FURIOUS FIGHT GOES TO THOMPSON
SYCAMORE CYCLONE EARNS 10th ROUND DECISION OVER DICK HYLAND.
Kansas City, Dec. 17.—After 10 rounds of furious fighting, "Cyclone Johnny" Thompson of Sycamore, Ill., was awarded the decision over "Fighting Dick" Hyland of San Francisco tonight. Thompson easily deserved the verdict. He rushed the battle from the start and forced Hyland into clinches time after time. Using his vicious right to the jaw to good effect, the Sycamore farmer tormented the Pacific coast boy repeatedly. Had Hyland been a fighter of slower recuperative powers, he would have been knocked out in the fifth round. Twice with hard right swings to the jaw Thompson sent his man to the canvas. The first time Hyland took the count of eight and the second knock-out kept him down nine seconds. He came back strong, however, and, although Thompson tried hard to land a knock-out punch, he failed.

Fast All the Way.
The battle was fast from start to finish, with much infighting. By previous agreement, the men were permitted to fight in the clinches as long as either could swing, and this kept them close to each other the greater part of the contest. Hyland landed many blows in the infighting, but they were not as powerful as those Thompson delivered in the breakaway. Mrs. Hyland was a spectator, although few people knew she was present. The gate receipts were estimated at \$4,500. Sixty per cent of this went to the boxers, who divided it on a 60 and 40 per cent basis. Betting was at even money. Thompson offered Hyland \$200 to \$400 he would knock him out, but Hyland refused to take the bet. Clarence Owens, American association baseball umpire, refereed. The fight by rounds:
Round One.
Both men bored in at the outset. Hyland landed the first good blow, a right to the body. They clinched and exchanged rights and lefts to the body without effect. Round even.
Round Two.
They rushed to a clinch and, in the breakaway, Thompson landed a good right to the jaw. Hyland fought back with vicious body blows, Thompson missing a hard right to the jaw. In a clinch Hyland hammered Thompson's kidneys. Hyland landed a hard right to the body and left to the jaw. Thompson sent a right to the jaw and Hyland retaliated with right to heart. Hyland's round.
Round Three.
Thompson rushed to Hyland's corner and sent right to body. Thompson landed right swing to body and followed with stiff right to head. Thompson sent hard right to jaw, jarring Hyland. Thompson sent right to jaw, staggering Hyland. Thompson sent a succession of rights to the head. Hyland hammered at Thompson's kidneys. Thompson's round.
Round Four.
Thompson was at Hyland as he rose from his chair. Hyland clinched for a moment and then drove right to jaw. Thompson sent right to body and they clinched again. Hyland sent right to body and they clinched. Thompson peppered his opponent's jaw with rights and Hyland landed two hard rights to the jaw. Round even.
Round Five.
Thompson led with a stiff right to jaw. A second blow of the same kind sent Hyland to the floor for a count of eight. A third right on Hyland's jaw sent him down for nine seconds, but he came up strong, and a half dozen more rights delivered by Thompson did not seem to hurt him. Thompson tried hard for a knock-out, but did not have the necessary punch. Toward the end of the round Hyland used rights to stomach and head with good effect. Thompson's round.
Round Six.
Anita Thompson rushed things and missed a right for the head. They clinched. Hyland sent right rights to jaw and Thompson sent several lefts to body. Thompson drove stiff right to jaw. They clinched and pulled each other around the ring. Round even.
Round Seven.
Thompson put a stiff left to the mouth. Hyland sent left to jaw. Thompson drove good left to jaw. Thompson bombarded Hyland's stomach with a succession of rights. Thompson rushed Hyland to the ropes and was planting rights and lefts to the body when the gong rang. Thompson's round.
Round Eight.
They rushed to a clinch, Thompson forcing the fighting. Thompson drove right to jaw. Thompson landed stiff right to neck. Hyland forced a clinch and did good infighting. Thompson put right to jaw and Hyland hung on. They fought hard to the end of the round.
Round Nine.
Thompson landed two rights to jaw. Hyland retaliated with left to jaw. They clinched and delivered body blows as they wrestled around the ring. Hyland was tired. Hyland put right to body. They clinched and the referee cautioned Hyland for holding. They were fighting when the round ended.
Round Ten.
Thompson rushed in to win and landed two rights to the jaw. Hyland closed in and Thompson landed several good body blows. Hyland landed stiff right to ribs. Thompson chased Hyland around the ring, but failed to land. Hyland drove right to jaw and landed several body blows. Thompson sent right to jaw and Hyland sent left to body. Thompson slipped to the floor and they were in a clinch when the round ended.

