

NEGRO KNOCKED OUT IN COURT

SAM FITZPATRICK GETS JUDGMENT—JOHNSON WILL TAKE THINGS EASY.

San Francisco, May 20.—Champion Jack Johnson varied the monotony of training today by appearing in one of the superior courts before Judge George H. Cabaniss to answer to a suit brought by Sam Fitzpatrick, his former manager, for a balance of \$187.50, said to be due him for services. Johnson received a knockout blow at the hands of the court, which awarded Fitzpatrick a judgment for \$118 and costs.

Johnson appeared in court with Manager George Little and Barney Furey, one of his trainers. The fighter explained that he had never agreed to pay Fitzpatrick for acting as manager of the training quarters while he was getting ready for his fight with Ketchel. Johnson's appeals to biblical personages to witness the truth of his statements called forth a rebuke from the court.

When the decision was given against him, Jack only smiled and said: "If Fitzpatrick had asked for the money he could have had it any time." It was announced that the scheduled boxing on Saturday afternoon at the training quarters would not take place but that the Galveston negro would rest up and do some extra work on Sunday.

"Johnson doesn't want to go state," said Little in explaining the switch. "He has 45 days yet in which to get into shape for the match and why should he rush? Before he gets ready for the fight he will be boxing every afternoon."

His work this afternoon consisted of 12 miles on the road.

LISTEN TO THE TALK.

A Salt Lake paper embellishes its pages with this effusion of picturesque slang:

"The negroes all hoisted their flags at half-mast in 'darkytown' when it became generally known that those 'prides' of the dusky race took the count at the Manhattan Athletic club Monday night. It was strictly a 'white man's' evening and, while there was nothing classy on exhibition, the boxers created more enthusiasm among the onlookers than the best vaudeville in the country could do."

"Louis Willie, brother of Weary Willie, was initiated in the ring game and, with a little more experience, will be able to make good. He was matched with Mickie Sullivan, the latter winning in the fourth round."

"Three cheers for Mickie! He has won a fight!" yelled the crowd.

"The feature of the contest was Mickie's desire to stop in the first and second rounds, when Willie struck a little low. Referee Bean thought no damage had been done and, after giving Mickie a few seconds' rest, allowed the bout to go on. Mickie's Irish was up in a minute and he sailed right into Willie, with the result that the colored boy lost all confidence in himself."

ATELL IS WINNER OVER TOMMY MURPHY

New York, May 20.—Abe Attell, the featherweight champion, easily bested Tommy Murphy tonight in a 10-round bout at the National Sporting club. The first six rounds were all Attell's. He was faster, cleaner and cooler. In particular, his left jab to the face was puzzling and damaging. In the seventh and eighth Murphy worked to close quarters and did some wicked in-fighting. They were his only rounds. With a burst of speed Attell let loose all he knew in the ninth and made Murphy look almost like an amateur. In the 10th the champion was content to hold a safe lead.

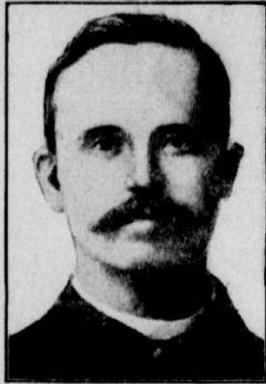

BUSSE HANGS ON.

Chicago, May 20.—Mayor Busse seems determined to prevent the Gutch-Zybszko wrestling match on Decoration day, May 26, as scheduled. Having lost the demurrer to the mandamus suit brought against him to compel the issuance of a permit for the match, the mayor tonight declared he would carry the case to the appellate court. In the event of such appeal, the case, it is said, cannot possibly be heard until after Decoration day.

DANDELION DIES.

New York, May 20.—It was stated in racing circles today that Dandelion, the 8-year-old chestnut race horse owned by S. C. Hildreth, died last night at Sheepshead Bay. He was a Hamburg, out of Pansy. As a 2 and 3-year-old Dandelion was one of the best thoroughbreds in training.

Gained Fifteen Pounds

MR. WILLIAM A. BURGESS

"Am in better condition physically than I have been for years. My stomach, kidneys and liver are in fine shape," says Mr. William A. Burgess.

"While serving in the U. S. Army, 1888 to 1901, I contracted stomach and kidney trouble, from which I have suffered ever since, and for which I receive a pension. I tried many remedies, but none gave any noteworthy effect. About three months ago I began using Duffy's Pure Malt Whiskey as a medicine. I have used three bottles and have gained fifteen pounds since I began using it. I am still using it, and I do not think there is any medicine made that is equal to it. My stomach, liver and kidneys are in better order than they have been for years, and if these three organs of the body are kept in order one will have few doctor bills. I cheerfully recommend Duffy's Pure Malt Whiskey as a tonic, a stimulant and renovator of the whole system."—WILLIAM A. BURGESS, P. O. box 575, Danville, Ill.

HEAVY WORK DONE W. J. BRYAN ADMITS HE LIKES IT

BY JEFFRIES

REPORT FROM BEN LOMOND COMMONER SAYS THAT HE ENJOYS MAKING SPEECHES COMPLIMENTS MANY.

