

CHANCE'S MEN GAIN HALF A GAME

CUBS DOWN CARDINALS TWICE, WHILE PITTSBURG IS WINNING FROM CINCINNATI.

Chicago, Sept. 10.—Chicago won both games of a double-header from St. Louis today. The first game was hard fought, Beebe making the 1-2-3-4-5-6-7-8-9-10-11-12-13-14-15-16-17-18-19-20-21-22-23-24-25-26-27-28-29-30-31-32-33-34-35-36-37-38-39-40-41-42-43-44-45-46-47-48-49-50-51-52-53-54-55-56-57-58-59-60-61-62-63-64-65-66-67-68-69-70-71-72-73-74-75-76-77-78-79-80-81-82-83-84-85-86-87-88-89-90-91-92-93-94-95-96-97-98-99-100-101-102-103-104-105-106-107-108-109-110-111-112-113-114-115-116-117-118-119-120-121-122-123-124-125-126-127-128-129-130-131-132-133-134-135-136-137-138-139-140-141-142-143-144-145-146-147-148-149-150-151-152-153-154-155-156-157-158-159-160-161-162-163-164-165-166-167-168-169-170-171-172-173-174-175-176-177-178-179-180-181-182-183-184-185-186-187-188-189-190-191-192-193-194-195-196-197-198-199-200-201-202-203-204-205-206-207-208-209-210-211-212-213-214-215-216-217-218-219-220-221-222-223-224-225-226-227-228-229-230-231-232-233-234-235-236-237-238-239-240-241-242-243-244-245-246-247-248-249-250-251-252-253-254-255-256-257-258-259-260-261-262-263-264-265-266-267-268-269-270-271-272-273-274-275-276-277-278-279-280-281-282-283-284-285-286-287-288-289-290-291-292-293-294-295-296-297-298-299-300-301-302-303-304-305-306-307-308-309-310-311-312-313-314-315-316-317-318-319-320-321-322-323-324-325-326-327-328-329-330-331-332-333-334-335-336-337-338-339-340-341-342-343-344-345-346-347-348-349-350-351-352-353-354-355-356-357-358-359-360-361-362-363-364-365-366-367-368-369-370-371-372-373-374-375-376-377-378-379-380-381-382-383-384-385-386-387-388-389-390-391-392-393-394-395-396-397-398-399-400-401-402-403-404-405-406-407-408-409-410-411-412-413-414-415-416-417-418-419-420-421-422-423-424-425-426-427-428-429-430-431-432-433-434-435-436-437-438-439-440-441-442-443-444-445-446-447-448-449-450-451-452-453-454-455-456-457-458-459-460-461-462-463-464-465-466-467-468-469-470-471-472-473-474-475-476-477-478-479-480-481-482-483-484-485-486-487-488-489-490-491-492-493-494-495-496-497-498-499-500-501-502-503-504-505-506-507-508-509-510-511-512-513-514-515-516-517-518-519-520-521-522-523-524-525-526-527-528-529-530-531-532-533-534-535-536-537-538-539-540-541-542-543-544-545-546-547-548-549-550-551-552-553-554-555-556-557-558-559-560-561-562-563-564-565-566-567-568-569-570-571-572-573-574-575-576-577-578-579-580-581-582-583-584-585-586-587-588-589-590-591-592-593-594-595-596-597-598-599-600-601-602-603-604-605-606-607-608-609-610-611-612-613-614-615-616-617-618-619-620-621-622-623-624-625-626-627-628-629-630-631-632-633-634-635-636-637-638-639-640-641-642-643-644-645-646-647-648-649-650-651-652-653-654-655-656-657-658-659-660-661-662-663-664-665-666-667-668-669-670-671-672-673-674-675-676-677-678-679-680-681-682-683-684-685-686-687-688-689-690-691-692-693-694-695-696-697-698-699-700-701-702-703-704-705-706-707-708-709-710-711-712-713-714-715-716-717-718-719-720-721-722-723-724-725-726-727-728-729-730-731-732-733-734-735-736-737-738-739-740-741-742-743-744-745-746-747-748-749-750-751-752-753-754-755-756-757-758-759-760-761-762-763-764-765-766-767-768-769-770-771-772-773-774-775-776-777-778-779-780-781-782-783-784-785-786-787-788-789-790-791-792-793-794-795-796-797-798-799-800-801-802-803-804-805-806-807-808-809-810-811-812-813-814-815-816-817-818-819-820-821-822-823-824-825-826-827-828-829-830-831-832-833-834-835-836-837-838-839-840-841-842-843-844-845-846-847-848-849-850-851-852-853-854-855-856-857-858-859-860-861-862-863-864-865-866-867-868-869-870-871-872-873-874-875-876-877-878-879-880-881-882-883-884-885-886-887-888-889-890-891-892-893-894-895-896-897-898-899-900-901-902-903-904-905-906-907-908-909-910-911-912-913-914-915-916-917-918-919-920-921-922-923-924-925-926-927-928-929-930-931-932-933-934-935-936-937-938-939-940-941-942-943-944-945-946-947-948-949-950-951-952-953-954-955-956-957-958-959-960-961-962-963-964-965-966-967-968-969-970-971-972-973-974-975-976-977-978-979-980-981-982-983-984-985-986-987-988-989-990-991-992-993-994-995-996-997-998-999-1000.

