

DETROIT GAMESTERS STILL HAVE A CHANCE

MULLIN AGAIN PITCHES GREAT GAME AND THE TIGERS EVEN UP THE COUNT.

Detroit, Oct. 14.—Detroit kept in the great fight for the world's baseball championship by defeating Pittsburgh, 5 to 4, today, in a battle full of sensational and thrilling situations, and tonight the two teams are tied with three victories each. The seventh and deciding game will be played here Saturday. A four inspiring rally in the ninth by Mullin was stopped after one run was scored, but three Detroit players were injured in stemming the rush of Pittsburgh runs.

Three Tigers Hurt.

Tom Jones, the Detroit first baseman, was the most seriously hurt. His neck and spine were injured in a collision with Wilson at first base and this resulted in Pittsburgh scoring its run in that session. Charles Schmidt, the catcher, had his right leg badly

gashed in blocking Abstein off the plate in the final inning. The play that finished the threatened rally of the National league champions resulted in the injury of Third Baseman Moriarity when he caught Wilson trying to steal third on Abbatichio's strikeout. In the same inning Moriarity's left knee was badly hurt when Wilson slid into the base. Tom Jones recovered consciousness in the club house after being carried off the field. He was taken home in an ambulance and it is practically certain he will not be able to play in Saturday's game. Schmidt, it is thought, will not be able to play and there is no doubt that Moriarity will be in the decisive battle. The injury to Jones necessitated the shifting of Crawford to first base, D. Jones to center and McIntyre to left field.

Way in the lead.

The Pittsburgh team got away in the lead by smashing out three runs on four successive hits off Mullin in the first inning. After that Mullin was invincible until the ninth when he weakened enough to get into a dangerous situation, only to extricate himself by another marvelous exhibition of pitching. Detroit put up another of its wonderful uphill games. It scored one run in the fourth and one more in the fifth by terrific batting. Camnitz succeeded Willis and Detroit batted him hard enough to get another run in the sixth. Camnitz was withdrawn

when Hyatt batted for him in the seventh and the veteran Philippi stopped the Detroit scoring.

The Evilful Ninth.

The ninth inning rally of Pittsburgh teemed with tense moments and dramatic incidents. At one time a hit meant the probable winning of the championship by Pittsburgh, as a single would have tied the score and a two-bagger perhaps have put Pittsburgh

in the lead. Pittsburgh went to bat with a score of 5 to 3 against it in the last inning. Miller started with a single to right and Abstein put another in the same place, sending Miller to second. Wilson placed a bunt in front of the plate and the side stood ed it to first, but the collision with Wilson caused Jones to lose the ball. Miller scoring and Abstein moving to third. The delay occasioned by Jones' injury gave Mullin a hard earned opportunity to recover his balance. Gibson grounded to Crawford, who had succeeded T. Jones at first base, and the star fielder made a great stop and throw to the plate. Abstein was out when Schmidt blocked him, off the plate and tagged him, but the Detroit catcher was badly spiked. He continued gamely, however, and few in the crowd knew that he had been injured.

Manager Clarke sent Abbatichio to bat for Philippi.

With Wilson on second and Gibson on first a hit by Abbatichio meant a tie score at least. Here is where Mullin rose to the occasion and made himself another niche in the Detroit baseball hall of fame. He performed a feat that nearly equalled his great performance of striking out Clarke and Wagner in Tuesday's game. Abbatichio was a suborn batter and it required nearly everything Mullin had to strike him out. On the third strike Wilson tried to steal third, but was caught, Schmidt to Moriarity, ending the game with a victory for Detroit. The crowd rushed upon the field and the players were justified about the mob of cheering Detroit supporters anxious to shake their hands and congratulate them. The injured Moriarity was surrounded by a crowd of sympathizers and an attempt was made to carry George Mullin off the field, but the big pitcher evaded his admirers.

Detroit Baseball Mad.

Today's wonderful game has set Detroit baseball mad again. The interest in the series was beginning to wane a bit because of the long drawn out fight and the decisive victory of Pittsburgh yesterday, but tonight conditions are changed. Every one in the city believes Detroit will be the next world's champions. The waning interest in the series was clearly shown by the fact that only 10,535 persons saw the game. The receipts for the day were \$12,517.50. Of this the national commission will receive \$1,251.75 and each club owner \$5,632.87. This brings the total attendance for the series up to 127,882 for the six games. This is an average of more than 21,000 a game and a new record for the world's championship series. The total receipts are \$18,625.50.

Wagner is Everywhere.

Hans Wagner played marvelous ball in the field, but made only one hit in four times at bat. In the field he was everywhere and did his best to stop the Detroit team from scoring. He covered third, retiring Detroit players twice by crowding Byrne out of the way and taking the play himself. In the fourth inning he raced over to third base, took Miller's assist on Moriarity's hit and retired Delehanty. Again in the sixth session he covered third and took Camnitz's assist, retiring Schmidt.

Sensational Double Play.

One of the most sensational plays of the game was double play made by Schmidt and Bush in the sixth inning. With Miller on first Abstein lifted a high foul which Schmidt caught with his back to the field. Miller started for second after the catch, but a wonderfully fast whip by Schmidt and a great one-handed catch and sweep backward by Bush caught Miller off second after the Pittsburgh man had made a desperate slide. Schmidt played a wonderfully fine game all the way and saved Mullin two or three wild pitches by his marvelous catches.

Another for the Cubs.

Chicago, Oct. 14.—The Chicago National league team defeated the American league club here today, 2 to 1, in the fourth game of the city championship series. The paid attendance today was 5,917. The gross receipts today were \$5,312, divided as follows: National commission, \$531.20; players, \$2,868.48; each club, \$956.16. The total amount to be divided among the players is \$23,910.65.

KETCHEL WILL TRY A BRAND NEW SYSTEM

"ASSASSIN" WILL MAKE JOHNSON COME TO HIM—BOTH FIGHTERS ARE NERVOUS.

San Francisco, Oct. 14.—Jack Johnson and Stanley Ketchel, the principals in Saturday's match for the heavyweight championship, spent a strenuous day in their respective training camps. Neither needed any additional work for both are in the pink of condition, but they worked furiously under the command of the moving picture operator who spent the greater part of the day taking the pictures which will be used as introduction to the real fight pictures.

Betting Still Topheavy.

Betting on the big match showed an increase today, but the odds remain 10 to 4, with the champion on the long end. Although no change in the odds occurred, it is believed at the pool rooms that the flow of sported money which began today will soon cause a shortening of the price. Considerable money is being wagered on the even proposition that Ketchel will stay 15 rounds against the champion.

Troub's Over Forfeit Money.

San Francisco, Oct. 14.—As a result of a disagreement between the principals over the status of the forfeit money of \$10,000, it looked for a time tonight as though the Ketchel-Johnson fight would not take place. Willis Britt, Ketchel's manager, stated later that an agreement had been reached, however, and declared that the battle would be fought on Saturday according to schedule. The first word of the controversy came from Promoter Coffroth, who announced that unless he brought Johnson to terms there was little prospect that the fight would take place. He hastened to the negro's training quarters on the ocean beach in an automobile immediately afterward.
