

DECLAMATORY CONTEST AT UNIVERSITY THIS EVENING

FIRST TRIANGULAR CONTEST GOES TO STATE UNIVERSITY

Missoula Institution Defeats Opponents Easily by Decisive Score of 65 to 44 and 17.

AGRICULTURAL COLLEGE FINISHES IN SECOND PLACE

Green Track Team Upsets All "Dope" by Showing Enough Speed and Class to Distance All Competition-- Pool, Reid and Annin Are Stars Among Visiting Athletes.

THE SCORE

Table with columns for various events (100-yd dash, 220-yd dash, 440-yd dash, 880-yd dash, Mile run, Two-mile run, 120-yd hurdles, 220-yd hurdles, High jump, Broad jump, Shot put, Hammer throw, Discus hurl, Pole vault) and rows for MONTANA, M. A. C., and MINES.

By winning the first annual triangular intercollegiate meet from the agricultural team by the score of 65 to 44 the track team of the University of Montana upset all the "dope" and surprised Coach McIntosh and his men, who had come over to Missoula heralded by lurid press notices and wonderful reports regarding their prowess.

count of his high school record, and since Hughes' highest jump this season has been an even 10 feet, he was given a fighting chance for third place. The Montana boy stuck with the Butte champion throughout the contest, however, and finally beat him at the height of 10 feet 8 inches.

The rest of the events were rather tame and although the interest on the part of those who were rooting for one team or another made it exciting for them, the meet was a tame, long-drawn-out affair for those who were out to see sport alone. A spirit of good-fellowship was evident throughout the meet. A slight difference arose over Annin's victory in the shotput, but the white-haired wonder lived up to his name, "Sunshine," and acted like a gentleman throughout.

Record Goes.

One university record was beaten yesterday by Captain Emmett Ryan, who threw the hammer 119 feet 10 inches. This throw was 14 feet further than the present college record of 105 feet 10 inches, held by T. L. Greenough, Jr. Ryan also made a wonderful performance in the high jump. The big, burly, 180-pound football star and weight man jumped five feet six inches, a jump which earned him second place in the event and which came within 1/4 of an inch of tying the college record held by Allan Toole.

Summary.

CHAMPIONS OF MONTANA

BUCK, TAYLOR, RUSSELL, WINSTANLEY, FORBIS, FRIDAY, MASON, CAMERON, O'ROURKE, BULLERICK, WELLS, MACLAY, HANSEN, SIMPSON, HUBERT, CONNERS, R. JOHNSON, DINSMORE, JOHNSON, SPENCER, RYAN, DOBSON, TAIT, SLOAN.

The results of yesterday's track meet show what can be done with a few determined men, who are willing to work. Six weeks ago the team which represented Montana yesterday was a bunch of green men, only one or two having ever competed in a track contest. By taking a victory from such men as Butte and Bozeman had entered these men showed what spirit will do when once aroused and directed in the proper lines. At the beginning of the season Bozeman looked like a sure winner, with men like Pool and Annin, but it later developed that

Montana had a well-balanced team, which will most always win out against a team of stars. The meet yesterday gives to Montana the first of many contests to follow in years to come. This first victory means much to the varsity, for the satisfaction of a hard-earned victory will give inspiration for next year. To the men who took this raw material that has made the university champion for Montana twice within a year and whipped it into a track team the credit for the victory of yesterday is due. Every whit of the credit goes to the coaches, Robert A.

Cary, Yale, C. A. Dana, Harvard, and Karl W. Woodward, Cornell. These men, without any pay or hope of reward, have worked conscientiously with the varsity squad for weeks. Steady practice, energy directed intelligently, the instilling of gameness, of the fighting spirit, if you please--are the elements that made up yesterday's triumph. To the coaches it was due. Mr. Cary, himself, a former student of the varsity, has had charge of the principal part of the coaching. He has worked faithfully and the result came yesterday.

CHARGE DELIVERED TO THE HYDE JURY

DOCTOR MUST BE FOUND GUILTY OF FIRST DEGREE MURDER OR ACQUITTED.

Kansas City, May 11--All of the rebuttal testimony was completed, the court's instructions were delivered to the jury and one of the state's closing arguments was delivered in the Hyde murder trial today.

By Judge Lashaw's instructions to the jury the accused physician either must be found guilty of first degree murder, punishable by death, or life imprisonment, or must be acquitted. None of the testimony admitted in the trial was withdrawn by the court from the jury. All the issues collateral with the alleged killing of Colonel Swope were admitted with this explanation:

"The evidence introduced as to other transactions, if any, are submitted to your consideration for the sole purpose of throwing light (if there be any) upon the intent and motive of the defendant (if any) into the transaction for which he is now on trial and for no other purpose."

