

BITTER ROOT FARM SHOWS PRIZES

PREMIUMS WON BY VALLEY INSTITUTION ARE EXHIBITED IN HAMILTON.

Hamilton, Oct. 6.—The window of the Bitter Root Stock farm office is decorated with blue and red ribbons today, the ribbons bearing the inscriptions, "Montana State Fair, Helena, Mont., 1909," and the colors indicate first and second prizes.

The blooded stock which won the ribbons has been returned to Hamilton and is in fine condition. The long strain of shipping and standing in the stall at the state fair does not show any had effect on the stock.

Superintendent P. J. Shannon is highly pleased with the decision of the judges and in commenting on the fact said: "Yes, we captured first prizes for all of the stock that we had on exhibition, and there is no doubt in my mind but that we would have captured more prizes had we taken more stock to the fair. No, we did not exhibit any grains, grasses, fruits or vegetables this time, but if we had I am satisfied we would have captured some several more first prize ribbons."

The stock sent to the fair was in charge of Harry Coker, Tom Wilkinson and Charles Priest.

The Shire mare and colt exhibited carried off the blue ribbon for the best mare and colt at the show. The black Percheron stallion, Farver, won first prize for the best Percheron stallion of the show; won the sweepstakes ribbon over all breeds of horses at the fair, and also won a special prize put up by the American Percheron Breeders association.

The Suffolk Punch stallion, Bert; Conjuror, captured the red ribbon, the only second prize given the stock farm animals.

The Dutch Belted cattle won the sweepstakes prize for the herd, two cows, a bull and a bull calf. The cows got a first prize ribbon, as did the bull and the bull calf.

The Belted Hampshire hogs were also successful in winning first prize ribbons. For the best sow and boar under six months old, first; for the best yearling sow, first, and first prize for the best sow under six months old. They also won the grand sweepstakes prize.

Nine sheep were placed on exhibition at the fair. They received their share of praise, but did not capture any prize ribbons, owing to the fact that they were the only sheep of the breeds at the show, and also that they were not listed in the premium lists. Seven sheep of the Lunk breed were shown, and from the fact that they are the only Lunk sheep in America, were greatly admired by sheep raisers of the state. Two Tunis sheep were also shown, and as they are the only Tunis sheep in Montana, were greatly admired by the sheepmen of Montana. They were placed in exhibition knowing that they were the only sheep of their breed that would be on show at the fair, and the management of the stock farm feels amply repaid for the trouble in exhibiting them, and they have advertised the fact that the Bitter Root Stock farm is up-to-date in the matter of importing and securing new breeds and new blood in the stock line.

KIDNEY CAUSE OF BACKACHE

A FEW DOSES CLEAN AND REGULATE THE KIDNEYS AND YOU FEEL FINE.

A real surprise awaits every sufferer from kidney or bladder trouble who takes several doses of Pape's Diuretic. Misery in the back, sides or loins, sick headache, nervousness, rheumatism pains, heart palpitations, dizziness, sleeplessness, inflamed or swollen eyelids, lack of energy and all symptoms of out-of-order kidneys simply vanish.

Uncontrollable urination (especially at night), smarting, offensive and discolored water and other bladder misery ends.

The moment you suspect kidney or urinary disorder, or feel any rheumatism, begin taking this harmless medicine, with the knowledge that there is no other remedy at any price, made anywhere else in the world, which will effect so thorough and prompt a cure as a fifty-cent treatment of Pape's Diuretic, which any druggist can supply.

It is needless to feel miserable and worried, because this unusual preparation goes at once to the out-of-order kidneys and urinary system, distributing its cleansing, healing and strengthening influence directly upon the organs and glands affected, and completes the cure before you realize it. Your physician, pharmacist, banker or any mercantile agency will tell you that Pape, Thompson & Pape, of Cincinnati, is a large and responsible medicine concern, thoroughly worthy of your confidence.

Only curative results can come from taking Pape's Diuretic, and a few days' treatment will make any one feel fine. Accept only Pape's Diuretic—fifty-cent treatment—any drug store—anywhere in the world.

"Can be depended upon" is an expression we all like to hear, and when it is used in connection with Chamberlain's Colic, Cholera and Diarrhoea Remedy it means that it never fails to cure diarrhoea, dysentery or bowel complaints. It is pleasant to take and equally valuable for children and adults. Sold by all druggists.

OPPOSITION TO TAX SPOKANE ANXIOUS FOR MEETING

ACTIVE WORK IS BEGUN IN OPPOSITION TO CORPORATION MEASURE.

Denver, Oct. 6.—Active opposition to the corporation tax, supported by President Taft here less than two weeks ago, was launched today at the opening business session of the American Street & Interurban Railway Manufacturers' association. President Shaw of Boston in his annual address today ranged himself with the opponents of the corporation tax and declared that the case will be carried to the courts for a decision on the constitutionality of the law. He held that the tax imposes an additional burden upon the holders of corporation stock, while it does not affect the income of bondholders.

Mr. Shaw advocated the proposed amendment to the constitution giving congress the power to levy a tax on incomes, "at least in cases of emergency," holding it as more just and more likely to reach possessors of large incomes, while not materially affecting others. Present sentiment indicates the addition of resolutions setting forth the association's opposition to the corporation tax.

Mr. Shaw's address also emphasized the magnitude of the industry represented in the present convention, which includes 250 companies in the United States; 25,000 miles of single track; 75,000 passenger cars; total passengers carried each year, 10,000,000,000; gross annual income, \$40,000,000; outstanding par value of stocks and bonds, \$1,000,000,000.

Reports of officers and an address by Ernest Gozenbach of Michigan were features of today's session of the parent organization. Future sessions will be executive.

Among the important departmental meetings today were those of claim agents and engineers. The claim agents discussed the problem of procuring witnesses to accidents and the relation of the companies to the press in case of accidents. This afternoon the ladies of the convention were entertained with an automobile tour of Denver. Tonight the entertainment consisted of the annual supper of the amateur vaudeville and theatrical performance, followed by an informal dance at the Brown Palace hotel.

BERRIES IN OCTOBER.

Hamilton, Oct. 6.—One of the sights for which the Bitter Root valley has become famous the past few years was on exhibition at the Club cigar store yesterday. In a cat-glass dish were about a quart of red, ripe strawberries, just like the ones that were marketed here in the months of June and July. They were all of the average size that were marketed earlier in the season and the flavor was just as fine. They were grown by James Dunbar on the west side of the Bitter Root valley.

If people with symptoms of kidney or bladder trouble could realize the danger they would without loss of time commence taking Foley's Kidney Remedy. This great remedy stops the pain and the irregularities, strengthens and builds up these organs, and there is no danger of Bright's disease or other serious disorder. Do not disregard the early symptoms. Garden City Drug Co.
