

HEAVY BOMBARDMENT IN THE FIRST INNING

WITH COMMANDING LEAD PITTSBURG BARELY WINS OUT IN THIRD CONTEST.

Detroit, Oct. 11.—Pittsburg defeated Detroit, 5 to 6, here today in one of the most spectacular and fiercely contested games ever played in a world's championship series. This gives Pittsburg the margin of two games to one and the National league adherents are correspondingly jubilant. Detroit, however, played in the final innings of the battle that it is far from hopelessly beaten. Weather conditions were frightful. It rained frequently during the nine innings, several times in hard showers of several minutes' duration. The sky was threatening all day and it was so dark during the last two innings that it was hard for both players and spectators to follow the ball. A sharp northwest wind added to the discomfort of the players and the spectators. Despite wretched weather the attendance, 18,277, broke all local records for the world's series.

Pirates Take Lead Early.
Pittsburg jumped into the lead immediately by scoring five runs in the first inning. They batted Summings out of the box aided by some poor fielding. Another run in the second inning gave Pittsburg a lead of six to nothing and the game then appeared to be safe for the visitors. Detroit, however, came to the fore with one of the greatest rallies ever made and scored four runs in the seventh inning, battling Maddox hard and playing like fiends.

With the score 6 to 4, Pittsburg connected with some of Works' curves in the ninth for two runs. With the score 8 to 4 against it, the Detroit team smashed out two more runs in the last inning. Had Sam Crawford been able to hit up to his usual mark this afternoon, there would have been a different story to tell. Detroit outbatted

in five times at bat and two of them played important parts in the scoring. Delehanty was there with two two-baggers and a single in five times at bat. His third hit—a double in the seventh—started the rally that caused many apprehensive chills among the Pittsburg players.

While Crawford starred in the field, his work at bat was feeble and he missed two excellent chances to giving the tide of victory toward his team. He ended the rally in the seventh inning

STUNG AGAIN.

by a pop fly to Abstein with two men on bases. In the ninth he again had a chance with Cobb on second, but his best was a feeble bouncer to Wagner. Cobb made a two-bagger and a single that were important factors in the Detroit rally. His single in the seventh scored one run and his double in the ninth sent in two more. The ground rules brought a long conference between Empires O'Loughlin and Johnson and the members of the national committee. Then a unanimous decision was made by sending Empire Klem, who was not scheduled to work today, out along the right field foul line to watch the hits into the crowd and act in an advisory capacity to the two other umpires.

Weird Spectacle.
The first inning was a weird spectacle for the locals and when it was over hope was nearly dead for a Detroit victory. Byrne opened by beating out a hit along the third base line and went to third when Leach singled to center. Clarke sent a grounder to Summers and Byrne was caught between third and home. Summers to Moriarty to Schmidt. Leach went to third and Clarke to second during the chase. Wagner's hit was too hot for Push and it rolled to left field while Leach and Clarke scored. Wagner at the second, went to third on Schmidt's lead throw to second and scored on a wild pitch. Miller drew a base on balls and Abstein singled to center. Miller scoring when Crawford made a bad throw to third, Abstein moving to third on the same error. At this point "snake" Jennings withdrew Summers and sent Willett in to pitch. Wilson shot a single to center and scored Abstein. Gibson and Maddox finished the rally with easy outs.

Pittsburg scored another run in the second. With one out, Willett hit Leach on the hand and Clarke on the knee. Wagner forced Clarke at second. Bush to Delehanty, and Leach moved to third. On a double steal Leach scored and Wagner went to third. Miller ended the inning with a pop fly to Delehanty.

Detroit was practically helpless before Maddox until the seventh when a rally netted four runs. Delehanty opened the inning with a two-bagger to center and Moriarty was safe when Miller fumbled his grounder. Delehanty going to third, Tom Jones singled to right, scoring Delehanty and putting Moriarty on second. Schmidt fouled to Byrne and McIntyre, who batted for Willett, struck out. D. Jones beat out a bunt along the third base line, filling the bases. Bush singled just beyond the reach of Wagner and Moriarty and Tom Jones scored. Cobb singled to center, scoring D. Jones, but Crawford ended the inning with a fly to Abstein.

