\$10 values always and cheap at that price. All the latest styles, in plain and fancy materials. A skirt bargain hard to find outside of this store. Special **\$8.00**

## CARLISLE RED MEN ARE DEFEATED BY BROWN

TEAMS CLOSE SEASON WITH GAME BRISTLING WITH TRICK PLAYS.

Providence, Nov. 24.—Brown defeated Carlisle today in the final football game of the season for both teams. The score was 15 to 6.

In the early part of the first period Sprackling of Brown ran from Brown's 20-yard line to the Indians' goal, but because of an off-side play the touchdown did not count and the ball was given to Carlisle.

The Indians advanced the ball to Brown's five-yard line, but were held for downs. Later in the period a forward pass netted Brown 20 yards, putting the ball on Carlisle's 15-yard line and then Sprackling kicked a goal from the 40-yard line.

The touchdown was made in the second period, a forward pass netting 20 yards and placing the ball within four yards of the Indians' goal. Brown required three rushes to make the touchdown.

The Indians rallied in the third period. After Sprackling had failed at a second field goal, the visitors, by plunges into the line and masked fake kick formation, tore the Brown team aside for repeated gains until a first down was gained on Brown's 10-yard line. Another plunge by Hauser carried the ball over.

Early in the fourth period Hauser came near tying the score, missing a field goal by a few feet. This ended the Indians' chances, for they weakened and a fumble gave Brown the ball on Carlisle's 25-yard line. Two fine forward passes gave Brown her second touchdown.

It was a finely-played game, bristling with trick plays, forward passes and long runs behind the interference. The kicking was less than usual.

### AT THE BIJOU.

For the rest of the week the Bijou offers an interesting program. The feature picture is "The Foreman" (Selig).—A western ranch picture of excellence, like all the ranch pictures that have come from the Selig studio. A foreman wrongly accused and arrested escapes and with the aid of a girl succeeds in establishing his innocence and recovers the stolen money. The strength of this firm's ranch pictures lies in the fact that they reproduce what appears to be homely and actual scenes. They do not appear as though they were posed especially for the occasion. The stories work out as though the scenes were actually transpiring before the audience and so graphically are they presented that the spectator seems to have a part in whatever is taking place as an interested party. Acting and photography are alike beyond criticism, contributing their share toward producing an excellent picture.

The others of the film are "A Modern Knight Errant," "Jinks Wants to Be an Acrobat" and "One on Max." A diamond brooch contest opens tonight and this promises to be one of the best drawing cards which the Bijou has ever advanced.

### F. E. WILLARD VISITING.

F. E. Willard, who for a few months held down the position of superintendent of the Rocky Mountain division of the Northern Pacific railway, but now residing on the coast, spent Thanksgiving in Missoula, the guest of friends.

## FALLS TEAM LOSES TO BUTTE

CASCADE COUNTY IS DEFEATED IN SMOKY CITY BY SCORE OF 10 TO 0.

Butte, Nov. 24.—(Special.)—Butte outplayed Great Falls in every department of football today and won handily on a field that was supposed to suit the heavier eleven from Cascade county. The Butte locals had a variety of play that bewildered their opponents and with a dry field the score possibly would have been larger than the 10 to 0 tally registered. The game was played in a snowstorm that, while not bad enough to interfere with the play, had covered the ground with an uncertain surface and not only interfered with the footing of the players but left the ball, a cold, slippery oval that was hard to handle.

Great Falls outplayed Butte only in the success of their forward passes, but these gained nothing. Butte intercepted many of them for gains. Both teams were forced to kick frequently, the average distance being a standoff, although Butte gained on every exchange of kicks by her ability to get down the field under the punts. Butte's first touchdown came after Great Falls was forced to kick on third down. Grigg tore off eight yards around left end, and Freebourne negotiated 25 around the same end. Grigg hit the line for five more and then Bourquin to Donnelly, a forward pass, placed the ball over the line, Steinbeck kicking an easy goal. Time, 16 minutes.

### Second Score.

The second touchdown came in the second period in much the same way. Great Falls was forced to kick and Freebourne took the ball back ten yards. The next down resulted in no gain, but a forward pass, Bourquin to Williamson, got 15 yards and Freebourne was sent around Great Falls' weak end for 24 yards and a touchdown. Freebourne kicked out to Grigg and Steinbeck kicked an easy goal.

### Second Half.

The second half developed a splendid but non-sensational battle between the two teams, neither approaching a score. It was splendid football between two Montana teams, with the advantage with Butte in the way of superior knowledge of the game and a variety of plays not apparently possessed by the visitors. While comparisons may be out of

place, it is only fair to state that Butte played even a better game against Great Falls than against Ogden. The Great Falls team showed strength only in the work of Logan and Jardine. These two also negotiated the only two successful forward passes of the game for their team. Butte smothered the line plays and the end runs of the visitors even before they were fairly started and the first downs of Butte and Great Falls, 17 as against 5, tells much of the story.

### W. O. W. PARTY.

Camp 73, Woodmen of the World, gave the most successful card party in its history last evening. The attendance was so large that not all of the camp's would-be guests could gain admittance. Prizes were awarded to Mrs. E. Stannard, Mrs. Gibney, James Dore and D. E. Anderson. This was one of the series of parties that the lodge is giving during the winter season.

## SPANISH VETERANS TO BE MUSTERED

Saturday night at the Eagles' hall the newly organized Spanish-American war veterans will be officially mustered in with appropriate ceremony. H. R. Stevens of Butte, department commander of Montana, will be here to act as the installing officer and he will be assisted by W. D. Neely, department adjutant for the department of Montana, he being the assistant postmaster at Butte. The affair will be made more auspicious by the presence of all of the commissioned officers at Fort Missoula and the Fourteenth infantry band, which is here on duty from Fort Harrison. After the exercises a big feed will be served in the hall. The veterans are expecting a large attendance from both Butte and Helena. At the time of the mustering in the second degree of the Spanish-American war veterans will be instituted.

### POLLEYS MILL SPUR.

The grading of the new spur which the Northern Pacific is building from its Bitter Root branch to the mill of the Polleys Lumber company is practically completed and steel will be laid within a few days. The spur branches from the main track just south of the railway bridge over the Missoula river and is carried on a gentle grade to the mill pond. This will enable the milling company to ship logs from the Couer d'Alene country

by either the Northern Pacific or Puget Sound roads and have them delivered at the pond.

### ANOTHER WRESTLER.

Jack Haines is the latest promoter to hit Missoula. He is touting E. J. Ickman, the "Iowa Kid," a middleweight wrestler. Ickman is looking for the middleweight championship of Montana, held by Joe Thielsch of this city, and Haines can see meat tickets on every tree. His protegee is out with an all-embracing deft.

### INSURANCE MAN INSPECTS.

E. W. Osborne, Northern Pacific insurance inspector, whose headquarters are in St. Paul, arrived in Missoula yesterday, and ate his Thanksgiving meal. He will spend a week on the Rocky Mountain division, this being his annual trip of insurance inspection.
