

MARKET MOVEMENT OF THE DAY

New York, March 15.—There was sudden flagging today in the resisting power of the stock market to depressing factors which has been its prominent characteristic for many days.

The issuance of a strike order of firemen and engineers on western railroads is the only topic to receive much discussion in the day's doing at the stock exchange.

The call money rate rose to above 3 per cent for the first time since early in January.

The weakness today was not confined to railroads, which would be affected by the firemen's strike.

Bonds were easy. Total sales, (par value) \$2,475,000.

United States bonds were unchanged on call.

Chicago, March 15.—O. L. Dickson, assistant to the president of the Chicago, Burlington & Quincy railroad, on behalf of the Managers' committee, gave out the following statement today:

"In order that the public and unrepresented commercial interests of the country may not be embarrassed or injured by the ill effects of a conflict which the firemen propose, the railroads have invoked the aid of the Erdman act, and Chairman Knapp, of the interstate commerce commission and Commissioner of Labor Neill have been communicated with and their good offices enlisted as mediators under the government law in an effort to peacefully adjust the difficulty. Messrs. Knapp and Neill have accepted and we do not see how the firemen can well refuse the proposition for a peaceful adjustment.

"The railroads feel that after having offered arbitration of the wage question, and as a last resort enlisted mediation to the difficulties through a third party, they have used every reasonable effort to avert the final break."

ONLY ONE WAY TO SHAKE IT OFF

Unhappy is the man or woman with a bad back. No rest, no sleep, no peace at all. It begins in the morning, when you get up from bed so lame, sore and stiff that it is hard to bend over to put your shoes on.

All day there is a heavy, dull, throbbing pain in the small of the back, just over the kidneys. It hurts to bend over, to lift anything or even to get up from a chair.

When night comes the sufferer retires to fitful sleep, can't lie comfortably in any one position, or turn over without a painful effort.

Don't look at backache as merely a muscular pain that will pass away with rest. There is a deeper trouble. Nine times out of ten it is the kidneys that throb and ache, and there can be no relief until the kidneys are given help.

The kidneys have a big work to do. All the blood in the body is coursing through the kidney filters constantly, to be freed of uric poisons. It is a heavy enough task when the kidneys are well, but a cold, chill, fever or some thoughtless exposure or over-indulgence in liquor, tea, beer or coffee is likely at any time to irritate, inflame and congest the kidneys and interrupt the purifying work.

Then the aching begins and is usually accompanied with some irregularity of the urine—too frequent passages, sediment in the urine, scanty, painful passages, or blood in the urine.

Thousands testify to the wonderful merit of Doan's Kidney Pills, a remedy for the kidneys only, that acts quickly, cures the kidneys, regulates the urine and drives backache out for good.

MISSOULA PROOF. William Morris, 224 First street, Island, Missoula, Mont., says: "For some time I was caused much annoyance by irregular passages of the kidney secretions and also had attacks of backache. Doan's Kidney Pills were spoken of so highly by friends that I decided to try them and procured a supply at the Missoula Drug Co. Through their use I was soon cured and since then whenever I have had a return of my former trouble, I have taken them with good results. I do not hesitate to recommend Doan's Kidney Pills to other sufferers from kidney trouble."

gathered and who cheered the former president as he mounted a "ship of the desert."

Cavalry escort. The cavalcade started with the cavalry escort in front and rear. The first stop was made at the monument erected to the 21st lancers who have received their baptism of fire.

The guides took the party to the Donga where the spearmen were concealed and described the annihilation of the lancers. Thence they went to a hill overlooking the battlefield.

Colonel Roosevelt, accompanied by Mrs. Roosevelt, Miss Ethel and Kermit, Slatin Pasha, inspector general of Egypt, Major Wilson, governor of Khartum, Prince Auerperg, Mrs. Asser, an intimate friend of Mrs. Roosevelt and others went to Omdurman on the sirdar's yacht Eflin, and from there on camels to the scene of the great battle of September 2, 1898.

An escort of Sudanese cavalry was in waiting when the yacht came to her dock and Colonel Roosevelt immediately became interested in the horsemen, who were picturesquely attired. He inspected the squad and then the party mounted camels preparatory to the seven-mile trip over dusty roads.

Innumerable cameras were focused on the Americans, who seemed to enjoy their experience no less than did the crowds who had gathered to witness the event.

This evening a dinner was given at the palace at which some 20 covers were laid, the guests in addition to Colonel and Mrs. Roosevelt and their son and daughter, including Slatin Pasha, Colonel and Mrs. E. E. Bernhard, Major P. R. Phipps, Bishop Gwinne, Sir Cuthbert Quiller and Lord Errol.

Little demand is reported for the new Arizona clip, which is arriving here in fair quantity.

Montana growers are still holding for 24@25 cents for the 1910 clip, but very little business is being done in unshorn wool in California where the shearing begins next month. Pulled wool is a trifle more active.

ACTOR IS FIRE VICTIM. Kansas City, March 15.—Charles P. O'Donnell, formerly an actor of Sedalia, Mo., is dead and Bert Sellers, a car repairer, is missing as the result of a fire that destroyed a boarding house here today.

Opponents of the use of concrete for floors in factories contend that the stone-like surface is injurious to the feet and backs of workmen and that the dust ground from the concrete finds its way into and injures machine bearings.

EDITORS ALL FAVOR PERFECT HARMONY. Springfield, Ill., March 15.—Harmony was the keynote of the annual convention of the Illinois Republican Editorial association, held in this city, and attended by about 100 republican editors outside of Chicago.

The speeches and the resolutions all asked for harmony in the party and support of the party caucuses as necessary to party success.

Congressman Charles E. Fuller, of Belvidere, made an address eulogizing President Taft and Speaker Cannon. A telegram from President Taft and letters from Senator Cullom and Speaker Cannon were read.

Governor Deneen made a strong plea for party fidelity.

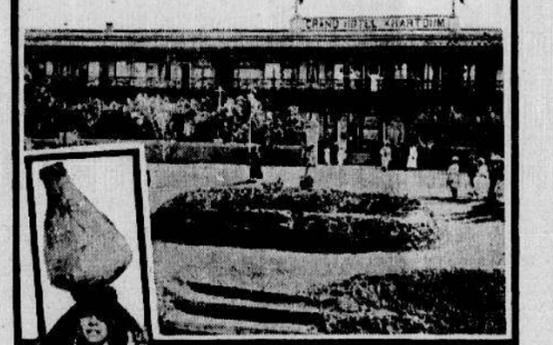

DIAMONDS MAY BE POLISHED BY SHAKING THEM IN A BAG OF DRY BRAN, pearls with a perfectly dry chamolite; flintage silver and chased gold with hot water and a little ammonia, and oxidized silver with a one to 40 solution of sulphuric acid.