HEYDLER'S CHANGES IMPROVE DEADLOCK IN NATIONAL LEAGUE MAY RESULT IN RETAINING PRESENT INCUMBENT.
New York, Dec. 17.—After taking three ballots, which showed a continuation of the deadlock, the third session of the annual meeting of the National Baseball league adjourned tonight until tomorrow morning. The three ballots stood: For John M. Ward, four; for W. B. Brown of Louisville, four. The most significant feature of the meeting was the introduction by Garry Herrmann, president of the Cincinnati club, of a telegram from Ean B. Johnson, president of the American league, which was as follows:
"The American league club owners have left New York. This should indicate that we do not wish to interfere or embarrass to the slightest degree your organization in the election of an officer."
Has Johnson Given In?
After the four-hour session President Ebbetts of the Brooklyn club announced that it was the sense of the magnates that Ban B. Johnson recede from his avowed not to sit on the national commission if Ward were elected president of the National league, a position he assumed as an ardent advocate of the re-election of John A. Heydler. Ebbetts announced further that, if the eight presidents did not break the deadlock, they must either appoint a regency, such as formerly existed, or appoint one of their number to act as president.
The vote for Brown is not taken seriously. Only two of the clubowners know him personally. Heydler is not considered out of the race. The Herrmann-Dreyfuss faction still insists that they are for Heydler if there is a chance for him to win. If not they are for anyone except Ward. It is considered almost certain that if an agreement is not reached after three hours tomorrow, the election will be postponed indefinitely. It is rumored that Stanley Robinson of St. Louis can obtain sufficient players to make an almost pennant winning club if he will vote for either Ward or Heydler.
The move of Garry Herrmann, in bringing forward the name of Robert W. Brown of Louisville for president yesterday, instead of Mr. Heydler, was regarded as an extremely strategic one. Inasmuch as it assured Mr. Herrmann and his friends the absolute support of Stanley Robinson, who favored Mr. Brown. As the day wore on prospects of a break in the deadlock over the presidency did not improve. Statements of some of the magnates made it look as if each of the two sides to the controversy was more bitter than ever. Garry Herrmann, president of the Cincinnati club, declared that an iron-clad agreement had been reached by Brown's supporters not to vote for Ward under any circumstances.
"The Pittsburg, Boston and Cincinnati clubs representatives have pledged themselves not to vote for Ward, whatever happens," said Herrmann. Ward cannot possibly be elected.
"Then if his supporters stick together there can be nothing but a deadlock," was asked.
"That seems to be about the size of it," replied Herrmann.
It was understood that the anti-Ward men got together today in conference to decide their future course. No one showed any signs of weakening and the adoption of the policy to stand pat against Ward was cheerfully taken.
Heydler's Stock Takes Broom.
Heydler's stock took a sudden boom this afternoon when it became known that the National league by-laws had received an important amendment. Finding themselves deadlocked over the election of a president, the members yesterday voted that in the event of a vacancy in the presidency, either from death, resignation or failure to elect the directors would be empowered to name a resident to act until the league members should have a chance to elect. Since the directors of the league are Dovey of Boston, Herrmann of Cincinnati, Dreyfuss of Pittsburg, Murphy of Chicago and Ebbetts of Brooklyn, and the first names of three are Heydler men, it is evident that if the meeting proves hopelessly deadlocked, Heydler might be chosen as his own "acting" successor and hold office indefinitely, as long as the representatives remain the same and retain their present opinions.

