BUTTE FIRM SUES MISSOULA COUNTY

Claiming to have been unjustly taxed, William C. and Fred L. Orton, a Butte firm doing business under the title of Orton Bros., have filed complaint in the district court against Missoula county. The principal object of the suit, the papers in which were filed yesterday, is to have set aside a tax sale deed to lots 3, 4 and 5 in block 33 of Union addition, in this city. The Butte company claims that taxes to the amount of \$96.05, including penalties, were assessed on promissory notes filed with the county clerk and binding piano sales. It is contended that \$2.30, the amount of tax the firm claims it really owes the county, has been tendered and refused.

UNIVERSITY OPENS TUESDAY

STATE INSTITUTION'S YEAR BEGINS THIS WEEK—PROSPECTS ARE BRIGHT.

With only one or two exceptions the entire faculty of the University of Montana was present at the institution yesterday to attend the first meeting of the academic year. Tuesday is registration day, this date being the time set for students and faculty to take up their active scholastic duties.

Among the members of the faculty who are on hand for the beginning of the new year's work are the eight new appointees who have become members of the University of Montana faculty this fall. The new members, with the exception of Professor A. J. Cox, were at the faculty meeting yesterday and became initiated into their new field.

Students Coming.

Already a number of students have arrived in Missoula in order to get settled before their actual work begins. These will be followed by more today, while the rush of students will come tomorrow and Tuesday. Examinations will be given to those who are required to take entrance examinations tomorrow.

Just as soon as college opens the football enthusiasts will be out on Montana field getting together a team. The gymnasium has also been equipped with much new apparatus during the summer, including better bathing facilities, and will be in first-class shape for the physical culture side of the athletic department.

Several receptions, especially for the new students, will be given during the week. The Associated Students' reception for new students will be one of the social functions. The Christian associations are also planning entertainments for new students.

A Milestone.

The opening of the university this year marks the greatest milestone in higher education ever passed in the state. No students below college rank will be admitted to the institution. Only collegiate education will be given, the "prep" subjects being completely dropped. Friends of the institution are particularly pleased with this phase of the university's development.

Indications for a good collegiate enrollment are bright, many inquiries having been received during the past month. Requests for rooms at Women's hall have been numerous lately, and it is probable that the capacity of the "dorm" will be taxed during the year.

SIXTY DAYS FOR ALLEGED MUTE.

Floyd Jefferson, alleged to have begged money, a few nights ago, on the plea of being a mute, pleaded guilty before Justice of the Peace Small yesterday and was sentenced to serve 60 days in the county jail. The man had entered a plea of not guilty on Friday, but evidently changed his mind yesterday. He received a heavier sentence than he would have gotten had he not been so "sassy" in court.

COMMISSION ADJUDGES

M. M. STERLING INSANE

Martin M. Sterling was adjudged insane yesterday by a commission composed of Drs. George H. Putney and G. F. Thurman, and was committed to the state asylum at Warm Springs. He was taken over by Deputy Orton yesterday afternoon.

Sterling is a stonemason by trade and a man well known in this part of the state. His state of mind was first shown when he began making midnight trips to the cemetery to pray. During his detention in the county jail preliminary to an inquiry into his insanity Sterling was assaulted by a fellow prisoner and sent to the hospital to recover. He is 50 years of age.

"NOT GUILTY," SAY MATTSON AND OLSON

Charles Mattson and O. E. Olson, charged with assaulting Frank Irvin in the Waldorf saloon last Tuesday night, pleaded not guilty before Justice of the Peace Small yesterday and their trial was set for Tuesday afternoon at 4 o'clock. It is alleged that one of the two struck Irvin over the head with a beer bottle. Irvin, the victim, alleges that Mattson did the job, while Mattson claims that Olson struck the blow. Irvin still shows the effects of the treatment he received; one eye is blackened and his scalp is badly cut. Mattson is one of the proprietors of the saloon.

LOCAL LODGE ELECTS DELEGATES

SCANDINAVIANS CHOOSE REPRESENTATIVES TO CONVENTION IN SPOKANE.

The members of the Scandinavian Brotherhood met last night and elected delegates to represent the local lodge at the annual convention of the order to be held in Spokane the latter part of this month. For delegates, Charles N. Madsen and Leif T. Fredericks were chosen, with Alex. Benson and John Lundgren as alternates.

It is understood that Spokane Scandinavians are planning a great reception for their guests, and it is probable that a large number of Scandinavians from Missoula will attend the convention in addition to the regularly selected delegates.

The growth of the Scandinavian Brotherhood has been remarkable during the past year, and more lodges will be represented at the coming meeting than ever before. Among the cities in which new lodges were organized may be mentioned Seattle, Tacoma and Everett, Wash.; Sandpoint, Idaho, and Big Timber, East Helena and Kallispell, Mont. A movement is now on foot which, if successful, will effect the consolidation of the various Scandinavian societies throughout the land under the name of the Western association, making it one of the best and strongest fraternal orders of its kind in the United States.

NOTICE OF APPEAL FILED BY ATTORNEY

The attorneys for B. E. Donahue, convicted in Justice of the Peace Small's court on Friday evening of the charge of being a vagrant of the "secretary" order, yesterday afternoon filed a notice of appeal. The arguments will be heard at 4 o'clock Monday afternoon. Donahue's bond of \$500 was not furnished, and he will be detained in the county jail. The attorney for the defendant claims that the case did not come under the signature of the court, and that the complaint was defective because it did not bear the signature of the complaining witness.

NINETY DAYS FOR "VAG."

Lewis Parker, colored, had a trial before Justice of the Peace Small yesterday afternoon on the charge of vagrancy. It was alleged by the police that the man was a "secretary" in one of the West Front street resorts. The man acted as his own attorney, but did not do a very good job of it. He was found guilty and will spend the next 90 days with Sheriff Graham.
