

AN ODD MISTAKE THAT WOMEN MAKE

Women are inclined to fall into a mistaken idea that any pain about the hips or in the small of the back is "female weakness," and must be endured as a trouble peculiar to the sex.

Such patience is noble, but too often unnecessary and unwise.

Kidney weakness in man or woman will cause backache, sharp twinges when stooping or lifting, bearing-down pains, fits of "blues," nervousness, dizzy spells, headaches, urinary disorders and swelling of the ankles or limbs.

This is the point: Do not worry over supposed female weakness until you are very sure it is not kidney disease that is causing your troubles. The nature of a woman's life and work makes her fall an easy victim of kidney sickness. The bending and stooping of housework, the tight clothing worn, the strain of childbirth and worry of rearing children, the indoor life, colds, fevers and constipation, all wear and weaken the kidneys.

Backache, such irregularity as the too frequent desire to urinate, painful or scalding passages or sediment in the urine is good cause to judge that you have weak kidneys.

Then begin using Doan's Kidney Pills, which have brought new life and strength to thousands of women. It is your duty to self and family not to

OVERLOOK THE REAL CAUSE OF COMMON BUT MYSTERIOUS ACHES AND ILLS.

Every Picture Tells A Story

neglect nor overlook the first symptom.

Don't wait for a serious case of diabetes, dropsy, Bright's disease or gravel to develop.

Doan's Kidney Pills is a simple vegetable remedy, yet very quick in its healing and strengthening action on the kidneys. It contains nothing of a narcotic, poisonous nor habit-forming nature, and can be taken by any man, woman or child of even the most delicate state of health.

MISSOULA PROOF.

Mrs. L. J. Kountz, 208 North Second street, Missoula, Mont., says: "For several years I suffered from my back and kidneys, not constantly but by fits and starts. In the summer I was taken with an attack and it was the most painful one I ever had. My back ached constantly and there was a bearing-down sensation in my hips. I felt dizzy and tired all the time and did not sleep well. I finally began using Doan's Kidney Pills, procured at the Missoula Drug Co., and the contents of four boxes gave me entire freedom from these annoyances. I have not had any trouble since, and in return for this permanent benefit I gladly recommend Doan's Kidney Pills."

MARKET MOVEMENTS OF THE DAY

New York, Sept. 29.—The stock speculation opened at a gallop today, but the strain of the pace became obvious early in the day. The rush to buy and bid up prices made an excited opening, which spread prices of the speculative favorites on simultaneous transaction which reached as much as 20,000 shares in United States Steel and 10,000 shares in Atchison. There were wide opening fluctuations in the stocks and the top prices then made represented the highest in some instances. This was true of United States Steel and Atchison and Chesapeake & Ohio, topped at previous prices in the course of the day. The higher opening at 90% in United States Steel had been exceeded earlier in the day in the London market, where the stocks at the New York equivalent of 90%. The realizing sales which that price induced in London were continued in New York on a scale downward and after the first half hour this influential stock sold for the most part below last night's price. The first hour's business saw an enormous pressure of realizing sales in all quarters.

While these stocks were aggressively advanced the rest of the list held back and in some quarters there were signs of positive depression. Erie and

the Wabash securities were two prominent examples. Supposed dividend prospects again played an important part in the speculative motive forces. The favorable showing of August net earnings of railroads is a fostering influence on this expectation. It is expected that the Atchison dividend meeting last week will lead the way in the series of meetings to which the speculation is looking forward. United States Steel, Pennsylvania, Southern Pacific and others were influenced by this factor today and each exercised an influence on other stocks in which circumstances are analogous.

The resumption of dividends on the Westinghouse Electric preferred stock today after being suspended since 1907, was the only tangible development in the direction of increased disturbance of profits. The closing tone was much unsettled.

Bonds were irregular. Total sales, (par value), \$6,287,000.

United States bonds were unchanged on call.

Grain and Provisions.

Chicago, Sept. 29.—An official estimate showing a larger acreage of wheat in Argentina than had been generally conceded had a depressing effect on the wheat market here today and offset the effect of the congested condition in the September delivery. Frequent and rather violent fluctuations in the September delivery market trading. A bulge of nearly 2 cents occurred in the first 15 minutes of the day followed by a 3 cent break. From \$1.07 1/2, which point was reached soon after the opening on excited covering by shorts, the price fell to \$1.04 1/2 on realizing sales. During the day the December option sold between 99c and \$1.01 1/2. The market closed weak with September at \$1.06 and December at \$1.01 1/2.

The corn market developed extreme weakness and prices declined from 1 1/4 to 1 3/8c compared with the previous close. The market closed weak with prices almost at the bottom.

Oats for September delivery advanced yesterday's final figure and closed at the high point of the day. The deferred months were weak throughout the session and closed 3/4c to 5/8c below the previous close.

Provisions were weak all day owing to selling by local packers and pit traders. Prices at the close were 5c higher to 2c lower.

Night on Bald Mountain.

On a lonely night Alex Benton of Fort Edward, N. Y., climbed Bald mountain to the home of a neighbor, tortured by asthma, bent on curing him with Dr. King's New Discovery that had cured himself of asthma. This wonderful medicine soon relieved and quickly cured his neighbor. Later it cured his son's wife of a severe lung trouble. Millions believe it's the greatest throat and lung cure on earth. Coughs, colds, croup, hemorrhages and sore lungs are surely cured by it. Best for hay fever, grip and whooping cough. 50c and \$1.00. Trial bottle free. Guaranteed by Missoula Drug Co.

THE TARIFF ON WOOL DEFENDED BY CARTER

Helena, Sept. 28.—The feature of today's meeting of the Montana Wool Growers' Association was the address of Senator Thomas H. Carter on the election of duties. Senator Carter spoke at length on the tariff on wool, and his remarks were favorably received. G. K. Reeder of this county was elected president and H. H. Pigott of Helena vice president. The secretary-treasurer and members of the executive committee will be named later.

A Narrow Escape.

Edgar N. Bayless, a merchant of Robinsonville, Del., wrote: "About two years ago I was thin and sick and coughed all the time, and if I did not have consumption it was near to it. I commenced using Foley's Honey and Tar and it stopped my cough, and I am now entirely well, and have gained twenty-eight pounds, all due to the good results from taking Foley Honey and Tar." Garden City Drug Co. (Gen. Freishelmer, proprietor).

We beg to announce that we will occupy our new offices in the Masonic Temple building from and after Monday, Sept. 27th.
