

INQUIRY TO BEGIN TODAY

INVESTIGATION OF ALLEGED SHIP SUBSIDY LOBBY WILL BE TAKEN UP.

Washington, April 3.—An inquiry into the activity of an alleged ship subsidy lobby will be begun tomorrow by a committee of five members of the house, appointed by the speaker and headed by Representative Olcott, republican of New York. The committee is expected to go into all the charges that have been made along this line and to ascertain to what extent intimidation of members of congress has been attempted.

The investigation was ordered by the house judiciary committee following the filing of charges by Representatives Stearnson of Minnesota and Lenroot and Kusterman of Wisconsin, all republicans. These members detailed how a newspaper and personal letter campaign had been conducted with the apparent purpose of forcing them into supporting a ship subsidy bill. Representative Stearnson and Kusterman complained that they were accused by this alleged lobby of working in the interest of foreign ship lines.

THE REAL "BOSS."

New York, April 3.—As mayor of New York, William J. Gaynor is the real "boss" of the police department, as demonstrated today, the first Sunday after his election, that the police make no arrests for liquor-law violations. The city was decidedly "wet" in spots, but there were no arrests. Last Sunday there were 57 excise arrests. Whether the state excise department and the district attorney's office will enforce the law, as recommended by the mayor, remains to be seen, but, judging by the sporadic raid of policemen and plain clothes men, with the incidental grafting, are at an end.

IT MAKES TILLMAN SICK

SENATOR DECLARES THAT ALL THE HOORAH OVER ROOSEVELT WEARIES HIM.

New York, April 3.—The Outlook is authorized to say Mr. Roosevelt had not directly or indirectly communicated with the Methodists, or anyone else, and had not made any agreement to speak or to receive anybody. He entered Rome with no arrangements of any kind save the audience with the king, so that the vatican, in endeavoring to impose conditions upon him, acted before he even thought of taking steps for any other engagements.

The foregoing statement was given out in New York tonight by the publishers of the Outlook. Bishop David H. Greer of the Episcopal diocese of New York, commenting tonight on Colonel Roosevelt's experience with the vatican, said that in his opinion the American people would regard it as a national affront. And they will continue to regard it in this light, he added, no matter how much Colonel Roosevelt or others attempt to depreciate the incident. The vatican's attitude, he characterized as ill-advised. A copy of the Roosevelt correspondence was delivered here tonight to Archbishop Farley's secretary, but no comment was forthcoming.

"It would be manifestly improper," said the secretary, "to disturb the archbishop at this hour with a matter of this nature."

In a telegram from Atlanta, Ga., to the New York World, Senator Tillman of South Carolina, says: "All this hooray over Roosevelt makes me sick."

The value of the electrical industries of the United States at the close of last year was estimated at \$1,425,000,000, railroads being quoted at \$475,000,000 and central stations and telephony each at \$250,000,000.

Engineers, firemen and telegraphers of the Delaware & Hudson Railroad company have demanded an increase in pay averaging about 20 per cent.

STOMACH DISTRESS VANISHES

INDIGESTION, GAS, HEARTBURN, HEADACHE AND ALL MISERY FROM STOMACH WILL GO.

Nothing will remain undigested or sour on your stomach if you will take a little Diapepsin occasionally. This powerful digestive and antacid, though as harmless and pleasant as candy, will digest and prepare for assimilation into the blood all the food you can eat.

Eat what your stomach craves, without the slightest fear of indigestion or that you will be bothered with sour risings, belching, gas on stomach, heartburn, headache, gas on stomach, nausea, bad breath, water brash or a feeling like you had swallowed a lump of lead, or other disagreeable miseries. Should you be suffering now from any stomach disorder you can get relief within five minutes.

If you will get from your pharmacist a 50-cent case of Pape's Diapepsin you could always go to the table with a hearty appetite, and your meals would taste good, because you would know there would be no indigestion or sleepless nights or headache or stomach misery all the next day; and, besides, you would not need laxatives or liver pills to keep your stomach and bowels clear and fresh.

Pape's Diapepsin can be obtained from your druggist, and contains more than sufficient to thoroughly cure the worst case of indigestion or dyspepsia. There is nothing better for gas on the stomach or sour odors from the stomach or to cure a stomach headache.

You couldn't keep a handier or more useful article in the house.

TARIFF QUESTION BOBS UP

THREATENS TO CAUSE TROUBLE IN INDIANA REPUBLICAN CONVENTION.

Indianapolis, April 3.—To prevent a contest on the floor of the Indiana republican convention next Tuesday over the adoption of a platform endorsing the Payne-Aldrich tariff, conferences were held here today by leaders of the party. Senator Beveridge, who voted against the tariff bill and who is a candidate for re-election next year, is opposed, it is said, to the convention endorsing the law, but he and his supporters are in favor of passing resolutions declaring in favor of the principle of protection, that being as they care to go.

It is authoritatively stated that they will carry into the convention, if necessary, their fight against a resolution endorsing the Payne-Aldrich measure. To prevent such an exposure of factional division in the party, which it is feared would have an ill effect on the fortunes of the candidates in the state elections next fall, the leaders are inclined to avoid in the convention any discussion of the Payne-Aldrich law.

Yet, there are several influential leaders who not only believe that President Taft's administration should be endorsed, but the Payne-Aldrich bill should be commended as a step toward fulfillment of the pledge that there should be a downward revision of the tariff.

BRYAN DON'T WANT A DEMONSTRATION

Hot Springs, Ark., April 3.—William J. Bryan, writing from Buenos Ayres to Chairman Norman E. Mack of the national democratic committee, urges that no demonstration of any sort be made over his arrival in New York when he returns from his South American trip.

