CAUGHT ON THE RUN ABOUT TOWN

It is always good to have Sam Dinsmore come to Missoula; the town seems more like home when he is here. There is an added reason why Sam's present visit is pleasing to his friends; it settles forever the doubt which many of them have felt ever since they heard the report that Sam was married. For Mrs. Dinsmore is here; she has come with Sam and she is welcomed cordially; she would be welcomed for Sam's sake anyway, but as soon as Sam's friends meet her they welcome her for her own sake and are glad, again, that she has come to see Missoula for herself and to learn what a good place it is. If Mrs. Dinsmore likes Missoula as well as Missoula likes her, it is a safe bet that the Dinsmore family comes to the best city in the world to live. In the meantime Mr. Dinsmore is looking over his old stamping ground and is showing Mrs. Dinsmore the old landmarks. They will remain in the city for several days.

There was a genuine surprise last night when it became known that Charles F. Dorman had resigned his position as manager of the grocery department of the Missoula Mercantile company, the resignation to take effect at the end of this month.

Mr. Dorman confirmed the report and announced that he has purchased an interest in the Worden grocery store and, with G.W. Worden, will move to Higgins Avenue, where the new firm has secured a good location and will enter business early next month. The details of the plans of the new concern will be announced later. It will not seem natural to call at the grocery department of the Missoula Mercantile company and find Mr. Dorman gone; he has been connected with the store for nearly 22 years and he knows what everybody wants in his line; he has filled orders so many times that he will be greatly missed by the patrons of the store, but all of them will wish him abundant success in his new venture and everlasting prosperity wherever he goes and whatever he does. He is of the salt of the earth and a charter member of the Union club. The only change that was ever made to stick against him was that he was born in New Brunswick, but, as he never ran for office, this has not counted seriously. He remedied the defect as soon as he could and came to a good town; that he has elected to remain here, now that he engages in business for himself, is an compliment to the city that is appreciated. He will succeed, for he knows the business from sugar to ham and he knows the people. That is a combination that is hard to beat.

The Florence laundry yesterday occupied for the first time its new quarters in the corner of the block and the machinery of the splendid new plant moved as perfectly as if it had been in operation for months. In the entire west there is not another such a laundry as this, and Mr. Chaney and his manager, A. A. Howard, are to be congratulated upon the improvement in the conditions attending their business. Everything about the plant is of latest pattern and most modern construction; electricity is used wherever it is possible in the plant and its application extends from one end of the process to the other. The arrangement in the office and show rooms on the ground floor of the building is complete and attractive and interests the spectators who watch the process through the big plate windows; but in the basement where the scrubbing and drying and heavy work are done, there is much more to interest those who visit the new plant. The newest was none too new and the best was none too good when the equipment for the plant was selected and the result is a perfect laundry. And so they pronounced it who yesterday witnessed the initial run. It was worth seeing.

At the warehouse of the Day Commission company, on West Main street, yesterday Manager Day was engaged in handling what is without doubt the finest shipment of apples that ever came from a Missoula county orchard. The fruit came from the old Williams ranch, on the Rattlesnake, now owned by the water company, and included McIntosh Reds and Northwest Greenings. It was the quality of the apples and the admirable manner in which the fruit was packed that made the display so attractive. The sorting of the fruit had been done perfectly and the packing left nothing to be desired; the apples brought the top price and were worth it. Some of them have been selected for exhibition purposes and will be sent east. The fruit itself is fine, but it is the packing that makes it show to such excellent advantage. Mr. Day is becoming an ardent admirer of the McIntosh Red. So would anybody who looked at the lot of apples he had in the warehouse yesterday.

GOOD BILL COMES TO GRAND THEATER

Marie Reese, comediast, with a select repertoire of musical numbers, Roberts & Allen, comedy sketch artists of the capable order; Lindstrom & Allen, knockabout duo, carrying a comedy act entitled "Nip and Tuck" and the usual run of live motion pictures will constitute the program to be presented to the patrons of the Grand theater Monday evening. The people who will appear in the various acts have all won praise from audiences in other cities and no doubt will please equally as well in Missoula.

BUMPER WHEAT CROP NEAR DRUMMOND

THE MORRISON RANCH FURNISHED A GREAT DRY FARMING DEMONSTRATION.

Drummond, Nov. 6.—The bumper crop of Granite county this year was threshed on the ranch of H. Morrison, three miles east of this place, and the figures furnish good material for the dry farming men and are also a good boost for the bench lands of Flint creek valley. The Morrison crop was all grown on high bench land according to dry-farming methods. The wheat threshed 17,027 bushels, of which 15,097 bushels were Turkey Red wheat; this weeks 2,000 bushels of this grain were shipped by Mr. Morrison to the Bozeman Milling company; it is of excellent quality and is in great demand.

