BUSY PERIOD BEGINS AT STATE UNIVERSITY

Classes will resume their work at the University of Montana Monday morning, after a recess of 18 days. This is the beginning of the long stretch of academic work, for there will be no more vacation, with the exception of state holidays, until the close of the college year in June. The first semester closes the last of January and the second semester will begin at once.

There will be at least 50 new students on hand Tuesday to register for the short course in forestry. The presence of this number of men will have an appreciable effect on college activities in addition to the additional work of instruction to be given by the members of the faculty.

There will not be a period of dullness during the winter months on the campus. The coming of the forestry men and the branching out of the work of the institution into extension courses mean a lot of hard work. The putting into operation of the major department system this year, the enforcement of high entrance requirements, and the two-hour study for each hour of credit standard enforced by the faculty necessitates strenuous effort on the part of both faculty and students.

A COMMUNICATION.

Editor Missoulian: In an article entitled, "Quarantine or Not?" in your valued paper of December 12th it was said, "The followers of Mrs. Eddy at that time opposed not only vaccination, but also quarantine." It stated that it occurred at Billings.

We have investigated this matter thoroughly and find that the above statement does not correspond with the facts in the case. When contagious cases have occurred they have observed the quarantine regulations.

Some years ago Mrs. Eddy gave out the following statement which shows our position on questions of this nature: "Rather than quarrel over vaccination I recommend that if the law demands an individual to submit to this process to obey the law and then appeal to the gospel to save him from any bad results. Whatever changes belong to this century or any epoch we may safely submit to the providence of God, to common justice, individual rights, and governmental usages. This statement is to be interpreted as to apply, on the basis of Christian Science to the reporting of contagion to the proper authorities when the law so requires. When Jesus was questioned about obeying the human law he declared, "Render unto Caesar the things that are Caesar's, even while you render unto God the things that are God's."

Yours truly,
WM. C. KAUFMAN.

NEW COURSES OPEN THIS WEEK

UNIVERSITY EXTENSION WORK IS TO BEGIN AT ONCE—LECTURES ANNOUNCED.

The university extension courses to be given by members of the university faculty in Missoula will begin this week. The first lecture will be given by Dr. J. P. Rowe, Tuesday evening at 8:30, this being the initial number of the course on mineralogical and geological subjects. On Thursday evening, President Duniway will start a course of six lectures on the American revolution. All lectures of the university extension course this winter will be given in the public library.

The university authorities desire that every person interested should attend these lectures. No study is required of those who attend. However, examinations will be given to those who may desire them, and certificates given for satisfactory completion of definite work.

The university extension courses will also begin in Helena this week. The initial lectures to be given January 7 and 10. President Duniway will give lectures on the American revolution and Professor C. F. Reynolds will give a course of six lectures on Shakespearean drama.

Arrangements are also in progress for the giving of one or more courses of lectures in Billings. The matter is being taken up actively by Superintendent E. G. Young, the city teachers' association, and by the authorities of the Butte parochial schools. It is also probable that President Duniway will give a course of extension lectures in Billings during the winter.

PASTOR AND PEOPLE

First Congregational. Rev. Dwight S. Bayley, pastor, residence 1007 South Fifth street. Morning worship, with the observance of the Lord's Supper and reception of new members at 10:30 a. m. Sunday school at 11:50 a. m. Christian Endeavor meeting at 6:30 p. m. Evening worship, with preaching at 7:30 p. m. Subject of the sermon: "Joshua, the Father of His Country." Good music and spiritual helpfulness at both services. You are invited to worship with us.

Christian. Corner Cedar and Washington streets. Rev. W. H. Bagby, pastor. Sunday school at 12:30 and Christian Endeavor at 6:30 p. m. Regular church services at 11 a. m. and 7:30 p. m. Subject of morning sermon, "New Year Resolutions," the evening sermon will be the first in a series of "New Testament Characters." John the Baptist will be the first. It is the earnest desire of the pastor to see all the members of the church present in these first services of the new year. He has something to say in the morning sermon that every member should hear. The public is cordially invited.

Baptist. Corner of Harris and Spruce streets. Rev. Henry Van Engelen, pastor. Preaching at 11 a. m. and 7:30 p. m. Sunday school at 12:15 p. m. and 11 p. m. at 6:30 p. m. "A Common-sense Program for the New Year" will be the subject of the morning sermon; evening subject, "The Worship of Song." A variety of excellent music will be furnished by the choir under Mr. Harratt's direction. The male quartet will sing in the evening. This being the Week of Prayer, devotional services will be held each night in the lecture room, except Saturday night. A hearty welcome is extended to the public.