ENGLISH CHAMPION COMING TO AMERICA

A. W. GORE.

By sending her champion, A. W. Gore, to play in the preliminary trials for the Davis cup team at Philadelphia, September 11, England has paid the United States a compliment, but the other two members of the team, L. H. Escombe and A. E. Crawley, are not as representative of the game of lawn tennis across the water as followers of the sport here would have liked. Nevertheless, Escombe may turn out to be much stronger on the Germantown courts than expected, just as Parke did at Longwood last year. J. C. Ritchie, who was here last year, went through the tournament at Wimbledon, but was defeated by the holder of the All-English title, A. W. Gore.

To defend and win the title of the All-English champion, naturally places Gore as a player of the very man on the grounds. Second place went to Cavley's Pride, one of the Babcock's string, which was also handled by Abe Ginner, John Hunt, a Mississippi boy.

first rank, though he has never been accused of either originality or over-brilliance. He has a very hard and fine drive which overpowers his opponents. He can send them buzzing down the side lines with extraordinary force and accuracy. Nothing out of the ordinary marks his service, but he can be depended upon to return the service of his opponent. When he volleys there is nothing showy about his stroke, but anything shoulder high he smother with a round-arm sweep, behind which there is tremendous force. But he belongs also to the back court school. So that the Davis cup matches at Philadelphia promises to be certainly of as great interest as they were last year at Longwood, and the committee can be depended upon to pick the strongest team to send to Australia.

THE CHAMPIONSHIP WILL BE DECIDED

AMONG THE FIGHTERS.

Eddie McGoorty, the middleweight, will meet Art Allard at Calumet, Mich., September 17.

The recent Clover-Nixon bout at Boston was so punk that a wag yelled, "Two to one Nixon, run on anything."

There are two Jim Flynns in the game at the present time—the Pueblo man and "Porky" of Boston.

Where do all these boxers come from that Joe Walcott is taking on nowadays, and what becomes of them afterwards? Dark mystery here. In fact, half of the bouts look very black.

Wilbur Britt has it figured out that Stanley Ketchel will whip both Sam Langford and Jack Johnson and then proclaim himself champion of the world. Oh you Wilbur!

KLING INGLEBICK.
Cincinnati, Sept. 10.—Chairman Herrmann of the national baseball commission says Kling, holdout catcher of the Chicago National league club, will not be eligible to play with any national agreement club for three years on account of playing against the Logan Square team of Chicago.

A Cleveland scribe has doped out the best base-stealing team in the American league as follows: Wash, Mullin and Arcadianes, pitchers; Kiehl, catcher; Isbell, first base; Colborn, second base; Moriarty, third base; Bush, shortstop; Dougherty, left field; Parent, center field, and Cobb, right field.

MUCH INFORMATION GATHERED

ST. PAUL BUSINESS MEN RETURN FROM THREE THOUSAND-MILE JOURNEY.

St. Paul, Sept. 10.—Loaded with information on every conceivable public question, 26 St. Paul municipal officers and council members are back from a 3,000-mile trip through eastern Canada and the seaboard states, during which careful investigations of the way other cities do things were made. The trip resulted in a surprising store of practical information, but in the conclusion that in all lines of material progress with the single exception of purely industrial expansion, cities of the eastern United States have not so far outstripped western cities. These are some of the conclusions of the party:

That in the creation of public playgrounds, Chicago is taking a notably advanced position.

That in the case of public streets, especially of main avenues and boulevards, the New York system is exceptionally efficient.