The field which was measured for the record embraced 220 acres; from this land Morrison harvested and threshed 957 bushels of the Turkey Red wheat, an average of 45.25 bushels to the acre. This fall Mr. Morrison has planted 700 acres in Turkey Red and the crop at this time is in prime condition. It is predicted that the record for next year will be even better than this season's showing.

Cats was threshed on the Morrison ranch this fall that gave returns of more than 40 bushels to the acre. The crops were all cultivated according to the dry-farming methods and the results have attracted no little attention here.

Speaking of his experience, Mr. Morrison says: "In my opinion, Granite county has an excellent opportunity to become noted for her winter wheat. Placing our acreage at a very conservative figure, we have 20,000 acres of bench land which will produce good hard wheat under dry-farm cultivation. There will be within a few years a good opportunity for the establishing of a flour mill in operation the year around; and the wheat is of fine quality. My land this year has shown what quality can be produced. The man who gets hold of a good upland tract here is getting a good thing."

LAST OF THE MONTH COMES BAZAAR

DATE IS ANNOUNCED FOR ANNUAL EVENT OF WOMAN'S CLUB—A PROGRAM.

In the absence of the president and vice president, Mrs. J. W. Reedy presided at the meeting of the Woman's club yesterday afternoon, the music department having charge of the program with Mrs. E. A. Winstanley in the chair. The opening number was "Home, Sweet Home," which was rendered by the club, with Mrs. Agnes Lombard accompanying on the piano. A piano solo, "Wedding Day" (Greig), was beautifully rendered by Miss Bernice Berry, and as an encore she cheerfully responded with "If I Were a Bird." The story of how Julia Ward Howe wrote the "Battle Hymn of the Republic" was really one of the most interesting papers ever read before the club, the subject being ably presented by Mrs. Hiram Knowles, who recited the poem and also gave an interesting history of the author and her life and the source of inspiration of the hymn which is one of the classics of American literature.

"Drink Me With Thine Eyes," an English folk song, was splendidly rendered by Mrs. E. A. Winstanley, Mrs. Agnes Lombard accompanying on the piano. A piano solo, Chopin prelude in A flat, by Miss Maude Wilkins was very much enjoyed.

The literature department will meet with Miss Minnie Spargson in the corner of Homes at 2:30 o'clock Monday afternoon. All those wishing to go will meet at the home of Mrs. T. A. Wickes, on University avenue at 2:15 o'clock sharp.

The music department will meet with Mrs. J. W. Shryock at the home of Mrs. H. C. Hollenbeck, 220 South Third west, Monday afternoon at 2:30 o'clock.

The entertainment committee having in charge the proposed bazaar for the club reported that good progress was being made. Sub-committees have been selected for the various booths. The supper booths will be in charge of Mrs. W. H. Smith, who has secured the assistance of several active members of the club. There will be all kinds of fancy work and use articles and everything in the cookery line for sale. The bazaar will be held November 29, 30 and December 1, the place to be announced later.

MONS NELSON BURIED.

MISS CARRIE MOBERG IS MRS. SODERQUIST

Miss Carrie Moberg became Mrs. August Soderquist at a pretty home wedding last evening at the residence of Mrs. Anton Dolm, 715 South Fourth street west. The ceremony was said by Rev. A. V. Anderson in the presence of a number of friends of the contracting parties. The couple stood under an arch of smilax and was attended by Miss Hannah Moberg and Claus Sacriston. The bride and the bridesmaid were gowned in white silk. An elaborate wedding supper followed the ceremony. The table was tastefully decorated. Mr. and Mrs. Soderquist have many friends in Missoula and their married life begins with the brightest of prospects.

SPENCER'S Correct Clothes for Men and Women

SUNDAY SCHOOL PARTY AT EPISCOPAL RECTORY

The Halloween party given by Rev. and Mrs. Lennie-Smith to the members of the Episcopal Sunday school, at the rectory Saturday afternoon from 3 to 6 o'clock was a most delightful and unique affair. The large and spacious rooms were darkened and decorated with quantities of candles, jack o' lanterns, fierce black cats and red witches. Two witches in costume, with the proverbial brooms, were impersonated by the Misses Whitaker and Struck, while Miss Marjorie Maxwell opened the future to the little folks. Delightful games were played and lovely favors were gotten by fishing in the seething and bubbling cauldron, presided over by the witches. Promptly at 5 o'clock the doors of the dining room were thrown open and the children marched in by couples, and were seated at small tables, beautifully decorated. The table favors were small black cats, cunningly stuck in the world-famous McIntosh Reds. A delicious luncheon was served. Mr. and Mrs. Lennie-Smith were assisted by Messames Kellogg and Aylen and the Misses Whitaker and Struck.