Each team scored two runs in the ninth inning. For Pittsburg Maddox struck out as a starter, but Byrne singled to center. Leach put a two-bagger into the left field crowd and Byrne went to third. Cobb made a great catch of Clarke's fly, but Byrne beat the throw to the plate. Wagner singled to right, scoring Leach and another star catch by Cobb of Miller's long fly ended the inning.

Tigers are Game.
Detroit made a game effort to tie the score in the ninth but fell short by two runs. Mullin batted for Works to start the ninth and struck out. Detroit hopes started to rise when Ab-

stein dropped Wagner's brilliant assist on D. Jones' grounder. Bush beat out a hit to Byrne and both men scored when Cobb doubled into the right field overflow. Crawford was easy, however, Wagner to Abstein, and Clarke made a great catch of Delehanty's fly.

Following is the official attendance and receipts of the game today: Total attendance, 18,277; total receipts, \$20,676. Division: National commission, \$2,967.50; players, \$11,165.94; two clubs, \$7,443.36.

BUTTE SCHOLASTICS FACE BOYCOTT

THINKING MATERIAL HAS BEEN IMPORTED, HIGH SCHOOLS REFUSE GAMES.

"The school board will not permit the local boys to play with the Butte team. It is claimed by the members of the local high school team that Butte has some players on its high school team who were imported for their ability on the gridiron, and while their standing as high school students may be unquestioned, the custom of importing players in high schools does not meet with any great degree of approval locally."—Great Falls Tribune.

It seems that Principal Downer has over-reached himself this year. It is common street talk in Butte that less than half of the high school team is legitimate and there are a few sporting men of the Smoky city who deplore this state of affairs, while everyone who follows the game there admits the fact that Wisconsin and other states of the middle west contributed to the football machine that was able to down the Aggies at Bozeman last Saturday. The result is to let Coach Downer will be unable to complete his schedule. He will undoubtedly have the satisfaction of knowing that he has the best high school team in Montana, but he will not have the opportunity of making a victorious tour of the state. Great Falls has refused to meet the Butte team, a date with Missoula is up in the air and many of the scholastic eleven of Montana have left the mingling camp's aggregation off their schedules. Mr. Downer will probably have great difficulty in securing games until he pares his team down to standard size.

"It isn't fair to the high schools of the state," said an ex-official of the state interscholastic association in Butte Saturday. "Butte has a team that is so far the superior in weight and strength of any in the state that no other high school eleven stands a show. There is, however, nothing to be done about it, for Downer is wise enough to see that he complies with the letter of the law to a nicety. Every member of his team is probably accredited and he could appear before any board of inquiry with perfect equanimity, sure that nothing could be proved against him. Still, he is about to spoil high school football in Montana. Downer knows more football than any other coach in the northwest and, it seems to me, he could develop a champion team in Butte—the largest city of the state—and still remain within the limits of his own territory."

It is to be taken for granted that Mr. Downer will break into sarcastic assertions as to the timidity of Montana high schools. He will undoubtedly prefer charges of cowardice against them all—and that's all he will be able to do, judging from the situation that seems to exist.

JOHNSON IS DOWNED BY "GUNBOAT" SMITH

BLACK HEAVYWEIGHT GIVEN A SURPRISE BY HUSKY SAILOR—PRINCIPALS MEET.

San Francisco, Oct. 11.—Responding to Champion Jack Johnson's offer to meet all comers in Ben in his usual sparring partners, "Gunboat" Smith, a seaman from one of the United States cruisers anchored in this harbor, appeared yesterday at the champion's training quarters and secured a clean knockdown in his four-round bout with the big negro. Coming out of a clinch in the last round the sailor swung a right overhand chop which took Johnson flush on the chin. The champion went down flat on his back and when he recovered his feet he was so dazed that his manager out the round short. Smith mixed things with some demonstrated that he could reach him with the overhand chop which finally laid Johnson low. The 500 spectators gathered to see the training stunts of the champion were highly excited by the unexpected outcome of the bout and they cheered Smith vociferously.

Greek Meets Greek.
An unexpected feature in today's developments of the championship match on October 16 was a meeting of the two principals. Johnson had failed to fix a punctured tire when Ketchel, passing in another machine, stopped and the two engaged in several minutes of good natured chaffing.

LOCAL SCHOLASTICS PLAN SEASON

MISSOULA HIGH SCHOOL ATHLETES ARRANGING FOR A HEAVY SCHEDULE.

