## This Interests You

Whether you are a merchant or a common laborer, whether you own the house you are living in or renting it. It interests you whether you are a hot-footed booster to have Missoula grow, or a clammy one. You cannot find anything that will make a big town grow quicker than to let it be heralded to the world. This is a great mining camp so don't forget to boost the properties that are nearest to Missoula. Will sell:

Ben Har	8c
Eddy	10c
Monitor	16c
Missoula Copper	5c
Copper King	5c
Copper Crown	10c

We have several lead-silver properties for sale. These are unincorporated and well worth looking into.

### 50,000 Mark

That is just what we want to make it—50,000 population, 50,000 trucks, which means 4,000 dozen. To do this it will take a force of 150 men; with 5 persons to a family means an increase of 750 people. But bear in mind also what this is to Missoula—a large pay roll, freight coming and going, and money coming from all parts of the northwest. Boost manufacturing and you boost the town. What think you?
