REV. "BILLY" SUNDAY STATES TERMS

BALL PLAYER EVANGELIST WILL VISIT TREASURE STATE IN TWO YEARS.

That Rev. "Billy" Sunday, ex-baseball player and now one of the leading evangelists of the country, is coming to Montana seems assured, according to an article in a Billings newspaper, which takes a tone rather hostile to the man who is wont to pray, "Oh, God, ain't that a going some?" What the eccentric but successful evangelist demands is explained in the following, taken from the Billings Gazette:

What He Wants.

"Billy" Sunday, the former major league baseball player who for several years has been in the public eye as a successful evangelist and somewhat severe critic of about every human being except the members of his large party, has set forth the terms on which he will conduct a campaign in Montana.

The terms may not, by the farthest stretch of the imagination, be called liberal to anyone but the Rev. Billy. As nearly as it is possible to figure the total cost of his visit to church members and a contributing public the amount necessary is \$10,000. That may be a little off one way or the other, but it is approximately correct according to Rev. Mr. Sunday's own figures.

What Montana ministers who are laboring all the year 'round for from \$1,000 to \$1,200 will think of the proposition and what congregations that deal out such pittances will say is problematical at the present time, but that they will be willing to put up the \$10,000 for the campaign is extremely doubtful.

Rev. Norman D. Burdick, pastor of the First Presbyterian church of Helena, passed through the city last night on his way home from Winona Lake, Wis., where he went to interview Mr. Sunday relative to a campaign in Montana in the near future. After two very unsatisfactory interviews with the gentleman, Rev. Mr. Burdick finally got from him a statement after the following order signed in black and white, for after the rather bitter experience that Billings had with the evangelist some few months ago, the Rev. Mr. Burdick was unwilling to take anything unless it was in writing:

Sunday's Plans.

"My plans are to reach Montana and to spend several months in various cities, particularly Missoula, Butte, Helena, Great Falls and Billings, beginning as near as possible January 1, 11 or February 1, 11 provided the following conditions are complied with by the cities in which I shall labor:

1. A union of all the evangelical churches in the town and the giving up of all services except Sunday school during these meetings.
2. Paying the traveling expenses of my party.
3. Entertain the company (there are 10 in the company).
4. Build a tabernacle such as we shall direct under the direction of Mr. Gill.
5. Pay Mr. Fisher, the singer, \$25 per week.
6. Pay Mr. Akeley, the musical director, \$30 per week.
7. Pay Mrs. Miller, the pianist, \$100 per month.
8. Pay Mr. Siebert, the caretaker of the tabernacle, \$3 per day.
9. Allow us to use and to sell our own hymn books.
10. Permit us to take up freewill offerings for Mrs. Munhead and Miss McLaren.
11. All collections on the last day shall go to me as remuneration and shall be taken up according to my plan.

"W. A. SUNDAY."

A Character.

The Billings paper evidently thinks that Rev. Mr. Sunday is giving Montana the worst of it, but his demands are no more exacting than those the church people in every town and city he has visited have met. Sunday's methods are absolutely unique, and he has the power of drawing and holding enormous audiences. There is a magnetism about the man that seems to cover up and tone down his occasional crudities. There is one thing that distinguishes the former star outfielder of the Chicago Nationals, and that is absolute lack of fear. He is savage and bitter in his sermon attacks on certain classes, and uses words and expressions usually foreign to the pulpit. Still, he can use English as pure as that of Spencer, and his eloquence is, at times, almost unique. He is a regular character, and his coming to Montana can do no hurt, to say the least.

FOOT IS AMPUTATED.

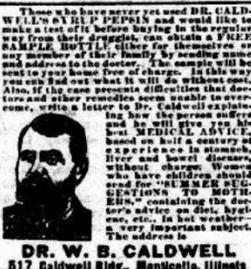

Stevensville, Aug. 31.—William A. Duffield, who sustained a broken leg several days ago, is getting along as well as can be expected. The injured member was in such a condition the first of the week that it was necessary to remove the foot and it was amputated last evening. Mr. Duffield broke his right leg near the ankle when he jumped from his buggy while on the way from the back sawmill to town several days ago when the animal became frightened and commenced kicking. When he jumped from the rig he struck his foot on a rock in such a manner as to cause the above result.

ADVENTISTS' MEETING

Stevensville, Aug. 31.—The camp meeting of the Seventh Day Adventists, which is being held here, is attracting Adventists from all portions of the state who are arriving on every train. The attendance is larger than had been expected and good meetings are being held. Many from town go to the meetings every evening.