That the movement towards better city advertising is more widespread in the east, but in most instances hardly along the same practical line as in the west.

That Toronto as a representative Canadian city excels in its businesslike handling of municipal problems, and is at the present time securing good government at a minimum cost.

That the conception of a beautiful city is more clear in the east than in the west, and that "the city beautiful" movement is far more widespread.

That in growth of population and rapid increase of commercial importance the majority of eastern cities are behind those of the west.

Special attention was paid to questions of paving and curbing residence and business streets, and the New York method of maintaining the surface of gravel boulevards, that of dragging with a special harrow set to take an exceedingly fine cut, was especially commended. In many different cities the party found that the use of crude oil preparation has produced fine and hard and practically endless drives, but "autumnable ruts," caused by the tires of fast moving machines, were everywhere found without discovering a method of preventing them, except the New York method of dragging the boulevards after the sprinklers have passed, the teeth of the drag filling all small depressions, and succeeding traffic wearing the surface hard again.

In Montreal the St. Paul delegation was the largest in attendance at the convention of the League of American Municipalities, and after a hard fight with Atlanta and Kansas City, St. Paul captured the sessions of next year, for which preparations are already being made.

Why eastern farmers continue to farm a soil apparently made up largely of boulders in various stages of gray forbiddingly, and the commonest variety of yellow sand, remained an unsolved mystery. In parts of Michigan alone was there to be seen any soil

which compares with that of 82 large Minnesota counties. The grainfields looked discouraged when one remembered the opulent yield of cereals in Minnesota this year. There were no clusters of grain stacks around the farm houses—two or three seemed about the best the farms could show. The farmers evidently were not poor, yet there were no fine barns, no large improvements, to show any recent prosperity.

On the dock at Lake Champlain a New York farmer was engaged in conversation. He bewailed the lot of the farmer, complaining that the soil devoured fertilizer like a rat hole eating sand; that the grass crop this year was such as to make it difficult to maintain his dairy herds; that apples did not promise as well as they should.

"Why do you farm here then?" he was asked. "Why don't you move to Minnesota. Out there the surface soil is three feet thick and farmers are making so much money they all ride in automobiles."

"Well," he replied, "my father farmed the same farm I am now on, and he made a living, and, besides, Minnesota is such a cold country."

Yet southern Minnesota this year shows better apples than any of the party saw in the old Empire state. It is evidently time for Minnesota to get busy with some of the eastern hardheads who are trying to make grass grow on boulders and to produce wheat from sand piles.

Nipped by Jack Frost
is something liable to happen to any one in this bitter weather. A frost-bitten ear or finger or a toe, sometimes a bad case of chilblains. Don't wait until the accident happens to get a remedy, but get it now for application right away. Ballard's Snow Liniment cures frost bite, chilblains, rheumatism, aches or pains of all kinds. Sold by Geo. Fretheimer.

ONE FATALLY HURT.

Salt Lake City, Sept. 10.—With the possible exception of Patrick McNinny of Anaconda, a passenger on train No. 200, all of the injured persons in the Salt Lake route wreck of yesterday morning, who were brought here, will recover, according to the information the Holy Cross hospital gives out this afternoon.

The condition of Mr. McNinny was reported as serious, but the doctors still express the belief that he will recover.

Chamberlain's Colic, Cholera and Diarrhoea Remedy is today the best known medicine in use for the relief and cure of bowel complaints. It cures griping, diarrhoea, dysentery, and should be taken at the first unnatural looseness of the bowels. It is equally valuable for children and adults. It always cures. Sold by all dealers.

The Electric Sign Is Indorsed by Visitors

THEY WILL GO BACK TO THEIR HOMES AND TALK ABOUT IT

LOTS OF IT.—They stood at the Florence corner one night and looked up the avenue along the lengthy line of illuminated signs. There were four of them and they were strangers in the city; they talked enthusiastically of some of the things they had seen here and were particularly interested in the electric signs. "I'll bet you," said one of them, "that there is more electric power represented in those signs on that one street than is used in our whole city at home." Wherever he came from, that young man is the sort of visitor that Missoula likes to have. He is representative of the people, as a whole, who are registering. And it is worth while to have this sort of fellows stop with us, if it is only for a day. They learn something about us and they like us and go away with good words on their tongues for Missoula and her people. There can be no mistake made in the proper treatment of the strangers who are with us this summer. It is to the lasting credit of the people of the city, especially of the hotel men, that visitors are going home well pleased.
