PRINCETON TIGERS DEFEATED

LAFAYETTE COLLEGE SCORES TOUCHDOWN IN LAST MINUTE—OTHER BIG GAMES.

Princeton, N. J., Oct. 23.—On one of those sudden plays characterizing new football, Frank Imschler, a second substitute right halfback on the Lafayette college team, caught the ball on a bound in the last minute of play, after Cunningham's try for a drop kick had been blocked, and ran 96 yards for a touchdown, making possible a Lafayette victory over Princeton by the score of 6 to 6. Just as Captain McCay kicked the goal time was called.

Harvard 11, Brown 0.
Cambridge, Mass., Oct. 23.—In a raggedly played game this afternoon Harvard defeated Brown, 11 to 0. The home team scoring in each half and twice successfully defending its own goal when touchdowns by the visitors seemed almost inevitable. Forward passes were carried off more successfully than in any other game on Soldiers' field this season. Harvard out-kicked Brown, and the crimson line, when fully realizing their danger, stiffened better than in any other game so far. Both scores came within a short time after the Harvard goal had been threatened. In the first half Frothingham, in Harvard's backfield, dropped a punt on Harvard's 35-yard line, from which point Brown pushed the ball to the two-yard line, where the ball was lost on downs. After an exchange of punts Harvard secured the ball on Brown's 25-yard line and Minot, by successive plunges, carried it over for the first score.
This action was repeated in the second half, but this time Brown managed to get within a foot of the Harvard chalkline before reluctantly relinquishing the ball on downs. Minot carried the ball over for the second and last score for Harvard. The goal was missed.

Colorado Mines 14, Utah 0.
Denver, Oct. 23.—The Colorado School of Mines eleven defeated Utah university this afternoon by a score of 14 to 0 in a game that was marked by frequent fumbles, in which Utah was the chief culprit, and by a sensational run of 77 yards for a touchdown by Captain Spring of the Golden eleven. Besides the fumbling, Utah's tendency to off-side play and holding in the line probably cost it at least one touchdown and possibly the game, as twice penalties were incurred. It was when the ball was within the very shadow of the miners' goal posts, Utah outweighed the Golden players, but the latter more than made up for this by their snappy and better fundamental football.

Denver 10, South Dakota 0.
Denver, Oct. 23.—Denver university defeated the South Dakota university eleven here today by a score of 10 to 0. The game was an unfortunate one for the Dakota team in that it gained a near touchdown on several occasions, only to be fought back by the superior playing of the Denver team.

Yale 36, Colgate 0.
New Haven, Oct. 23.—Yale defeated Colgate this afternoon, 36 to 0, making five touchdowns, five goals from touchdowns and two goals from the field. The field goals were both made by Coy in the first half. It was the first time since 1888 that a Yale man has kicked two goals from the field in the same game. Philbin made two touchdowns after long runs, the first a 40-yard dash and the other 52 yards.

Michigan 6, Marquette 5.
Milwaukee, Oct. 23.—Michigan had the narrowest escape of its career today when the Wolverine eleven defeated Marquette, 6 to 5, in one of the most brilliant games the Michigan eleven ever played. With the exception of the first 10 minutes of the game, the two eleven's were on exactly even terms. In the second half the play was almost entirely in Michigan's half of the gridiron.

Nevada 15, Barbarians 5.
Reno, Nev., Oct. 23.—A crowd of 5,000 people saw the University of Nevada defeat the Barbarian club of San Francisco, 15 to 5, this afternoon in the hardest fought game of Rugby seen on the local campus.

Stanford 41, Castaways 0.
Los Angeles, Oct. 23.—Leland Stanford university defeated the Castaways, 41 to 0, in a Rugby game today.

Cornell 16, Vermont 0.
Ithaca, N. Y., Oct. 23.—Cornell defeated Vermont, 16 to 0, today, by the use of open football tactics. In spite of a drizzle which continued throughout the game, the forward pass and the triple pass were used accurately and effectively.

VANDERBILT RECORD IS BEATEN

FLEMING, DRIVING POPE HARTFORD, WINS PORTOLA RACE BY WIDE MARGIN.

Oakland, Cal., Oct. 23.—Eclipsing the fast record made in the Vanderbilt cup race and maintaining a speed of 60 miles an hour throughout, negotiating the 21-mile course in less than 20 minutes, the Pope-Hartford car No. 4, driven by Jack Fleming, won the 25-mile Portola road race today with more than a lap to spare over its nearest competitors, in the fast time of 3 hours 58 minutes and 15 seconds. Throughout the race Fleming kept up a terrific speed and with the exception of one lap negotiated by the Stearns car No. 15, in 18 minutes and 19 seconds, the Pope-Hartford made the fastest time throughout. Two cars within two laps of the winner at the finish. These were the Apperson No. 13, driven by Harris Handberg, and the Lozier No. 12, driven by Harry Michener. The Apperson made fine spurts trying to overtake the Hartford. The Apperson car, which had negotiated a little less than 11 laps at the time the Pope-Hartford crossed the line a winner, was leading the Lozier No. 12 by almost a lap. Both finished in the order in which they had stood when the Pope-Hartford won.

