

Dreamland Is Now Ready

On our third floor is a wonderful, beautiful pageant of gift things for boys and girls, as well as thousands of other appropriate tokens of fond remembrance for their papas, mamas, big brother and his sweetheart. Biggest and grandest ever arranged for the people of Missoula. The doors are open wide. Everybody come.

The first chimes of Yuletide ring clear and far from Dreamland. Let every man, woman and child within their hearing respond to their call. The little ones cannot withstand the temptation to come and see the beautiful dolls, hundreds upon hundreds of blue-eyed dollies, with golden hair and rows upon rows of black-eyed ones with raven ringlets. There's railroad trains with miles and miles of track, real engines, automobiles, rocking horses, coasters, dancing Teddy bears, performing clowns, funny acting toys, and books of every kind galore. And oh! the many other things we haven't room to mention. Come and see them for yourself. Bring the youngsters and let us all revel in Dreamland.

Join the Crusade of Early Christmas Shoppers

Many people are misled by the idea that prices are radically lower on those days next preceding Christmas day, or, through neglect, wait to make their purchases until then. It's all a mistake. Buy now, while stocks are new, clean and attractive. Many pretty and enjoyable things will be soiled, broken or rendered less lovely by much rough handling before Christmas; besides, who enjoys presents that have been picked over time and time again. Buy now and have them set aside.

WE STORE ANYTHING FOR YOU UNTIL SUCH TIME AS YOU MAY CALL FOR IT. TAKE TIME IN YOUR SELECTIONS. HURRIEDLY CHOSEN GIFTS ARE NOT NEARLY SO WELL APPRECIATED. BE EARLY TO DREAMLAND.