First Methodist. First Methodist-Episcopal church, East Main and Washington streets. James W. Taft, pastor, residence 216 East Main street; phone No. 20. Preaching at 10:30 a. m. and 7:30 p. m. Rev. Edward Laird Mills, district superintendent, will preach both morning and evening. Sunday school at 12 o'clock. Epworth league at 6:30 p. m. The school in the daily addition church meets at 2 p. m.; also evening service at 7:30 p. m. It is invited to attend these services. A cordial welcome and a profitable hour are promised to all comers.

Swedish Lutheran. The Swedish Lutheran church, 430 Alder street. Rev. A. V. Anderson, pastor; residence 528 North Third street. Morning service at 10:45 a. m. Sunday school and Bible study class at 12 m. Evening service at 7:30 p. m. Special music at the evening service.

Christian Science. First Church of Christ, Scientist, corner of Pine and Pattee street. Sunday morning service at 11 o'clock; subject of lesson-sermon, "God." Sunday school at 12 o'clock noon. Wednesday evening testimonial meeting at 8 o'clock. All are cordially invited.

Episcopal. Episcopal church, corner Adams and Cedar streets. W. Lennie-Smith, rector; rectory 406 East Main street; phone 353. Holy communion and sermon at 11 a. m. Meeting of Altar Chapter after service. Sunday school 4 p. m. and evening service at 5 p. m.

Presbyterian. Corner of Pine and Stevens streets. Rev. J. N. Macken, minister; residence, 320 Stevens street—Public worship at 11 a. m. and 7:30 p. m. Subject of morning sermon, "The Permanency of the Past"; subject of evening sermon, "Divine Guidance. The musical part of the service, under the direction of Professor Thomas, will be attractive and inspiring, as usual. Sunday school meets at 12:30; I. M. Robertson, superintendent. The Y. P. S. C. E. prayer meeting opens at 6:30 p. m. Strangers and visitors are cordially welcomed.

DOUBT IS SETTLED IN COURT

NATURALIZATION EXAMINER DECIDES THAT ASSYRIANS ARE CAUCASIANS.

The Missoulian yesterday printed a clipping from the Butte Evening News regarding the question of whether or not Michael Paul, an Assyrian, is a member of the white race. The following story from yesterday's Anaconda Standard finally disposes of any doubt:

According to the district court, and acquiesced in by the official representatives of the government in naturalization matters, Herraliah Michael Paul, the Assyrian whose color was disputed when he applied for final papers as an American citizen, is a white man. The race or color question was raised when it was stated recently by one of the government officers that all of the Asiatic races were to be excluded. Paul admits that he was born in Assyria, which is in Asia, but holds that he is of the Semitic race, which is white. Neither Judge Lynch nor the federal examiner took any exception to his admission as a citizen when he made his final proof today, on any grounds of color. The only thing that is keeping him from being a full-fledged citizen this first day of the year is what is holding up several others. He made his declaration of intention to become a citizen before he was 21 years of age. That was under the old naturalization law. The new law came in before the five years had elapsed between his declaration and his final application.

The question as to whether the new law shall destroy the good intentions of the juniors who had applied under the old law is before the supreme court of the United States, and a decision is expected almost any day.

SUBMITS TO OPERATION.

Miss Clara F. O'Connor, a well-known nurse, submitted to an operation at St. Patrick's hospital yesterday morning. She is suffering with appendicitis and was reported as doing nicely last evening.

BLIZZARD BREAKS TWO BIG WINDOWS

Frozen toes and frost-bitten cheeks were not the only marks left behind by the New Year's blizzard. Early yesterday morning during the first few hours of the storm the heavy wind blew in two big plate glass windows in the Ward Drug company's store in the Penwell block. The store is on the corner of South Third street and Higgins avenue and was right in the path of the storm. The wind was unusually heavy there last night and at 2 o'clock the Higgins avenue window broke in. Half an hour later the intense cold and the heavy wind broke the glass on the third story. The cold air let into the store by the broken windows caused three shoe cases to smash, one of them being filled with cigars and the other miscellaneous goods. The goods were not damaged greatly, but the loss of the windows and the fixtures is estimated at \$500.

SURGEONS PERFORM FOUR OPERATIONS

Four operations were performed by the surgeons at the Northern Pacific hospital yesterday. The most important one was performed upon James W. Criswell who is suffering from a stiff knee. Criswell is a civil engineer who has been in the field with the parties surveying for the Lolo cut-off. He cut his knee badly and while it was healing the cords became stiff. It was necessary yesterday to loosen these cords so that the knee might not become permanently rigid. The operation was very successful and Mr. Criswell is resting well. His friends will be pleased to hear of this and to learn that he will be about again before very long. Criswell is from Cambridge, Ohio.