Apperson Takes the Second.
Besides winning second place in the big event of the day, the 25-mile race, the Apperson car won the second race, negotiating the 210 miles in 3 hours 12 minutes and 23 seconds. The Lozier car was second. The Pope-Hartford won the first event, of seven laps. Fleming made by far the best time in the second race as well, but was not entered for that event and therefore could not take the contest. This led to some confusion and it was generally believed that Fleming had won the whole trio of races. The actual running time of the Pope-Hartford today was 64.1 miles an hour, breaking the world's record established at Santa Monica, of 64.4, and that of the Vanderbilt cup race of 64.2.

MARRIED BY ACCIDENTS.

The races were marred by a number of accidents, two of which may result fatally. These two mishaps were due to inefficient policing of the course and in both cases spectators were the victims. O. F. Johnson of this city was struck by the Knox car by Frank Free on the course near Fruitvale and sustained injuries from which he will probably die. An old man named McKittrick was the victim of one of the most peculiar accidents ever witnessed on an automobile race course, when his skull was fractured by a tire cast by the Sunset car.
On the second lap of the small car race A. G. Linne, the mechanic of the Maxwell, was painfully injured by the breaking of the flywheel of his motor. Early in the race the Chalmers-Detroit sustained a broken wheel and Driver Howard Warner and his mechanic, James McCauley, were thrown from the machine and badly bruised.
The best time for a single lap was made by the Stearns car, driven by D. A. Rooney, who sang his big race about the 2 1/2-mile circuit in 18 minutes and 19 seconds. The actual elapsed time of the Pope-Hartford in the Oakland cup race was 3 hours 58 minutes 15 seconds.

Fast Time.
Garden City, N. Y., Oct. 23.—The fastest time ever made over the circuit on which the Vanderbilt cup race is to be decided next Saturday, was recorded in practice today by Jack Aiken, driving a National car. He finished four laps of the 12.64-mile course in 11:13, 11:21, 11:23 and 11:53, or close to 70 miles an hour average. Lee Lorimer, in a Chalmers-Detroit, also made good time, two of his laps being clocked at 11:41 and 11:31 and Harry Stillman and Ray Horton, both driving Marmon cars, made better than a mile a minute.

More Fast Time.
Atlanta, Ga., Oct. 23.—George Robertson, driving his big simplex, this afternoon reeled off five miles at the new Atlanta speedway in the remarkable time of 3:29 4/5. He then made a mile in 46 seconds. Robertson's time clips 11 seconds off the record made at Indianapolis by Barney Oldfield in a Benz, when he made five miles in 4:11 5/19. Robertson then made two miles in 1:24 flat.

Hold Imports.
After that the Indians held the bunch from Butte and Wisconsin and only one touchdown was made, the game ending with the ball in the possession of the Indians on the 35-yard line.
A number of substitutes were put into the game by the Butte bunch during the last half. The Indians playing doggedly with only one change, that of P. Blackburn at right tackle. The summary and officers follow:

TWO BIG FIGHTERS TO HAVE POW-WOW

JAMES J. JEFFRIES.

New York, Oct. 23.—It is now definitely settled that the first big pow-wow to arrange terms and set a date for the Jeffries-Johnson fight will be held in this city Tuesday night. If a conclusion is not reached then other conferences will be held until articles are signed. Following the arrival of Jeffries from Europe it was announced that he and Johnson would first come to terms whether they would fight for a state purse or a percentage of the gate receipts, the division of the purse or gate receipts to go to winner and loser, a side bet and the date on which the fight will be held. On reaching an agreement they are to sign articles and post cash forfeits and then give the various fight promoters of the world two or three weeks in which to submit their offers for the big attraction.

One Active Badger.

James W. Coffroth is here with an offer for the fight to be held before his club at Colma, California. He has not mentioned any figure and sporting men are of the opinion that he will offer the contestants a percentage of the receipts or a purse amounting to between \$5,000 and \$75,000. Sam Perzer, manager for Jeffries, says that he has received an offer of \$75,000 for the fight itself Miller brothers, to be held at their "101" ranch in Oklahoma, but as the laws in that state prohibit such a contest the offer is not considered serious. Jeffries declines that Hugh McIntosh made an offer abroad for the fight in Australia and with Nevada yet to be heard from, Coffroth is the only active bidder.