HOT-WEATHER LAXATIVE FREE

At no other time of the year is the tendency to constipation greater than during the summer months, and this is especially the time that it is most important to keep the bowels open. The heat taints food, there are germs in the water, and even fruit has its dangers. For a dozen and one reasons the bowels should be kept open—you should have at least one good passage a day, and in the case of children and young people, two a day is better. The best way to obtain such relief, and to thoroughly regulate the stomach, liver and bowels, is by the use of DR. CALDWELL'S SYRUP PEPSIN, the great laxative tonic. It is not a temporary relief like salts and purgative waters, and it does not gripe, like tablets and pills. It is so pleasant to take, and so gentle in action, that children prefer it to any other laxative. It is the children's ideal remedy for their stomach, liver and bowel troubles. Use it for constipation, indigestion, sick headache, biliousness, loss of appetite and sleep, drowsiness after eating, diarrhoea, "Summer Complaint," gas or wind on the stomach, etc. A bottle can be obtained at any drug store at 50 cents or \$1.00. Thousands of families keep it regularly in the house because a laxative may be needed at any moment, and those who once use DR. CALDWELL'S SYRUP PEPSIN always prefer it thereafter.

HILL WILL REDUCE THE TIME RAILROAD MAGNATE PROPOSES TO CUT RUNNING TIME BY TEN HOURS.

PANAMA GOVERNMENT PAYS UNITED STATES FOR MISUSE OF SEAMEN.

Chicago, Aug. 31.—The railroad running time from Chicago to Seattle will be reduced to 62 hours—10 hours below the present schedule—as the first move in a war declared upon all other western and northwestern railroads by James J. Hill of the Great Northern, according to a story the Record-Herald will print tomorrow. The Burlington, Great Northern and Northern Pacific have made application to the postoffice department to put a new fast mail train in service between Chicago and Seattle to make the long run in 62 hours. Notice was served today by the Burlington that, effective September 12, that that road would no longer observe the western passenger train speed agreement, but would reduce the running time of its main Chicago-Denver train by two hours. If the government accepts the proposition, it will result in facilitating the northwest mail service by fully half a day. It is proposed to start the new fast train out of Chicago about 1:50 a. m. and arrive at Seattle on noon of the third day.

The Burlington's move in the direction of faster time between Chicago and Denver may lead to another phase of the promised speed war. Formerly the Chicago-Denver schedule was 27 1/2 hours, but now it is 29 1/2 hours. More than a year ago the western roads made an agreement lengthening all schedules to the Pacific coast. Shortly after it was put in force this agreement was broken by several of the roads.

Washington, Aug. 31.—Through the state department Acting Secretary of the Navy Winthrop has received \$14,000 from the Panama government paid as money reparation in the cases involving the maltreatment of American naval officers and seamen at the hands of the police of that republic. Of this amount, \$5,399 is indemnity for acts known as the cruiser Columbia incident when several officers in uniform were arrested, locked up and roughly handled in Colon on June 1, 1906. The assault, it is declared, was entirely unprovoked.

An indemnity of \$8,000 will be paid to the relatives of Charles Rand, a boatswain mate on the cruiser Bufalo, who was killed in Panama in September, 1908, and \$1,000 will be given to the relatives of Joseph Cwiklik, a sailor of the same vessel, who was stabbed at the time and killed.

Pony, Mont., Aug. 31.—Judge W. S. Duncan, one of the best known pioneers in southern Montana, died early this morning of ptomaine poisoning following the use of canned cream. Death ensued after an illness of nearly two weeks.

Judge Duncan was born in Jefferson City, Mo., in 1815 and came to Montana in 1853, locating at Pony where he resided up to the time of his demise. He was formerly a member of the democratic state committee and has held several political offices in Madison county. Mr. Duncan served in the confederacy during the Civil war. Seven sons survive, among whom is M. M. Duncan, of Virginia City, an attorney and member of the state legislative assembly from Madison county.

St. Petersburg, Aug. 31.—American diplomacy is congratulated today by the Navos Vremy on its success in the Hankow-Eze Chuen railroad loan of \$20,000,000. The paper expresses the opinion that the advent of American capital in the far east is welcome to European diplomacy, which is unable to cope with the pretenses of Japan without American counterpoise.

Stevensville, Aug. 31.—Manager W. H. Kirby of the Bitter Root Fruit-growers' association was in Stevensville yesterday for a few hours. Mr. Kirby is in this section securing crab apples for the first shipment of the association to be shipped this season. He will soon commence taking options on the other fruit, the shipping of which will soon commence.

At this time the association is purchasing the crab-apple crop of the valley, which will be shipped between September 5 and 10. The bulk of the fruit will be shipped to Canada and North Dakota, while some will be shipped to Denver. The association is offering \$1.50 for the fancy crab apples and \$1.25 for the half-pecked ones. The prices are f. o. b. the cars here.

Vagaries of a Cold. You can never be quite sure where a cold is going to hit you. In the fall and winter it may settle in the bowels, producing severe pain. In the summer it may give you colic with diarrhoea or summer complaint. Do not be alarmed nor torment yourself with fears of appendicitis or inflammation of the bowels. At the first sign of the pain or cramp take Perry Davis' Painkiller in warm, sweetened water and relief will come at once. There is but one Painkiller, Perry Davis'. It is now put up in a large 25c size as well as the regular 50c size.