Not content with having defeated Anaconda by the largest score ever run up on Montana field, the local high school football squad is hard at its practice again and yesterday started on a campaign which will end in a game, it is expected, with either Livingston or Roseman. The team is in, by far, the best condition so far this season. The game last Saturday showed what good coaching and hard work will do and Coach Dinsmore is confident of his ability to defeat any school in the state outside of the so-called high school team of Butte.

The Missoula school is represented this fall by the best team which it has ever put on the gridiron. It is heavier and faster than ever and with plenty of reserve material to draw from the season should be very successful.

The lineup of the team has been practically decided for the season. The team which defeated Anaconda last Saturday is the same which will play the season out and Coach Dinsmore is now devoting his time to hammering the squad into a perfectly working machine. The team averages at present an even 145 and with nearly every man on the team at this average weight it forms a fighting machine which is a good rival for any other high school aggregation in the state. Day, the heaviest man, weighs 164 and Stone, the lightest man, 129. The line averages just a fraction over 145 and the backfield just a fraction under, this even balance being the secret of the team's remarkable victory over Anaconda. Nearly all of the men have had at least one year's experience, while Davis at right tackle, has played four and Captain Peterson, Day, fullback, and Minnerly have three years to their credit.

The lineup of the team as it played last Saturday and the weights of the men follow: Peterson, captain, 132; Crowley, left halfback, 139; Day, fullback, 164; Stone, right halfback, 129; Mullen, left end, 118; Kitt, tackle, 147; Davis, tackle, 132; Klebe, guard, 145; Marsh, guard, 141; Simpkins, center, 142 and Minnerly, end, 138.

Arrangements are at present pending with Great Falls—which team will probably play here—Thinkingville—Wisconsin and Roseman and Princeton. Thomas hopes to have a well-rounded season planned out by the end of the week. No matter what games it plays, however, the team is getting into first-class shape and by the first of the month will be in condition to meet the best of them.

VAUDEVILLE AND MOTION PICTURES

Last evening at the Grand theater "The Marshalls" presented one of the most laughable burlesques on melodrama ever witnessed by a Missoula audience. The form of diversion is not new by any means, but it was made ludicrous to a marked degree by the manner of its presentation. The burlesque is "A Wronged Husband and a Despairful Wife." Aside from the burlesque portion of the number, Marshall is somewhat "trick" methods of rathical pedal tire beating. No less engaging was Miss Helga Sandberg, who through her sweet voice has won the title of "The Swedish Nightingale." Several musical selections were sung by the songstress, both in her native tongue and in English. Both acts were met with deserved applause. The motion pictures are just a little better than usual and the subjects are exceptionally interesting and pleasing.

will be presented this evening at the Isis theater, "Before the Mast" is another picture story that will be included in the program. It tells of life on the seas and portrays the scenes and adventures that go to make up the life of the sailor. "The Hunchback" is touted as an interesting subject. "My Southern Love" will be sung by J. August Fosst.

TROOPS ARRIVING.

El Paso, Tex., Oct. 11.—Troops began arriving today on the Mexican side in preparation for the meeting between Presidents Taft and Diaz. A regiment of Mexican zapadores arrived at Juarez this morning. General Albert Myer, who will command the American troops also arrived this morning.

President Diaz will reach Juarez Friday morning and President Taft will arrive in El Paso Saturday morning.

MILLIONS OF LIVES LOST

An Awful Toll Collected by Consumption—Many Unnecessary Deaths From This Disease.

If people could only understand that systematic catarrh is an internal disease which external applications cannot cure they would not need to be warned so often about this malady, which, when neglected, paves the way oftentimes for consumption at the cost of millions of lives every year. Yet catarrh may be cured if the right treatment is employed.

Catarrh is caused by a general diseased state of the system which leads commonly to annoying and perhaps serious local conditions, which may prove a fertile breeding ground for germs of consumption. External remedies give but temporary ease.

The only way to successfully treat catarrh is by employing a medicine which is absorbed and carried by the blood to all parts of the system, so that the mucous membrane or internal lining of the body is toned up and made capable of resisting the infection of consumption and other diseases.