CARD OF THANKS.

Alex MacGregor wishes to thank those who so kindly assisted him during the late sickness and death of his beloved wife.

ALEX MACGREGOR.

TO CALIFORNIA.

Mr. and Mrs. J. A. Somers and Mr. and Mrs. J. D. Watts left last night for San Francisco, where they will spend the winter months.

PRESIDENT DUNIWAY RETURNS

HEAD OF UNIVERSITY OF MONTANA AND PROFESSOR ABER BACK FROM BOZEMAN.

President C. A. Duniway and Prof. W. M. Aber of the state university are back from Bozeman, where they attended the annual meeting of the State Teachers' association. They report a splendid session of the association, large attendance and increase in membership lending fresh impetus to its work.

The result of the discussion in the department of higher education on the modification of the course of study for accredited high schools concerns the university especially. The subjects elicited a great deal of earnest discussion and a substantial agreement was reached by the principals and superintendents approving the recommendations of President Duniway. These recommendations covered two points mainly, first, an industrial course group of studies, and, second, a remodeling of the statement of subjects of study so that a common element of required subjects would appear for all courses, the authorities of the local schools to fill out the particular courses of study from an extended list of approved subjects.

The president addressed the general session of the association on the service of the University of Montana to the state. He also spoke before the meeting of the Montana Academy of Arts and Science on the life work of Richard Hildreth. Professor Aber spoke to the department of higher education.

A pleasant feature of the meeting of the association was the school-masters' club banquet attended by nearly 70 Montana men engaged in educational work. Dr. Duniway was honored with election to presidency of the club for the ensuing year, to succeed Superintendent R. J. Condon of Helena.

LOCAL BREVITIES

Smoke Wm. Hooper cigars.

Grant Spry came in from Kallispell yesterday to spend New Year's day.

THE BAND DANCE.

The members of the Missoula Junior band braved the rigors of the storm yesterday and rode by tallyho to Frenchtown, where they gave a dance in the evening. The people of Frenchtown turned out well for the occasion and a good crowd attended, despite the cold weather.

Fat Reducing Ideas Are Proven Nature's Best.

Fat is food turned into the wrong kind of material for the body. Instead of the blood taking up the food we eat and giving it to the body in the form of good, hard, sound flesh, nerve and bone, fat is thrown into the tissues and is packed around the organs and beneath the skin. This at last tears down all the vital forces of the system and destroys not only manly health and comeliness, but likewise results in death. The sure way and the best way is to take a Marmola tablet after each meal. You may then eat what you will, and when you will, and the stomach and digestive organs will turn the meal into the very kind of nourishment you most need. Fat is stopped at once and the fat you have is removed in a way that nature herself suggests, at the rate of from 12 to 15 ounces per day, and there are no flabby rolls of skin and deep wrinkles left to remind you of the days when you were fat. Every drug-gist sells these tablets, which are made after the famous Marmola Prescription. They are harmless, but thousands prove that they do reduce fat just as we say they do. If you can't buy them from your druggist or you do prefer send 75 cents, the price of a case, to The Marmola Company, Dept. 527, Detroit, Mich., and they will send same to you by return mail in a sealed and unmarked package.

What Is Breakfast Without Coffee?

But just coffee is not enough. It must be good coffee.

You are certain of that kind if you buy here.

We have had large experience in selecting coffee, and only buy those of tested quality.

This policy has earned us a reputation as "the" place to buy your coffee.

Among our finest brands is one of which we are particularly proud, as it is the result of improved processes of cooking and curing used in no other coffee.

This supreme quality coffee is

ELECTA COFFEE

A selected product of seasoned beans which makes a delicious cup of uniform flavor. If your family like coffee you owe it to them to try Electa.

Comes in tin cans. Sealed while still hot from the roaster, so that you get the real fresh flavor, full and unimpaired.

Order today for tomorrow's breakfast. The family will thank you and call for more.

A Happy New Year

The year 1909 has come and gone, marking another period of growth and progress for Missoula. To the people of Missoula and vicinity we wish to return our heartfelt thanks for their patronage and expressed good wishes. To you and through you it has been made possible to buy shoes as cheap in Missoula as in any spot or place in America. Our policy is and always will be

NO WESTERN COST; NO MONTANA COST.

With our system of buying samples and factory floor goods you can buy shoes for the family in many cases at less than actual factory cost. We always have the latest styles, being samples, and the best leathers known. Wishing you a happy and a prosperous New Year.
