

Bitter Root News WILL ELECT QUEEN FOR CARNIVAL

HAMILTON YOUNG LADIES ARE NOMINATED TO HEAD THE BIG WINTER EVENT.

Hamilton, Dec. 14.—(Special).—A number of the business men of the city met last evening at the chamber of commerce rooms to discuss matters pertaining to the Hamilton ice carnival. It was decided that to be a success the carnival must have a "queen" as a list of eligibles was prepared. The following young ladies were selected: Nellie Smithy, Laura Harper, Laura Goodrich, Carrie Hork, Blanche McKay, Mary Quinn and Isabel Gilray. Persons desiring to vote for any of these candidates may do so by visiting the chamber of commerce rooms where a large ballot box is provided.

LETTER FROM COLLIER'S.

Hamilton, Dec. 14.—(Special).—This morning's mail brought Manager Odea of the local chamber of commerce, a letter from the editorial room of Collier's Weekly. The letter was written by Mark Sullivan, the Washington correspondent of the publication, and seems to indicate that his pen is responsible for the fine tribute to this valley printed by the paper a short time ago. The letter came in the answer to a letter sent Collier's a few days ago by the chamber of commerce. Editor Sullivan claims to have pleasant memories of several weeks spent in the Bitter Root some years ago.

BREATHITT COUNTY MAN CHARGED WITH BRIBERY

Paris, Ky., Dec. 14.—A sensation was sprung in the trial of the four men of Breathitt county, who are charged with the murder of John Abner here, today when two of the leading commonwealth witnesses, William Stidham and Russell Sizemore, filed affidavits that A. S. Johnson of Jackson, a friend of the accused, attempted to bribe Stidham to testify Paris and not testify against the defendants. It was alleged in the affidavit that the attempted bribery took place in the corridors of the courthouse last Monday, just before the trial started.

INSTANT RELIEF FOR SORE FEET

Sore Feet, Tender Feet and Swollen Feet Cured Every Time. TIZ Makes Sore Feet Well, No Matter What Ails Them.

Policemen all over the world use TIZ. Policemen stand on their feet all day and know what sore, tender, swollen feet really mean. They use TIZ because TIZ cures their feet right up. It keeps feet in perfect condition. Read what this policeman has to say: "I was surprised and delighted with TIZ for tender feet. I hardly know how to thank you enough for it, it's superior to powders or plasters. I can keep my feet in perfect condition. Believe in my earnest gratitude for TIZ, and a policeman and keep on my feet all day."—Emy Harrell, Austin, Texas.

OLD MEN ON DECK AGAIN

FEW CHANGES MADE IN MANAGERIAL POSITIONS IN MAJOR LEAGUES.

One of the interesting subjects of comment at the big gathering of baseball men this week has been that relating to changes among the managers of the big league teams for the coming season. The discussion has brought to light the fact that the managerial changes will be fewer in number than in any preceding year in the history of the major organizations.

CONDITION OF STOCK SAID TO BE EXCELLENT

J. R. Wilson of Chinook Chouteau county, spent yesterday in Great Falls on his way to the Flathead country. He says the Tribune, after he goes to look after some land that he purchased in the vicinity of Kalispell a couple of months ago. Mr. Wilson had the following to say of the Milk River country while in the city last evening: "Stock conditions in and around Chinook are extremely good for this time of the year. There have been no losses that I know of. The stockmen of our section have not yet been called upon to feed range stock. I am of the opinion that this will not be necessary for some time yet and possibly not for the balance of the winter. There is plenty of grass yet to be found on the ranges and as the snow is not deep it is an easy matter for stock to find all that they can eat."

TOMMY BURNS INJURED WHEN TRAINS COLLIDE

Seattle, Dec. 14.—Tommy Burns, former heavyweight champion pugilist of the world, was severely injured in the collision on the Seattle-Tacoma interurban railroad last night and will be confined to his bed for an indefinite period. His right arm and right knee were violently wrenched, his head was bruised and it is thought the smaller bone of the right arm was fractured. Burns had not yet recovered from the injury to his left knee in a lacrosse game at Vancouver, and is now probably permanently incapacitated as a fighter.

DANDRUFF CAUSED BY A GERM.

New Discovery That Kills the Germ and Prevents Baldness. Praty nearly all the hair preparations for dandruff have some merit in allaying itching of the scalp, and in being a fairly good dressing for the hair, but there is only one that recognizes what causes dandruff, falling hair and baldness, and that destroys the cause, a little germ—and that is Newbro's Herpicide. This germ eats its way into the scalp, it digs up the scalp into little white scales. Unless it is destroyed, there's no permanent stopping of falling hair and cure of dandruff and baldness. Newbro's Herpicide kills the germ. Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. One-dollar bottles guaranteed. Missoula Drug Co., special agents.

OUTLOOK IS FAVORABLE.

Wallace, Dec. 14.—(Special).—The Copper King circuit has been driven 3,400 feet and is believed to be within a few feet of the vein in which tunnel work 1,000 feet above opened a rich ore shoot. Experts advised deep development when the ore shoot was found above three years ago, and the company acted on the advice. The formation in which the face of the circuit is now is favorable for galena ore.

BOURBONIA IN WALLACE.

Wallace, Dec. 13.—(Special).—If the plans of J. E. Bourbonia, proprietor of the moving picture shows in Hamilton, materialize, Mullan and Kellogg will soon be supplied with this form of amusement. Mr. Bourbonia has been in the district several days making arrangements for buildings. He is negotiating with the Grand theater in Wallace, owned by W. A. Simons, which has acts from the Fantages circuit each week.

J. R. REID REBUKES MARKET MOVEMENT OF THE DAY

FORMER MISSOULA RESIDENT TAKES EXCEPTION TO STATEMENTS OF A BOOSTER.

New York, Dec. 14.—Apart from its slightly better tone today's stock market differed in no essential feature from that of preceding days. Business was at much lower ebb, though showing a broader tendency. The annual report of the Southern Pacific company for 1909-10, showing earnings at the rate of almost 13 per cent for the common stock, an increase of about 3 per cent over the previous year, imparted a firmer tone to the permanent group. The gain, however, represented in large part the cash received by Southern Pacific for its former holdings of Wells-Fargo stock. Money in London was in excess of all demand, and the lower private discount rate was probably based on expectations of a further reduction of the bank rate tomorrow. A small addition to the Bank of England's gold holdings was announced. In this market London bought sparingly on the Hariman issues, United States Steel and Amalgamated Copper.

GRAIN AND PROVISIONS.

Chicago, Dec. 14.—The grain in wheat today was firm and practically at the highest point of the season. Although the trade did not amount to much early, the market broadened out later as the bears grasped at cheapening profits. The bulls crowded their advantage and displayed cable dispatches stating that the persistent support in Chicago was being noted
