M'DONALD WILL HEAD CROSS-COUNTRY SQUAD

The members of the cross-country squad met Wednesday evening after the regular run and chose as their captain Kenneth McDonald. Mr. McDonald has been one of the most faithful workers on the squad all fall and his election comes as a reward for his good services. Last year Mr. McDonald was a member of the cross-country team at the University of Washington. He is a strong and powerful runner and should make a good leader for the team, as well as a valuable asset to the track team in the spring. Coach Cary is planning for a series of bare and hound races and handicap runs during the coming month, and every day the men are taking a longer jaunt over the flat in preparation for these events. It is also planned to run off a special race before Thanksgiving and a trophy of some sort will probably be awarded to the winner of this race. At any rate cross-country is going to be a big thing this winter, and the squad is preparing for a strenuous season.

New stockfish and Norway Herring at Gus Bromen, 622 Woody street.

HARNOIS PRESENTS LOCAL BREVITIES "BROKEN IDOL"

MUSICAL SHOW, NEW TO MISSOULA, INTRODUCES CLEVER SONGS AND PEOPLE.

"A Broken Idol," last evening's attraction at the Harnois theater, introduced a number of pretty songs and clever people to a good audience. It was "A Broken Idol's" first appearance in the Garden city and the show was made welcome by the audience. It is advertised as a musical farce, and the label fits. A great deal of comedy—about 90 per cent good—fills out the song interludes. The musical hits were "China Doll," "Love Makes the World Go Round," "Sign of the Honey-moon," "Poor Old Dad's in New York" and "Alabama."
Perle Barti, the leading woman, has a good voice and her numbers were received enthusiastically. Don A. MacMillan, Jack West and Dan Russell took excellent care of the comedy. The chorus must have been picked for its looks. There were good mechanical features.

BREAKS UP A COLD IN SEVERAL HOURS

There is not one grain of quinine in Paper's Cold Compound, which, when taken every two hours, until three consecutive doses are taken, will surely end the gripe and break up the most severe cold, either in the head, chest, back, stomach or limbs. It promptly relieves the most miserable neuralgia pains, headache, dizziness, head and nose stuffed up, feverishness, sneezing, sore throat, running of the nose, catarrhal affections, soreness, stiffness and rheumatic twinges.
Paper's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars, and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or gripe.
Take this harmless Compound as directed, with the knowledge that there is no other medicine made anywhere else in the world which will cure your cold or end Gripe misery as promptly and without any other assistance or harm after-effects as a 25 cent package of Paper's Cold Compound, which any druggist in the world can supply.