Special instructions were given the jury regarding the testimony of Mrs. Hyde and of the medical experts for both sides. In the connections the court said:

"The wife of the defendant is a competent witness in this case and you must consider her testimony in arriving at your verdict, but in determining what weight and credibility you will give to her testimony in making up your verdict, you may take into consideration her interest in the result of the case and that she is the wife of the accused party on trial, testifying in his behalf."

"The opinions of the experts who have testified in this case is testimony which the jury should consider and examine, in connection with all other testimony of course, subject to the rules of credit or disbelief as the testimony of other witnesses."

Only Circumstantial.

Attention was also directed by the court to the fact that all evidence against Dr. Hyde was circumstantial. By the law in this state, the instructions to the jury were read before the attorneys began their arguments.

Assistant Prosecutor Henry L. Jost opened the argument for the state, talking for two hours. Three more speeches will be made by each side. Ten hours are given to each set of attorneys in which to make their addresses.

The main part of Mr. Jost's address was confined to the illness and death of Colonel Swope.

MEETING POSTPONED.

Washington, May 11--The rules committee which was to have acted today on a rule designed to expedite the consideration of the anti-options bill in the house, postponed its meeting until later in the week, possibly Friday.

ROOSEVELT NAMED TO ATTEND FUNERAL

Washington, May 11--The appointment of Colonel Theodore Roosevelt by President Taft as special ambassador to represent the United States at the funeral of King Edward VII, in London, May 20, was officially announced today. Cablegrams were exchanged last night.

This is said to have been the first direct communication between President Taft and Mr. Roosevelt since the former's inauguration.

The cablegrams follow: "Washington, May 10, 1910--Roosevelt, care American embassy, Berlin: I should be very glad if you would act as special ambassador to represent the United States at the funeral of King Edward VII. I am sure the English people will be highly gratified at your presence in this capacity and that our people will strongly favor it. Have as yet received no official notice of the date of funeral, but it is reported that it will take place on the 20th of this month. Please answer."

(Signed) "WILLIAM H. TAFT." "Berlin, May 10, 1910--The President, Washington: Accept. (Signed) "ROOSEVELT."

MAYOR MUST COMPLY WITH COURT'S ORDER

Helena, May 11--(Special)--The hearing in the police contempt proceedings, in which Mayor Frank J. Edwards and seven aldermen were cited, concluded today. Judge Clements made an order this afternoon directing the attorneys for the policemen to present an order to the court tomorrow morning adjudging the mayor in contempt and requesting him to do what the lawyers for the policemen want him to do, and he is to stand committed until he obeys the order.

THROWN OUT OF WORK.

Central Falls, R. I., May 11--Five hundred employees of the United States Cotton mills were thrown out of work today by a strike of employes for wage increases of 10 per cent. The entire plant was closed.

WEBER NOMINATED AGAIN.

Cincinnati, May 11--For the tenth consecutive time Joseph N. Weber of New York was today nominated for the presidency of the American Federation of Musicians by the national convention of that body. Other nominations, all equivalent to election were: Owen Miller, St. Louis, secretary; Otto Ornstendorf, St. Louis, treasurer.

THE HEINZE CASE WILL GO TO JURY

HEARING WILL BE COMPLETED TODAY AND PANEL WILL DECIDE THE ISSUE.

New York, May 11--The case of F. Augustus Heinze, former president of the Mercantile National bank, accused by the government of misapplication of the bank's funds and over-certification of the checks of Otto Heinze & Co., his brother's firm, will go to the jury tomorrow evening.

The taking of testimony came to a close late today and the summing up and the court's charge will wind up the trial tomorrow.

A big surprise was sprung by the defense today in resting its case without calling Heinze to the stand. Prosecutor Wise in turn rested his case without any attempt at rebuttal. Under the ruling of Judge Hough confining the charges to the single transaction of a \$200,000 loan on October 14, 1907, made by the Mercantile bank to Otto Heinze & Co., the defense confined itself to one line of attack on the indictment.

The only testimony offered was as to the value of the collateral offered by Heinze to secure this loan. To prove stability of the United Copper company, whose stock was pledged in security, the secret resources of the Heinzes were made public. Witnesses today were questioned along lines developed yesterday to prove that companies controlled by the United Copper company gave it a substantial footing.

Ernst Klein, cashier of the Mercantile bank, was questioned with a view to relieving Heinze of a part of the responsibility for the \$200,000 loan. It had been previously testified that Charles W. Morse had promised to take half of this loan.

Klein testified to having received checks of \$120,000 and \$80,000 from Morse on October 15, 1907, in part payment of the loan. At the time he said there was a deficit against Heinze in the bank of \$70,000, making the amount of the loan after these payments only \$110,000.

ELEPHANT RUNS AMUCK.