RECORDS ARE LOWERED IN FREEZING WEATHER
Indianapolis Motor Speedway, Dec. 17.—Facing against a freezing wind, "Johnny" Aitken in a National type broke all world records for distance of from one to twenty miles at the Indianapolis motor speedway. So severe was the cold that lubricating oil on some racing machines froze and forced the contestants to quit. It is probable that no attempt will be made to run the scheduled events tomorrow, because of the weather. Aitken ran 20 miles in 16:13.41. Time: Five miles, 4:06:58; 10 miles, 8:12:19; 15 miles, 12:17:01.
Christie ran a quarter of a mile in 3:73, thereby setting a new American record for the distance. This was a rate of 102 miles an hour. Strong established a new record for the Indianapolis motor speedway when he drove his giant car one mile in 49.81. The previous record for the speedway was a mile in 43:06, established by Barney Oldfield.

MARKET MOVEMENT OF THE DAY
New York, Dec. 17.—A state of neglect, such as the stock market fell into today is sometimes ascribed to "holiday dullness." It was not entirely free today from a feeling of disquiet as being due possibly to some unfavorable factor underlying the situation. The continued strength of the metal exchange kept attention on the possibility of sugar exports. The promise of a substantial increase for the week in New York's cash in banks was grateful and the appearance of the preliminary estimates of the week's currency movements was followed by a decided show of strength in stocks. The effect of the increase of the Louisville & Nashville dividend proved more striking than did the Reading increase. Not only did that stock itself advance, but Atlantic Coast line benefited from its holdings of a majority of the Louisville & Nashville stock, while its collateral bonds jumped a full 19 points. Supplies offered in the money market implied a steady after the publication of the week's currency movement. Large sums were placed on call at 5 per cent carrying over until Monday. The bid price on 90 days and six months loans fell to 4-1/4 per cent. This was considered the more significant in view of the payment due tomorrow of a \$25,000,000 installment on subscriptions to new Pennsylvania stock.
Bonds were irregular. Total sales, par value, \$6,949,000.
United States 2's coupon advanced 1-8 and the registered 2-3 per cent on call.

Will Never Fight THE UNITED STATES
Washington, Dec. 17.—A brand new diplomacy was today inaugurated on the part of the Japanese people to dispel all thought of war between that nation and the United States. Masuda Miyakawa was the unofficial diplomat without credentials and without responsibility to any of the usual authorities to which diplomats bow. This new diplomacy was embodied in a lecture delivered here tonight. An essential feature of the lecture was a recitation adopted by the school children of Tokio in which they declared they would never raise a sword against the United States and that they would emulate the example of the boys and girls in the public schools of America.

DECREASED RECEIPTS PROVIDED BY BUDGET
Tokyo, Dec. 17.—The budget estimate for 1910-1911, as given out today, inaugurates a new adjustment of taxation that decreases estimated receipts \$2,000,000. Extraordinary expenditures of the war department are reduced \$4,000,000. Estimated expenditures are announced at \$267,000,000, which includes \$12,000,000 for war and \$27,000,000 for the navy. Receipts are estimated at \$265,000,000, of which taxes will contribute \$141,000,000. It is announced that \$11,000,000 will be devoted to industrial development and to continuing the policy of the Katsura government.

CONDITIONS BETTER GOVERNOR DECLARES
St. Paul, Dec. 17.—Governor Eberhart said today that conditions in the switchmen's strike appear to be improved, though not normal. It was his opinion that, even were the strike declared off immediately, conditions could not be made normal probably for more than a month on account of the freight congestion. Governor Eberhart said that he would make no effort to bring strikers and railroads together unless his reports show that conditions are serious enough to warrant it.
Many persons find themselves affected with a persistent cough after an attack of influenza. As this cough can be promptly cured by the use of Chamberlain's Cough Remedy, it should not be allowed to run on until it becomes troublesome. Sold by all dealers.

CHANGES IN WESTERN.
Wichita, Kas., Dec. 17.—John Holland, formerly manager of the Wichita Western League team, today completed the purchase of the Pueblo Western league franchise and team of 12 players. He paid \$5,500. The franchise will be transferred to St. Joseph, Mo. Frank Isbell, who with Holland owned the Wichita team, has purchased Holland's interest. Isbell will ask for his release as a member of the Chicago White Sox team and will manage the Wichita team next season.
New Telephone Directory.
The November issue of the Rocky Mountain Bell Telephone company's directory is now being delivered to subscribers. The book contains the lists of subscribers at all the exchanges in this neighborhood, the lists of points connected by long distance telephone and the usual instructions and suggestions for the use of telephone subscribers.
