

HAMILTONIANS WIN FROM DILLON

PRIDE OF THE VALLEY GETS AWAY WITH AN EVEN BREAK BY TAKING GAME.

Dillon, Mont., July 18.—The Hamilton baseball team had its revenge this afternoon when it retaliated for its defeat yesterday by taking the Dillon Independents into camp by a score of 5 to 3. Dillon was out in full force, but despite the urging of the crowd the locals were defeated and the purses of the local fans depleted.

So great was the interest in the game that every business house in the city was closed and employer and employe vied with each other in cheering the home team on. The game was a pretty affair, with everything Dillon's way until the sixth inning. The home pride had tallied twice while the Bitter Rooters had been retired in one, two, three order. But in this inning the fireworks exploded. McQuaid got away with a hit which took him to the first corner. Hammond snapped the ball for two stations' worth and boosted his team-mate to third. Then Williams edged up to the plate, put a hitch in his trousers and a little Eli spirit into the willow and proceeded to elude the ball half-way across town, shoving McQuaid and Hammond home and reaching the left corner himself. Then the curtain was rung down and Dillon took a hand.

The local left fielder lined out a two-bagger. Swicker sacrificed and advanced his compatriot a peg. Barry hit and Peas scored, balancing the tallies. Then Ripley tipped once and Barry was caught between bases, ending the session.

In the seventh Marx hit and went to second on a balk, with one out. Gray and Fullerton whiffed and put a stop to the proceedings.

Dillon couldn't get anything started and Helman began the eighth for Hamilton by hitting wildly at three stultive one. McQuaid did likewise and Hammond hit safely to first. Williams lined the ball down the base line, but stumbled as he passed the sack, hurting himself so badly that it was fifteen minutes before he could be taken to the bench. Snyder put a little ginger into the proceedings, and under the inspiration three men had crossed the pan when the inning ended, giving the visitors five runs to Dillon's two. Little was done by Dillon with the exception of the fact that Peas laid out Umpire Duff with his hat, causing another slight but interesting delay. In the ninth Dillon took a good start. Helman went to pieces and presented four bases in succession, scoring Dillon's third run. Gebeau came to the rescue and fanned two men. Lunstrum was caught between the bases and the game was over.

NOT QUITE.

New York, July 18.—A report that "Parson" Davies was dying from a stroke of paralysis seemed to make the veteran sportsman rather more cheerful than usual tonight.
"No," he said, "I am not dying; I am only going to Chicago next Wednesday."

CORBETT FLASHES AN UNKNOWN

HAS UNNAMED PRIZEFIGHTER WHOM HE IS ANXIOUS TO HAVE JOHNSON MEET.

New York, July 18.—James J. Corbett has an "unknown" under cover who, he hopes, will show himself fit to win the title Jim Jeffries lost to Jack Johnson at Reno. Hugh McIntosh has been sufficiently impressed to put out a challenge today in behalf of the "unknown," backed by a \$5,000 profit, to be used later as a side bet. If Johnson declines, the offer is open to any other man worthy to be considered a candidate for heavyweight honors. Corbett refuses to make known the identity of his protege.

McIntosh, who is in New York, says in his challenge:
"The unknown will be named by James J. Corbett and also will be trained by him, the fight to take place in the United States, England or Australia, and I agree to offer a purse greater than that offered by any other person. As an evidence of good faith I am willing to deposit \$5,000 as a guarantee with Timothy Sullivan or any other responsible party. The same deposit will go as a side bet, if desired."

"The only stipulation I make is that the contest be 20 rounds or over."

COMPANY AND COUNCIL REACH AN AGREEMENT

The misunderstandings which have existed between the Missoula Gas company and the trades and labor council and four of the unions connected with the latter, were cleared up yesterday and last night articles of agreement were signed by President Smith and Secretary Smith of the gas company, and President Williams and Secretary Dodge of the council. The terms of the agreement are said to be entirely satisfactory to the unions involved in the dispute and the articles will probably be signed by the officers today.

S.S.S. CURES OLD SORES

Every old sore is an infected spot on the flesh, kept open by constant drainage of impure blood into the place. One of the principal constituents of blood is plasma, a healing property. Where the circulation is pure this element of the blood, which is of a glutinous or sticky nature, performs the necessary work in healing all sores, wounds and lacerations. It does this by sticking or joining the parts together, while nature causes a knitting of the tissues and solidifies the place.

This healing property is frequently destroyed by impure accumulations in the blood, and this vital fluid not only loses its power to heal, but becomes a source of irritation and disease to any open sore or ulcer on the body. Constantly it discharges its morbid matters into the place, and gradually it causes the infection to spread, and the sore enlarges. The morbid matter in the blood comes from different causes. A long spell of debilitating sickness, which breeds disease germs in the system, the retention of the refuse matters of the body because of a sluggish condition of the eliminative members, a continued malarial state of the system, inherited bad blood, etc., are usually responsible.

S.S.S. heals sores and ulcers in the very simplest way. It just goes into the circulation, and removes the impurities and polluted matter that are the means of keeping the ulcer open; then the sore is bound to heal. S.S.S. is the greatest of all blood purifiers, and not only does it cleanse the circulation, but it adds every necessary property to it to promote good health. It is of the very greatest tonic value, and those who have been weakened and run down by the constitutional drainage of an old sore will find it the very remedy needed.

CURED OF EATING SORE. Dear Sirs:—I was suffering greatly from a sore on my left breast, which had begun to eat, and at times deep, shooting pains would pass through it, and the ulcer was discharging yellow and rather offensive matter. I consulted physicians, but their treatment did not benefit me very much. My condition seemed hopeless, and I had almost despaired of getting well. I knew that the disease was hereditary in my case, as an only sister, my mother and two of her sisters had died of Cancer of the breast. After I had finished the first bottle of S.S.S. I felt some better, so continued it until I was cured. Mrs. JAMES CASSELL, Bolton, Mo.

S.S.S. does not simply cause a scab to come over an old sore, but beginning at the bottom it heals the place permanently by building new tissue and filling in the place with firm, healthy flesh. Special book on Sores and Ulcers, and any medical advice free, THE SWIFT SPECIFIC CO., ATLANTA, GA.