Oakland, May 11--"Rajah," one of the largest elephants in the world, who is held captive by a circus troupe, now appearing in Berkeley, ran amuck this morning and knocking his keeper, Tony Nustano, to the ground with his trunk, trampled him badly before help arrived. The man was taken to a hospital, where it was found he had sustained two fractured ribs and internal injuries which make his recovery doubtful.

WHITE APPOINTED.

Washington, D. C., May 11--(Special)--The president has appointed James A. White as postmaster at Kallispell.

TODAY'S PROGRAM.

10:30 Meeting of Montana High School Athletic association, assembly hall, for the transaction of business. 2 p. m. Montana field. First day of high school athletic events. 7:30 p. m. Singing on the steps, university, in charge of senior class. 8:30 p. m. Assembly hall, second declamatory contest. 10 p. m. University campus War dance, university students.

The seventh annual interscholastic track meet opens on Montana field this afternoon with 109 men from 19 different high schools of the state taking part. At 2 o'clock the first race will start and from that time on until 5 o'clock Friday afternoon theATTLE royal will be waged. Never have the auspices been so favorable, never has there been such a spirit, never has there been fairer weather and, more than that, never before have there been street cars to transport the crowds.

The tracks and fields are in the finest condition imaginable. The rain of the past week was just enough to make the newly rolled and cinder covered track fast and if there are not a lot of new records broken today and tomorrow it will not be the fault of the university people, who have had charge of the preparations for the meet.

All Teams Here.

Every team was in Missoula last night. Crum and his fast bunch of Helena athletes and the Butte delegation, headed by Hopkins, the fast 110-yard sprinter, arrived at noon yesterday and spent the evening in warming up on the track. The other teams are largely unknown quantities, but those who have been watching their practice on the field since their arrival claim that there are some record-breakers among them and that the meet will be a whirlwind.

Among yesterday's arrivals was Bert Conrad, formerly of the Missoula high school and beyond all doubt the best scholastic sprinter in the state. He arrived with the Great Falls high school crowd and will run in the meet. He should be able to gather in both of the short sprints and possibly the quarter mile and should give Crum a hard run for the individual championship.

Meet Today.

At 10:30 o'clock this morning the semi-annual meeting of the Interscholastic association will be held in the University hall. The championships in football and basket ball will be awarded at this meeting and the business preparatory to the big meet will be disposed of.

At 7:30 in the evening the students of the university will sing on the steps of the University hall. The seniors will appear in their caps and gowns and will have charge of the singing. This is the last official appearance of the senior class as members of the student body, and henceforth they will be considered as graduates. Following this the second declamatory contest will be held in University hall.

War Dance.

After the contest the first annual war dance of the students of the University of Montana will be held in the campus. This is one of the biggest events of the meet and should prove extremely interesting. It marks the official graduation of the freshmen into the sophomore class. The upper classes will be dressed as Indian braves and will formally scalp the freshmen, who are to appear in pajamas.

Athletic Program.

The program of athletic events for this afternoon is as follows: Band. Pole vault and shot put, followed by broad jump and discus throw. The shot put, broad jump and discus throw will be decided on Thursday. In the pole vault the six best will qualify for the finals on Friday. First heat of 120-yard high hurdles. Second heat of 120-yard high hurdles. Third heat of 120-yard high hurdles. Heat for second men in 120-yard high hurdles.

(Continued on Page Five.)

The first section of the interscholastic declamatory contest was held in University hall last evening before a large and enthusiastic crowd of high school visitors and local people. The contest was unusually interesting and all of the declamations were creditable and up to standard. The judges will not announce their decision until this evening at the final contest. President Dunlaway of the university presided at the contest. Seven young ladies took part and the work of each one was a credit to the school which she represented. The music, which was furnished by the university orchestra and by Principal J. F. Thomas of the Missoula high school, added materially to the evening's entertainment. The time-honored custom of giving school yell and creating general excitement before the contest by the different high school bodies was well lived up to last night and for half an hour before the speakers appeared in the hall yells and songs came thick and fast.

First Program.

The program last evening was as follows: Traviata

This evening the boys' contest will be held and at its conclusion the decisions for both contests will be announced. WITNESS FAINTS.

Chicago, May 11--Thomas Cox, a Rock Island, Ill., contractor, fainted in the grand jury room here today while being examined in the legislative bribery investigation. Cox was being questioned regarding certain business transactions of State Representative Henry L. Whelan of Rock Island, one of the democratic members of the legislature who voted for William Lorimer for senator. No indictments were returned today.

NO CHARGE RETURNED.

Roswell, N. M., May 11--The grand jury which completed its sitting today returned no bill against James B. Eldridge of Boise, Idaho, James Walker and James Wells, charged with subornation of perjury during the trial of Wells for the murder of Shirley Wells. It was alleged that Wells, Eldridge, who acted as his attorney, and Walker induced W. J. Day to testify falsely at Wells' preliminary hearing. Day stated he was to have received \$1,000 for testifying in Wells' behalf.
