

MARKET MOVEMENTS OF THE DAY

New York, Nov. 20.—The decision of the United States court at St. Paul against the Standard Oil company of New Jersey, declaring that corporation illegal and ordering its dissolution, was the one great feature of today's stock market. The news was evidently unexpected, and had the effect of turning a very active market into one of extreme weakness.

Electropodes Do Wonders For Stomach

Remarkable Electric Device To Produce Wireless Current That Quickly Restores Diseased Stomach and Other Organs.

A Real Treatment For Rheumatism. We want to call the attention of our readers to a remarkable electric device which seems already to have exploded many pet theories of physicians and scientists, and to have produced positive wonder to those who have used it. This new invention is called Electropodes, which comes in pairs—both producing together, it is stated, an unnoticeable yet effective current throughout the entire body, permeating the vital organs, purifying and correcting diseased conditions, regulating vital functions, and strengthening the nerves almost beyond description.

After the summer is past and there are no more hot, stuffy days, this is the time when fat people should be thinking about reducing their weight and should stop making the fat that is such a burden to them. The best way and the easiest way is the one about which so much has been said and written this past year. This way is the Marmola way. The famous Marmola prescription has been prepared in tablet form. These little tablets contain nothing but the elements that go to change the things which produce fat into good, strong blood, nerves, tissues and bone. More than this, these tablets absorb and remove the fat remaining at the rate of from 12 to 15 ounces per day. You must not confuse Marmola tablets with harmful patent drugs, and harmful reducing methods. These tablets go into your stomach just like the food you eat. They build up the juices of the digestive organs and correct these juices so that they produce no more fat. They are harmless, yet thousands of men and women all over this land today are of firm figures and normal size because of these little tablets. This is why every druggist everywhere carries them in stock and will sell them to you. If your druggist does not have them, or you would rather send 75 cents, the price of a case, to the Marmola company, Dept. 527, Detroit, Mich., they will send them to you at once in a plain package, postage paid. Kills Her Foe of 20 Years. "The most mercurial enemy I had for 20 years," declares Mrs. James Duncanson, of Haynesville, Me., "was Dyspepsia. I suffered intensely after eating or drinking and could scarcely sleep. After many remedies had failed and several doctors gave me up, I tried Electric Bitters, which cured me completely. Now I can eat anything. I am 70 years old and am overjoyed to get my health and strength back again." For Indigestion, Loss of Appetite, Kidney Trouble, Lame Back, Female Complaints, it's unequalled. MISS MOLLIE COREY BECOMES MRS. MOSS

Yesterday afternoon at 3 o'clock Rev. Henry Van Engelen, pastor of the Baptist church, in the presence of a few intimate friends of the contracting parties, united in marriage Miss Mollie Corey and Henry Moss, both well-known young people of the reservation. The ceremony was performed in the parlors of the Shapard hotel. The groom is a resident of Alice, but became acquainted with Miss Corey when he was working on a new bridge at Havall. Mr. Moss is the son of "Sagebrush Bill" Moss, one of the well-known cattlemen of the reservation, and is a native of the Flathead. His bride resided at Ravall for some time. They have a host of friends who will be surprised to hear of their marriage, as the event was consummated with the greatest of secrecy. They will probably take a honeymoon trip to the coast.

DESERTER IS ARRESTED.

Louis Jack, alleged to be a deserter from the Sixth infantry at Fort Missoula, was arrested last night by Officer Ekker. The man was formerly a reporter for the post newspaper and left the city on furlough in the retinue of "Princess Tarpeia," a vaudeville performer. He overstayed his leave and is also alleged to have disposed of a government gun. He returned to the fort and was placed under guard, but escaped a few days ago. He returned to the city yesterday and is now in the city jail, awaiting the arrival of the fort officials.

MARRIED WOMAN HE NEVER SAW; SORRY

North Yakima, Wash., Nov. 20.—Married to a woman he never saw before nor since the ceremony was performed, in the parlor of a hotel in Seattle, on November 1, is the strange experience of F. M. Stipp, a widower living at North Yakima, Wash., who sought to file an action for a divorce in the superior court of Yakima county. The complaint was not filed for the reason that Stipp had no counsel and the prosecuting attorney would not order the clerk of courts to put it on record. Stipp alleges that he does not know the name of his wife, also disclaiming having acquiesced in the proceedings. He says the ceremony was performed while he was seated in the hotel parlor reading. Three men and a woman entered the parlor and went through a marriage ceremony, in which he was made the bridegroom. The party left the room soon afterward and he has not seen the man or woman since, but fears an ulterior motive in the strange action of the quartet. Stipp's wife died 20 years ago, and he declares, he has no desire to marry a second time, but if he does he wants to know something about his wife, at least to become familiar with her name.
