## Daily Puzzle

SEASIDE SPORT.

Is a jolly old game you have oft played before  
When bathing you go with hilarious din;  
The sea nettle chases you out on the shore,  
And the merry mosquito will chase you back in.  
Find another bather. Answer to Saturday's puzzle: Johnny—Upside down, near watercan. Flossie—Upper corner down, between children.

**A Woman's Great Idea** is how to make herself attractive. But, without health, it is hard for her to be lovely in face, form or temper. A weak, sickly woman will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always proves a godsend to women who want health, beauty and friends. They regulate stomach, liver and kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lively complexion, good health. Try them 50c at Missoula Drug Co.