Ben Lomond, Cal., May 20.—Jeffries staged two good sketches for the benefit of his camp followers today. In the morning he did some exhibition juggling with his sparring partners, tossing them about like the hero worshipping the villain in a tank drama. Bob Armstrong was the first to go on with the white champion and in the first two rounds escaped without damage, for the reason that the morning air was chilled and Jeffries was slow to warm up. In the third, however, Bob carelessly stepped in front of some heavy ones. One left hook caught him on the forehead and he would have gone to the floor had he not bumped the wall first.

When Choyaski's turn came Jeffries was becoming interested in his work and poor old Joe was tossed about recklessly for three rounds. He emerged from the scuffle with a bruised and a blackened eye. Brother Jack Jeffries made his boxing debut in the final two rounds. Jeffries did not think his brother was in good condition and handled him gently. Jeffries warned his sparring partners today that there would be plenty of work for them in the future and that they could expect no rest until after Jim Corbett's arrival.

Manager Sam Berger will return to Ben Lomond tomorrow morning with Tex Rickard and Dick Adams. One hundred and fifty members of the Olympic club are expected later in the day. The entire Jeffries party will go to Santa Cruz tomorrow evening to see the big fighter in the first of his public exhibitions.

COMET TO BE VISIBLE FOR ONE HOUR TONIGHT

Yerkes Observatory, Williams Bay, Wis., May 20.—Halley's comet was under observation here from 7:40 to 8:35 o'clock tonight. Astronomers first observed it in the west through a four-inch telescope at 7:40. At 8:10 o'clock the phenomenon was visible to the naked eye and remained so until it became lost behind a cloudbank at 8:35. It set at 9 o'clock.

"The comet appeared as of the brightness of a star of the second magnitude," said Professor Frost. "No tail was observed. The exposures of the spectrum show principally a continuous spectrum which means it is chiefly due to reflected sunlight. The gaseous constituents were less conspicuous than when the comet was in the morning sky and appeared faint."

"The comet will be visible to the naked eye tomorrow night from 8 to 9 o'clock in spite of a bright moon."

DIGGER OF BIG CANAL ARRIVES IN STATES

Washington, May 20.—Colonel George W. Goethals, the man who is digging the Panama canal, has arrived in Washington on a flying visit, en route from Panama to attend the 20th reunion of the class of 1880 at West Point on June 14. Colonel Goethals reports that operations on the canal are proceeding well in spite of an unprecedented period of wet weather. It has been unofficially stated, that Colonel Goethals will be appointed chief of engineers upon the retirement of General Bixby in 1913.

MRS. HYDE AFTER SLICE OF SWOPE'S ESTATE

Kansas City, May 20.—Mrs. B. Clark Hyde, wife of the convicted physician, today filed two partition suits against the estate of her uncle, Colonel Thomas Swope. One suit asks for a division of the residuary portion of the estate. The other action requests a division of the property which would have gone to her brother, Chrisman Swope, had he lived. So large are the interests involved, say attorneys, that the only way the property can be divided will be to sell it.

TAFT WINS.

Washington, May 20.—President Taft today played 18 holes of golf at Chevy Chase, most of the game in a driving rain, and turned in a card of 96, defeating General Clarence R. Edwards and Captain Butt, one-up. When it began to rain the president was playing such a good game he refused to quit.

Build Your Home IN PARKSIDE

Lots for Nothing

That's really what you get if you buy in Parkside. You pay me \$5 and a lot is secured to you; pay \$5 a month to me after that and the title will soon pass to you. This amount is trifling; it represents less than what you would pay for car fare if you lived in one of the remote additions to the city. Here in Parkside there is no occasion for paying car fare; you will save more than enough by not being compelled to take the street cars to your work. The easy walk from Parkside to the business center, to the university and to the high school obviate the necessity for buying car tickets, and the amount which you save by walking will more than meet your installments; you pay for your lot without drawing upon your resources; that is what I mean when I say you can get these lots for nothing. It is the easiest thing in the world. All you have to do is to take the money that would go for car fare and pay for your lot with it. You will have the lot before you realize it and before you have missed the money. You are foolish to wait any longer before making a purchase; there are but 60 lots left and you should choose quickly. Get an early start on your house, too. Call and let me show you. You'll be pleased.

Building in Parkside

Is going on at a lively rate. Since the day the sale of lots was started there have been temporary homes built in Parkside; there are many of them there now and all are occupied by happy, contented families. The completion of the water mains has started the construction of permanent homes and there will be scores of new homes built in Parkside this summer. September will find a new building record in Missoula and Parkside will hold the record; it will be something to talk about. Contractors are now figuring on plans for a dozen modern houses in Parkside, to be constructed as soon as possible. This is what the construction of the water mains means. It is now possible to get water at any lot in Parkside and we have not advanced the price on that account. The old figures and the old terms still stand. You can buy a lot in Parkside for from \$75 to \$250. The terms are \$5 down and \$5 a month. Buy a group of lots and join in the building bee that makes Parkside the liveliest place in the city. There will be a lot of building here because it is the best place in Missoula to have a home. Every favorable condition is here. Buy now while there are plenty of lots from which to choose.
