## Have You Watched the Fluctuations of Stocks the Last Few Days?

If so, you have noticed the steady advance in dividend-paying stocks and the steady decline in prospect stocks. There is a limit to all things and this change is sure to come soon in the stock market and good prospect stock will be in demand. I quote a few which are considered and should be good buys at this time:

Ben Hur, Eddy, Monitor, Missoula Copper, Copper King, Copper Crown, U. S. Fuel Briquette Co., Moon Creek.

The Eddy company has some particularly attractive offerings to make at this time. Come up and see what they are.

I have buyers for Lucky Calumet, Monitor, Missoula Copper, Stewart, Copper King, Reindeer.
