The Store That  
"Makes Good"

As a straight-up business proposition, with sure gains, we know of no better investment any man can make than to buy some of our fall and winter clothing at the prices at which we are now selling it.

The remarkable success of our clearance sale is proof that most men who figure are of the same opinion. Another day of exceptional clothes-selling was recorded by this store Saturday, clearly demonstrating the fact that the greatest values, the most reliable merchandise and the fairest treatment are offered by this store.

Assortments of suits and overcoats are still good and you are reasonably sure of getting your size in a style and pattern that will please you; and you know the kind of clothing it is—"PREMIER," Hart, Schaffner & Marx and "Woolworth" makes unsurpassed for quality, style and fit, and the same in reference to the "Fad-clothes" and "Society" Brand clothes for young men, which also are included in this "Clothing Sale of High Grade and Low Prices."

**A Deluge of Davenports**  
of **Davenports**  
Drastic Price Cutting Results

It's a mighty bad and unusual mistake that does not result in some good, if only to teach one not to make the same mistake again. It was a mistake that led one furniture maker to send us double the quantity of Davenports the order called for, and the good derived from this error rebounds to your benefit in these remarkable offerings.

To make this sale as attractive as possible and to afford a variety from which selections can be made, we include every Bed Davenport and Straight Davenport in stock, embracing such makes as the "Simplicity Jamestown," "Karpis," "Daveno" and "Pullman"—all simple in construction, attractive in appearance and well made and finished.