"Anything of the sort would be misconstrued and misinterpreted," is the language of Mr. Bryan. The letter was dated February 28, more than five weeks ago, and has been delayed in transmission.

Mr. Bryan states in the letter that it had just been brought to his attention in the Buenos Ayres press that arrangements were being made in New York for a reception for him.

"I prefer to arrive and go immediately to my home," is another quotation. Mr. Mack stated in connection with the letter that it was a request that should be regarded, as Mr. Bryan was sincere in the matter.

LEASE IS SECURED ON PAVILION.

Spokane, Wash., April 3.—J. Oscar Peterson, treasurer of Spokane, who was elected first vice president of the Western Bowling congress at San Francisco a few days ago, and officers of the Spokane Bowling league have taken an optional lease on the mammoth pavilion at Natarator park here, for the western tournament in 1911. Arrangements are already under way for the installation of sufficient standard alleys to accommodate at least 500 bowlers from various cities and towns west of the Mississippi river. The Spokane chamber of commerce and the Inland Herald will offer special trophy cups for the highest individual team scores, in addition to which there will be medals by Mayor Pratt and others. The chamber of commerce and other local organizations will also co-operate with the league in entertaining the delegates and teams at the tourney next spring, and everything will be done to make the meet the most successful in the history of the congress.

A HIGH POSITION FOR TEDDY

MINISTER WOULD MAKE HIM AMBASSADOR EXTRAORDINARY TO THE WORLD.

New York, April 3.—"I nominate Theodore Roosevelt for the high office of ambassador extraordinary to all the courts of the world, in the interests of universal and perpetual peace," said the Rev. Robert Stuart McArthur today in the course of an address to his current events class at the Gateway Baptist church. "I believe," he said, in conclusion, "that I have today spoken words which will ring from the Atlantic to the Pacific and which will echo beyond the seas."

Dr. McArthur chose for his subject, "What Shall We Do With Theodore Roosevelt?" In answering his own inquiry he said: "Perhaps some people would prefer to put the question in this form, 'What Will He Do With Us?'" He is a unique man. His powers are manifold and symmetrical to a remarkable degree. He is a practical politician, an experienced statesman, a recognized literateur, mighty hunter, a great preacher and a half score of other remarkable things.

What shall we do with such a man? How can his talent be best employed for the honor of the country and the good of mankind? "There can be no more exalted mission than the one I have named. Only those familiar with the facts know how many international disputes have already been settled by arbitration. Here we have a noble sphere for the varied talents, remarkable skill and wide experience of Colonel Roosevelt. No one will ever accuse him of being a Molly-coddle. He is as brave morally as he is physically and he has the ear of the civilized world in places high and low as no man ever had.

"If Theodore Roosevelt can be a dominant factor in the era of universal and perpetual peace, his name will be honored above that of all warriors on all battlefields through all the centuries."

JEFF READY FOR WORK.

Los Angeles, April 3.—James J. Jeffries left tonight for San Francisco, where he will remain until Tuesday next, when he will go to Rowdennan park to begin training for his fight with Johnson. Jeffries has been doing much road work and wood chopping. He says he is in good physical condition at the present time.

CURING CATARRH

ACCEPT OUR ADVICE AND TRY THIS REMEDY AT OUR RISK.

Catarrh is a disease of the mucous membrane. The mucous membrane is, one may say, the interior lining of the body. Catarrh therefore may exist in any part of the system.

When the catarrhal poison attacks the mucous membrane, inflammation and congestion are produced and nature fails to throw off the accumulated poisons. The organ which has been afflicted ceases to perform its proper function as nature intended it should. The result is complication upon complication, which may lead to other even more serious afflictions.

We honestly believe Rexall Mucuo-Tone will do wonders toward overcoming catarrh. It is made from the prescription of an eminent physician who made a long study of catarrh, and his great success with this remedy was an enviable one.

We want you if you are a sufferer from catarrh in any form, to give Rexall Mucuo-Tone a thorough trial. Use it with regularity and persistency for a reasonable time, then if you are not satisfied, come back and tell us, and without question or formality we will hand back to you every cent you paid us. This is certainly the fairest offer that anyone could make and should attest our sincerity of purpose. It comes in two sizes, prices 50 cents and \$1.00. Remember you can obtain it only at our store—The Rexall Store, The Missoula Drug Co.

IN THE THEATERS

Robert Edson is to come to the Harnois theater Thursday, April 7, where he will be seen for the first time in this city in a new play of American life of the present time, entitled "A Man's Man," by Anna Steese Richardson and Henry Leslie Fridenberg.

"A Man's Man," which is in four acts, the scenes being laid in New York city and in the capital of a western state, introduces Mr. Edson as a New York attorney who becomes involved in the efforts of a wealthy mine owner to corrupt the legislature, and the play severely attacks the evils of dishonest divorce laws. The central character, Townsend Hewitt, portrayed by Mr. Edson, is said to afford this popular young actor the opportunity for one of the most virile and striking portrayals of his entire career. The excellent company, engaged by Manager Henry B. Harris, for Mr. Edson's support, is the most carefully balanced organization sent on tour in many seasons.

At the Isis.
"The Troubadour," a film showing trick comedy, is billed as the new headliner at the Isis theater for the first performance of the new week. "The Exile" tells a dramatic story and another shows a review of United States troops at Fort Leavenworth. The program, in so far as the pictures are concerned, ends with "The Poet of the Revolution," a dramatic subject.

The Hotel and Restaurant Employees' International paid out \$70,928 in sick benefits during the last fiscal year.