"There is going to be a fight," said Jeffries today, "I've said that over and over again and it's rather tiresome to repeat it again. There's no doubt in my mind as to the result, either. Just now we're waiting—marking time until Johnson's representative shows up to sign the papers. We're waiting, too, for the authorized representative of responsible clubs to make their bids."
Johnson's representative is expected in New York on Tuesday. Jeffries is spending his time quietly.

over 15 years and few shortstops had anything on him when he was in his prime.
Several major league clubs are trying to sign Joe McGinnity for next season. The "Iron Man" did fine work for Newark the past season.

If there is anything in Hominy Creek, Buncombe county, North Carolina, that Hamilton Hyatt of the Pittsburgh Pirates would like to have all he has to do is to nod his head.
Altoona, Harrisburg, York and Trenton, of the Tri-State league, are all scouting for new managers for next season.

In 1,916 games played during the past 16 years, Fred Clarke of Pittsburgh has a batting average of .301.
Tris Speaker proved to be the star of the post-season games between the Boston Red Sox and New York Giants.

"Ducky" Holmes, who has just sold the Sioux City club, claims to have cleared over \$30,000 during his four years in the Western league.
By signing a two-year contract to manage the Bronchos, John Gansel has set at rest the rumor that he was to leave Rochester.

FOOTBALL NOTES

Lilley of Yale has been playing better at guard than he did at tackle.
Cunningham of the Princeton eleven is doing great work at kicking field goals.
Messenger, star of the Yale freshmen last year, is making good with the Eli varsity squad.
Once more the University of Michigan faculty has refused a training table to the football team.

Four southern colleges—Cumberland university, Millsaps college, Alabama Presbyterian and Mississippi college—all of which abolished football several years ago, have sanctioned varsity eleven this fall.
Fordham has two great players in McCarthy and McCaffrey, the ends.
Van Voorhis of Penn state looks to be one of the star kickers of the season.
Captain Alerdiee has been making the best showing in the Michigan squad this season.
Princeton and Dartmouth will meet again this fall, but at Princeton instead of at New York.
Carlisle has almost an entire new team this season and will no doubt feel the loss of the former Indian stars.

WITH THE FIGHTERS

Abel Atwell will give Patsy Kline another chance. They are to meet in Baltimore October 30 for 15 rounds.
Frank Mantell, the Pawtucket middleweight, has accepted an offer to box Bill Papke in Philadelphia next month.
Sam Langford would like to meet the winner of the Kaufman-O'Brien bout, which is to take place in Philadelphia October 27.

SOUTH-SIDERS WIN.

In a hotly contested, but rather one-sided game of football on Montana field yesterday afternoon, the Roosevelt school sent the Central school down to defeat to the tune of 18 to 0. The game was remarkably well played for youngsters and both eleven showed surprisingly good team work. Pressout, Whaley and Napton starred for the winning team, each of them

going over the line for a touchdown. Twenty-five and 20-minute halves were played.

CONTEST CONCLUDED.
Blackpool, Oct. 23.—The aviation contests were concluded here today. Henry Farman carried off the chief prizes of the week, including the grand prize of \$10,000 for the longest flight and a prize of \$2,000 for the fastest three laps of the course. Herbert Latham won the prizes for general merit and the slowest circuit.

MORE BARNSTORMERS.
Detroit, Oct. 23.—With outfielder Matty McIntyre in the role of manager, a dozen members of the Detroit American league team left here tonight for Havana, Cuba, to meet two Cuban ball teams in a series of 12 games.

WILL AGAIN LEAD TIGERS.
Detroit, Mich., Oct. 23.—Hugh Jennings today signed a contract to continue as manager of the Detroit club during the season of 1910. It is understood the manager's demand for an increase in salary was compromised.

GREAT IMPORTANCE ATTACHES TO MEETING

St. Petersburg, Oct. 23.—Russian and foreign diplomatic circles ascribe great importance to the meeting at Harbin on October 26 of M. Kokovsov, the Russian minister of finance, and Prince Ito, president of the privy council of Japan, although the exact motives impelling Japan are not known. The subjects to be discussed were not suggested in the Japanese overtures, and M. Kokovsov, in accepting the invitation to meet Prince Ito, barred political questions. He said that he was competent to discuss only financial and technical subjects, these covering the status of the Manchurian railroad, which has proved such a financial incubus.

RACETRACK MATTER BEING CONSIDERED

El Paso, Texas, Oct. 23.—The international reform bureau has taken up the matter of race-track concessions in Ciudad Juarez, opposite El Paso, and is attempting to have the state department intercede with Mexico in the interest of having the concession annulled. This same bureau inaugurated a campaign against racing in Lower California, which was successful. As in the case here, the race course was established just over the international line to draw the American men and horses and avoid the American law.

GLAD OF CHANGE.
Topeka, Kan., Oct. 23.—A special to the State Journal from Lawrence says Dr. Frederick A. Cook wired Professor L. L. Dyche from Duluth today as follows:
"Will be pleased to have you join Mt. McKinley expedition. The details of that expedition will be undertaken shortly."
Professor Dyche wired his acceptance.
