the acre every year.

ENGINEER IS KILLED.

Pittsburg, Aug. 21.—Engineer J. B. Robinson of Alliance, Ohio, was killed tonight, when his train, on the Erie & Pittsburg division of the Pennsylvania railroad, was wrecked at Youngstown, Ohio. When near Youngstown, the engine left the tracks and turned turtle. No one except Robinson was injured. The cause of the accident is not known.

BOOTH OPERATED UPON.

London, Aug. 21.—General William Booth, commander in chief of the Salvation Army, was operated upon today for septic poisoning of the eye. The doctors are not yet able to say whether or not the general's sight will be saved. The patient bore the operation well.

HUNGER FOR LAND BRINGS MANY PEOPLE

Portland, Ore., Aug. 21.—The land hunger that is bringing thousands of people west is resulting in the colonizing of the biggest outdoors left in this country, central Oregon. Notwithstanding the heavy immigration of the past few months, there are yet in Harney county alone, over 3,000,000 acres of government land subject to entry, including timber, grazing, mineral and agricultural land, a greater area than the entire state of New Jersey, and two-thirds the area of the whole of Massachusetts.

Until recently, this land was used only for grazing by the big stockmen. This is being changed. With two railroads now building into central Oregon, markets for the crops that can be raised in this vast empire will be opened up. The country needs the wheat this great undeveloped territory will grow and wealth awaits those who will break up these wide prairies and transform them into grain farms.

THIS TAFT SERVING TIME IN PRISON

Portland, Ore., Aug. 21.—W. H. Taft is serving two years in the Oregon penitentiary for forgery. W. H. is a trusted prisoner and it pays him to be. Since he can be trusted, he is a waiter at the guards' table and wears citizens' clothes instead of working in the stove foundry all day and wearing the regulation cadet gray. Though not wise enough to keep out of prison, the convict with the illustrious name knows that good behavior counts in a penitentiary. He weighs close to 200 pounds but does not resemble his namesake. He was committed last fall and the campaign evidently gave him an inspiration. He took the name, probably thinking it a winner. This he is being changed. He says that he is pointed out regularly to curious visitors.

The Electric Sign Is Indorsed by Visitors

THEY WILL GO BACK TO THEIR HOMES AND TALK ABOUT IT

LOTS OF IT.—They stood at the Florence corner one night and looked up the avenue along the lengthy line of illuminated signs. There were four of them and they were strangers in the city; they talked enthusiastically of some of the things they had seen here and were particularly interested in the electric signs. "I'll bet you," said one of them, "that there is more electric power represented in those signs on that one street than is used in our whole city at home." Wherever he came from, that young man is the sort of visitor that Missoula likes to have. He is representative of the people, as a whole, who are registering. And it is worth while to have this sort of fellows stop with us, if it is only for a day. They learn something about us and they like us and go away with good words on their tongues for Missoula and her people. There can be no mistake made in the proper treatment of the strangers who are with us this summer. It is to the lasting credit of the people of the city, especially of the hotel men, that visitors are going home well pleased.