We have a remedy prepared from the prescription of a physician who for thirty years studied and made catarrh a specialty, and whose record was a patient restored to health in every case where his treatment was followed as prescribed. That remedy is **Rexall Mucuo-Tone**. We are so positive that it will completely overcome catarrh in all its various forms, whether acute or chronic, that we promise to return every penny paid us for the medicine in every case where it fails or for any reason does not satisfy the user.

We want you to try **Rexall Mucuo-Tone** on our recommendation and guarantee. We are right here where you live, and you do not contract any obligation or risk when you try **Rexall Mucuo-Tone** on our guarantee. We have **Rexall Mucuo-Tone** in two sizes, 50 cents and \$1.00. Very often the taking of one 50-cent bottle is sufficient to make a marked impression upon the case. Of course, in chronic cases a longer treatment is necessary. The average in such instances is three \$1 bottles. Remember, you can obtain **Rexall Remedies** in Missoula only at our store—the **Rexall store—Missoula Drug Co.**

OFFICERS SELECTED.

Los Angeles, Cal., Oct. 11.—The selection of officers for the ensuing year was the principal business of the Twenty-eighth annual meeting of the board of managers of the Women's Home Missionary society today. Mrs. Clinton B. Fish of New York City was chosen as president, emerita.

Mrs. George R. Robinson of Detroit was re-elected president and all of the five vice presidents likewise were re-elected.

HA! HA!

Pittsburg by a margin of one hit, getting 12 to the winner's 11. Summers started for the locals, but was removed at the end of the first inning. Willett succeeded him and did well until he was taken out to allow McIntyre to bat for him in the seventh. McIntyre struck out. Works, who went in then, was lucky in the eighth after Abstein had made a two-base hit with but one out. The next two were easy outs.

In the ninth Pittsburg landed on him for three hits and that clinched the game. Had Jennings sent in a more experienced pitcher in such a situation he might have secured at least a tie.

Maddox Weakens.
Maddox was on the rubber for Pittsburg and was hit hard in the closing innings, although Detroit could do nothing with him in the early sessions. When the American leaguers did start to hit him they landed hard and often, but Manager Clarke led Maddox in because of the lead his team had assumed.

The Mighty Honus.

The mighty Hans Wagner was the star of the game, but he was forced to share some of the stellar honors with Bush and Delehanty of the locals. Wagner made four hits and stole four bases, although Catcher Schmidt was not to blame for at least one of the thefts. Besides his hitting and base running, Wagner played an admirable game in the field.

In the first inning Wagner beat out a hit to Bush, stole second, went to third on Schmidt's lead and threw to second. He then scored on a wild pitch. In the second he reached first on a fielder's choice and on a double steal went to third while Leach was stealing home. In the fifth he singled out of Tom Jones' reach and stole second. Wagner singled to left in the seventh, but was caught trying to steal second, Schmidt to Bush. In the ninth he again singled and stole second, while Leach was on third waiting to score. Schmidt did not throw to catch Wagner thus, however, until he had ascertained that Leach would not try to score.

Bush and Delehanty.

Bush and Delehanty were the bright spots on the Detroit team in batting, while Cobb and Crawford made great catches. Bush made four great hits

S.S.S. HEALS SORES AND ULCERS

S. S. S. heals Sores and Ulcers in the very simplest way. It just goes right down into the blood and removes the cause, and the place is bound to heal because the impurities and morbid matters which have been the means of keeping the ulcer open are no longer absorbed from the blood. External applications of salves, lotions, plasters, etc., can never produce a cure because they do not reach the source of the trouble. At best they can only allay pain or reduce inflammation; such treatment is working on symptoms and not reaching the cause. Every nutritive corpuscle in the blood is weakened or infected, they cannot nourish the fibrous tissue around the place, but instead they constantly discharge into the flesh around the sore a quantity of impure, germ-laden matter which gradually eats into the surrounding healthy tissue and causes the ulcer to enlarge. Since impure blood is responsible for Sores and Ulcers, a medicine that can purify the blood is the only hope of a cure. S. S. S. has long been recognized as the greatest of all blood purifiers, possessing the qualities necessary to remove every impurity from the blood. While curing the sore or ulcer S. S. S. brings about a healthy condition of the flesh by supplying it with rich, healthy blood, and thus makes the cure permanent and lasting. Book on Sores and Ulcers and any medical advice free to all who write.
