

NAPOLEON

"The City of Destiny"

Will Be a Great Pacific Coast Shipping Center

For All Commerce to and From the Inland Empire and Foreign Ports of the World

Napoleon will be a great city, because it is located in the heart of a country that is rich in natural resources. You must agree with us that Napoleon, when developed, will be a powerful center in commercial and industrial activities.

The Time to Buy Napoleon Business Property Is Now

Don't wait three or four years until it advances so high as to be out of your reach, as it surely will. Just stop and consider the value of a couple of business lots in Spokane and you will have a fair idea of the value of the same amount of property in Napoleon 10 years from now.

Business property in a growing city is recognized the world over as the best real estate investment you could possibly make, because business property is always in demand, and if at any time you desire to sell you can always dispose of it quickly at good prices.

WILL BUILD IN NAPOLEON

Some of Spokane's most prominent business men have purchased a large number of lots with the intention of erecting substantial business blocks in the near future.

You can buy a business lot in Napoleon, the coming metropolitan city, today for \$150 for an inside business lot and \$250 for a corner business lot. You need not pay all cash.
